Region And Empire Panjab In The Seventeenth Century:

Region and Empire Chetan Singh,1991 Region and Empire examines Panjab's remarkably stratified society in the seventeenth century. The extension of agriculture for instance encouraged the settling of pastoral tribes which had long roamed the inhospitable fringes of the Panjab landscape. Growing social ferment disturbed the customary stability of society and eventually led to political conflict in the region. **Islamic Societies to the Nineteenth Century** Ira M.

Lapidus,2012-10-29 First published in 1988 Ira Lapidus A History of Islamic Societies has become a classic in the field enlightening students, scholars and others with a thirst for knowledge about one of the world's great civilizations. This book based on fully revised and updated parts one and two of this monumental work describes the transformations of Islamic societies from their beginning in the seventh century through their diffusion across the globe into the challenges of the nineteenth century. The story focuses on the organization of families and tribes, religious groups and states showing how they were transformed by their interactions with other religious and political communities. The book concludes with the European commercial and imperial interventions that initiated a new set of transformations in the Islamic world and the onset of the modern era. Organized in narrative sections for the history of each major region with innovative analytic summary

introductions and conclusions this book is a unique endeavour. Music in Colonial Punjab Radha Kapuria,2023 This book offers the first social history of music in undivided Punjab 1800-1947 unearthing new evidence to argue for the power of female performers and the primacy of classical music for a region conventionally understood as a centre of folk music alone.

Sicques, Tigers or Thieves P. Singh,2016-09-27 In 1812 Sir John Malcolm a Lieutenant General in the British Army wrote A Sketch of the Sikhs commonly believed to be the first account of the Sikhs written by a non Sikh. In truth soldiers, travellers, diplomats, missionaries and scholars had provided accounts for many years before. Drawing on this difficult to access material the editors of this volume have compiled a unique source that offers a fascinating insight into the early developments in Sikh history. From the first ever written accounts of the Sikhs by Persian chroniclers of the Moghul Emperor to the travel diary of an Englishwoman this volume contains material invaluable to those studying the evolution of the Sikh religion as well as to those interested in learning more about this major religion. It also provides an unparalleled look into the growth and solidification of the religious practices of Sikhs. At a time when the misunderstanding of the Sikh religion and those who practise it has reached new and deadly heights this volume hopes to introduce a wider audience to the roots of its culture. For more detailed information including examples of illustrations and selected extracts go to www.sicques.com **Historical**

Dictionary of Sikhism Louis E. Fenech, W. H. McLeod,2014-06-11 Sikhism traces its beginnings to Guru Nanak who was born in 1469 and died in 1538 or 1539. With the life of Guru Nanak the account of the Sikh faith begins. All Sikhs acknowledging him as their founder, Sikhism has long been a little understood religion and until recently they resided almost exclusively in northwest India. Today the total number of Sikhs is approximately twenty million worldwide. About a million live

outside India constituting a significant minority in the United Kingdom Canada and the United States Many of them are highly visible particularly the men who wear beards and turbans and they naturally attract attention in their new countries of domicile This third edition of Historical Dictionary of Sikhism covers its history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 1000 cross referenced entries on key persons organizations the principles precepts and practices of the religion as well as the history culture and social arrangements This book is an excellent access point for students researchers and anyone wanting to know more about Sikhism **The A to Z of Sikhism**

W. H. McLeod, 2009-07-24 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This reference is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a bibliography provides readers with an informative and accessible guide toward understanding Sikhism

The Princes of the Mughal Empire, 1504-1719 Munis D. Faruqi, 2012-08-27 For more than 200 years the Mughal emperors ruled supreme in northern India How was it possible that a Muslim ethnically Turkish Persian speaking dynasty established itself in the Indian subcontinent to become one of the largest and most dynamic empires on earth In this rigorous new interpretation of the period Munis D Faruqi explores Mughal state formation through the pivotal role of the Mughal princes In a challenge to previous scholarship the book suggests that far from undermining the foundations of empire the court intrigues and political backbiting that were features of Mughal political life and that frequently resulted in rebellions and wars of succession actually helped spread deepen and mobilise Mughal power through an empire wide network of friends and allies This engaging book which uses a vast archive of European and Persian sources takes the reader from the founding of the empire under Babur to its decline in the 1700s *The Environment and World History* Edmund Burke

