A Regiment of Slaves Edward G. Longacre, 2011-12-01 The story of the 4th United States Colored Infantry and their experiences during the Civil War *From Slaves to Soldiers* Robert A. Geake, Lorén M. Spears, 2016 Known as the Black Regiment the Story of the First Continental Army Unit Composed of African American and Native American Enlisted Men In December 1777 the Continental army was encamped at Valley Forge and faced weeks of cold and hunger as well as the prospect of many troops leaving as their terms expired in the coming months If the winter were especially cruel large numbers of soldiers would face death or contemplate desertion Plans were made to enlist more men but as the states struggled to fill quotas for enlistment Rhode Island general James Mitchell Varnum proposed the historic plan that a regiment of slaves might be recruited from his own state the smallest in the union but holding the largest population of slaves in New England The commander in chief s approval of the plan would set in motion the forming of the 1st Rhode Island Regiment The black regiment as it came to be known was composed of indentured servants Narragansett Indians and former slaves This was not without controversy While some in the Rhode Island Assembly and in other states railed that enlisting slaves would give the enemy the impression that not enough white men could be raised to fight the British owners of large estates gladly offered their slaves and servants both black and white in lieu of a son or family member enlisting The regiment fought with distinction at the battle of Rhode Island and once joined with the 2nd Rhode Island before the siege of Yorktown in 1781 it became the first integrated battalion in the nation s history In *From Slaves to Soldiers* The 1st Rhode Island Regiment in the American Revolution historian Robert A Geake tells the important story of the black regiment from the causes that led to its formation its acts of heroism and misfortune as well as the legacy left by those men who enlisted to earn their freedom **Army Life in a Black Regiment** Thomas Wentworth Higginson, 2016-12-02 *Army Life in a Black Regiment* By Thomas Wentworth Higginson 1823 1911 Originally published 1869 Slavery and the American Civil War These pages record some of the adventures of the First South Carolina Volunteers the first slave regiment mustered into the service of the United States during the late civil war It was indeed the first colored regiment of any kind so mustered except a portion of the troops raised by Major General Butler at New Orleans These scarcely belonged to the same class however being recruited from the free colored population of that city a comparatively self reliant and educated race The darkest of them said General Butler were about the complexion of the late Mr Webster The First South Carolina on the other hand contained scarcely a freeman had not one mulatto in ten and a far smaller proportion who could read or write when enlisted The only contemporary regiment of a similar character was the First Kansas Colored which began recruiting a little earlier though it was not mustered in the usual basis of military seniority till later See Appendix These were the only colored regiments recruited during the year 1862 The Second South Carolina and the Fifty Fourth Massachusetts followed early in 1863 **Army life in a black regiment** Thomas Wentworth Higginson, 1900 **Army Life in a Black Regiment** Thomas