III, Kenneth Pomeranz, 2009-04-08 Since around 1500 C E humans have shaped the global environment in ways that were previously unimaginable Bringing together leading environmental historians and world historians this book offers an overview of global environmental history throughout this remarkable 500 year period In eleven essays the contributors examine the connections between environmental change and other major topics of early modern and modern world history population growth commercialization imperialism industrialization the fossil fuel revolution and more Rather than attributing

environmental change largely to European science technology and capitalism the essays illuminate a series of culturally distinctive yet often parallel developments arising in many parts of the world leading to intensified exploitation of land and water The wide range of regional studies including some in Russia China the Middle East India Southeast Asia Latin America Southern Africa and Western Europe together with the book's broader thematic essays makes *The Environment and World History* ideal for courses that seek to incorporate the environment and environmental change more fully into a truly integrative understanding of world history

Writing the Mughal World Muzaffar Alam, Sanjay Subrahmanyam, 2012 Between the mid sixteenth and early nineteenth century the Mughal Empire was an Indo Islamic dynasty that ruled as far as Bengal in the east and Kabul in the west as high as Kashmir in the north and the Kaveri basin in the south The Mughals constructed a sophisticated complex system of government that facilitated an era of profound artistic and architectural achievement They promoted the place of Persian culture in Indian society and set the groundwork for South Asia's future development In this volume two leading historians of early modern South Asia present nine major joint essays on the Mughal Empire framed by an essential introductory reflection Making creative use of materials written in Persian Indian vernacular languages and a variety of European languages their chapters accomplish the most significant innovations in Mughal historiography in decades intertwining political cultural and commercial themes while exploring diplomacy state formation history writing religious debate and political thought Muzaffar Alam and Sanjay Subrahmanyam center on confrontations between different source materials that they then reconcile enabling readers to participate in both the debate and resolution of competing claims Their introduction discusses the comparative and historiographical approach of their work and its place within the literature on Mughal rule Interdisciplinary and cutting edge this volume richly expands research on the Mughal state early modern South Asia and the comparative history of the Mughal Ottoman Safavid and other early modern empires

The Great Agrarian Conquest Neeladri Bhattacharya, 2019-09-01 This book examines how over colonial times the diverse practices and customs of an existing rural universe with its many forms of livelihood were reshaped to create a new agrarian world of settled farming While focusing on Punjab India this pathbreaking analysis offers a broad argument about the workings of colonial power the fantasy of imperialism it says is to make the universe afresh Such radical change Neeladri Bhattacharya shows is as much conceptual as material Agrarian colonization was a process of creating spaces that conformed to the demands of colonial rule It entailed establishing a regime of categories tenancies tenures properties habitations and a framework of laws that made the change possible Agrarian colonization was in this sense a deep conquest Colonialism the book suggests has the power to revisualize and reorder social relations and bonds of community It alters the world radically even when it seeks to preserve elements of the old The changes it brings about are simultaneously

cultural discursive legal linguistic spatial social and economic Moving from intent to action concepts to practices legal enactments to court battles official discourses to folklore this book explores the conflicted and dialogic nature of a transformative process By analyzing this great conquest and the often silent ways in which it unfolds the book asks every historian to rethink the practice of writing agrarian history and reflect on the larger issues of doing history

Medieval Panjab in Transition Surinder Singh,2022-06-08 This book reconstructs the historical transition in the undivided Panjab during the sixteenth and seventeenth centuries It shows that the assertion of Mughal and Afghan suzerainty faced sustained resistance from local elements particularly the autonomous tribes and hill chiefdoms In central plains Dulla Bhatti mobilized the toilers of his ancestral domain and leading a relentless fight against the Mughal oppression became an abiding symbol of resistance in the collective memory The multicultural legacy of Panjab evolved through diverse strands of spirituality The jogis wedded to monastic discipline supernatural abilities and land grants gained acceptance through their exertions for social betterment The Sabiri and Qadiri silsilas channelized mystical urges towards the technique of prime recitation The popular verses of Shah Husain Baba Lal and Sultan Bahu proposed a loving relation with God The legendary lovers perishing in the struggles against patriarchal forces promoted a merger of dissent with spirituality In the city of Lahore the material pursuits and cultural life were visible in a mosaic of descriptions including episodes of social tension The book understands the upliftment of depressed castes as a defining feature of Sikhism It places egalitarian concern of the Sikh Gurus alongside the anti caste protests of Namdev Kabir and Ravidas Owing to scriptural authority and congregational equality the members of depressed castes attained a numerical majority in the Sikh warrior bands that shook the foundations of the Mughal state The work relies on evidence from the Persian chronicles Mughal newsletters Sufi writings Sikh literature and Punjabi folklore Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

The Indian Frontier Jos Gommans,2017-12-22 This omnibus brings together some old and some recent works by Jos Gommans on the warhorse and its impact on medieval and early modern state formation in South Asia These studies are based on Gommans observation that Indian empires always had to deal with a highly dynamic inner frontier between semi arid wilderness and settled agriculture Such inner frontiers could only be bridged by the ongoing movements of Turkish Afghan Rajput and other warbands Like the most spectacular examples of the Delhi Sultanate and the Mughal Empires they all based their power on the exploitation of the most lethal weapon of that time the warhorse In discussing the breeding and trading of horses and their role in medieval and early modern South Asian warfare Gommans also makes some thought provoking comparisons with Europe and the Middle East Since the Indian frontier is part of the much larger Eurasian Arid Zone that links the Indian subcontinent to West Central and East Asia the final essay explores the connected and entangled history of the Turko Mongolian warband in the Ottoman and Timurid Empires Russia and China

The Materiality of the Past Anne Murphy,2012-11-29 Anne Murphy offers a groundbreaking exploration of material representations of the Sikh

past showing how objects as well as historical sites and texts have played a vital role in the production of the Sikh community as an evolving historical and social formation from the eighteenth century to the present Drawing together work in religious studies postcolonial studies and history Murphy explores how relic objects such as garments and weaponry have like sites played dramatically different roles across political and social contexts signifiers of authority and even sovereignty in one collected revered and displayed with religious significance in another and are connected to a broader engagement with the representation of the past that is central to the formation of the Sikh community By highlighting the connections between relic objects and historical sites and how the status of sites changed in the colonial period she also provides crucial insight into the circumstances that brought about the birth of a new territorial imagination of the Sikh past in the early twentieth century rooted in existing precolonial historical imaginaries centered in place and object The life of the object today and in the past she suggests provides unique insight into the formation of the Sikh community and the crucial role representations play in it

'Criminal' Tribes of Punjab Birinder Pal Singh, 2012-04-27 One of the important projects launched by the British government in the late 19th century was the preparation of a detailed census of the demographic profile of the Indian population across the country Unable to understand the cultural pluralism that characterizes Indian unity in variety the census was riddled with problems of definition and categories This book is a comprehensive ethnographic account of seven tribes in Punjab classified as criminal by the British administration in order to make some sense of their alleged criminality Bauria Bazigar Banjara Bangala Barad Gandhila Nat and Sansi The problem of definition of tribe and the issue of criminality are discussed critically More importantly the book shows that contrary to the claims of the Punjab government these ex criminal tribes still exist and constitute the poorest of the poor in an otherwise prosperous state It also addresses to a significant current development of various Denotified Tribes Associations in Punjab and other states as well that have already started raking their long pending demand of Scheduled Tribe status It is suggested that if their demands are not suitably addressed to they may take recourse to the Gujjar way of resolving conflict as in Rajasthan As tribes the world over are slowly facing extinction this important book will serve to archive the ethnographies of these ex criminal tribes An unusual feature of the book is the voices of a few of the elderly in these tribes whose reminiscences about their traditions beliefs and practices have been documented The book will be valuable for those in the fields of sociology anthropology social history tribal and ethnic studies cultural and folk studies

Global Crisis Geoffrey Parker, 2020-08-11 The acclaimed historian demonstrates a link between climate change and social unrest across the globe during the mid 17th century Revolutions droughts famines invasions wars regicides government collapses the calamities of the mid seventeenth century were unprecedented in both frequency and severity The effects of what historians call the General Crisis extended from England to Japan and from the Russian Empire to sub Saharan Africa and the Americas In this meticulously researched volume historian Geoffrey Parker presents the firsthand testimony of men and women who experienced the many political economic and social

crises that occurred between 1618 to the late 1680s He also incorporates the scientific evidence of climate change during this period into the narrative offering a strikingly new understanding of the General Crisis Changes in weather patterns especially longer winters and cooler and wetter summers disrupted growing seasons and destroyed harvests This in turn brought hunger malnutrition and disease and as material conditions worsened wars rebellions and revolutions rocked the world

Himalayan Histories Chetan Singh,2018-12-27 A rare look at the history of Himalayan peasant society and the relationship between culture and environment in the Himalayas Himalayan Histories by one of India s most reputed historians of the Himalaya is essential for a more complete understanding of Indian history Because Indian historians have mainly studied riverine belts and life in the plains sophisticated mountain histories are relatively rare In this book Chetan Singh identifies essential aspects of the material mental and spiritual world of western Himalayan peasant society Human enterprise and mountainous terrain long existed in a precarious balance occasionally disrupted by natural adversity in this large and difficult region Small peasant communities lived in scattered environmental niches and tenaciously extracted from their harsh surroundings a rudimentary but sustainable livelihood These communities were integral constituents of larger political economies that asserted themselves through institutions of hegemonic control the state being one such institution This laboriously created life world was enlivened by myth folklore legend and religious tradition When colonial rule was established in the region during the nineteenth century it transformed the peasants relationship with their natural surroundings While old political allegiances were weakened resilient customary hierarchies retained their influence through religio cultural practices

A History of Islamic Societies Ira M. Lapidus,2014-10-13 This new edition of one of the most widely used course books on Islamic civilizations around the world has been substantially revised to incorporate the new scholarship and insights of the last twenty five years Ira Lapidus history explores the beginnings and transformations of Islamic civilizations in the Middle East and details Islam s worldwide diffusion The history is divided into four parts Part I is a comprehensive account of pre Islamic late antiquity the beginnings of Islam the early Islamic empires and Islamic religious artistic legal and intellectual cultures Part II deals with the construction in the Middle East of Islamic religious communities and states to the fifteenth century Part III includes the history to the nineteenth century of Islamic North Africa and Spain the Ottoman Safavid and Mughal empires and other Islamic societies in Asia and Africa Part IV accounts for the impact of European commercial and imperial domination on Islamic societies and traces the development of the modern national state system and the simultaneous Islamic revival from the early nineteenth century to the present

Suba of Kabul Under the Mughals: 1585-1739 Farah Abidin,2014-12-03 Kabul was an extremely important part of Mughal India It was situated at the centre of a vibrant inter Asian trading network Kabul derived considerable resources from trade and commerce Kabul from the time of its annexation by Akbar in 1585 remained a part of Mughal India till 1739 when it was seized by Nadir Shah Kabul also had a strategic significance and control of Kabul was viewed by the Mughals as indispensable for the stability of

their empire in India Despite the economic and strategic significance of Kabul in Mughal India it has not received adequate attention by historians compared to the detailed studies we have of some other important provinces in Mughal India This work provides a more or less comprehensive account of the suba of Kabul in the Mughal period 1585 1739 within the Mughal framework as part of the history of Mughal India **Global Sikhs** Opinderjit Kaur Takhar, Doris R. Jakobsh, 2023-03-13 This book brings a broad holistic approach to the study of the phenomena of the global Sikh community referred to collectively as the Panth With contributions by an interdisciplinary range of experts the volume provides insight into current debates and discussions around Sikh identity in the twenty first century It examines the terms Sikh Sikhism and Sikhi and considers how those outside of the margins fit into larger definitions of the wider Panth Both the secular and religious dimensions of being a Sikh are explored and lived experience is a central theme throughout The chapters engage with issues of authority and diversity as well as representation as Sikhs become increasingly settled and active within their diasporic locales The book includes a variety of case studies and makes a valuable contribution to the growing field of Sikh studies

Region And Empire Panjab In The Seventeenth Century Introduction

In the digital age, access to information has become easier than ever before. The ability to download Region And Empire Panjab In The Seventeenth Century has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Region And Empire Panjab In The Seventeenth Century has opened up a world of possibilities. Downloading Region And Empire Panjab In The Seventeenth Century provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Region And Empire Panjab In The Seventeenth Century has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Region And Empire Panjab In The Seventeenth Century. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Region And Empire Panjab In The Seventeenth Century. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Region And Empire Panjab In The Seventeenth Century, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Region And Empire Panjab In The Seventeenth Century has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Region And Empire Panjab In The Seventeenth Century Books

1. Where can I buy Region And Empire Panjab In The Seventeenth Century books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
