Regional Behaviour Political Values And Economic Growth In European Regions:

Regional Behaviour Dimitrios C. Christopoulos, 2018-02-06 This title was first published in 2001 In the framework of the EU a number of policies have been devised for regions in order to facilitate their balanced economic development The author argues that the focus on regional planners and their actions in academic literature has obscured the importance of regional elites in this process The author compares Western Scotland and the west of Crete focusing on the wider regional political and business elites within these regions and attempting a comparison of elite attitudes within regions and between regions

Democratic Consolidation and Europeanization in Romania Sergiu Mişcoiu, 2021-09-07 This volume is a multi dimensional analysis of Romania's political economic cultural and societal transformation after 1989 It synthetically depicts the main stages of the processes of democratic transition and consolidation as well as the subsequent phenomena of Europeanization but also the series of more recent democratic setbacks that affected the Romanian society The overall perspective is integrative providing the reader with a balanced and complete understanding of Romania's post communist challenges without being spared of the most sensitive aspects The volume gathers the contributions of some of the most distinguished experts in different sub fields of transition studies including political systems societal transformations minority rights macro economic dynamics and foreign policy *IBSS: Economics: 2001* Compiled by the British Library of Political and Economic Science, 2002-12 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Borders and Margins Guy Lachapelle, Pablo Oñate, 2018-08-13 The theory and concept of multi level governance MLG is a fairly recent one emerging from the deepening integration of the European Union in the early 1990s and the development of free trade agreements around the world MLG enlarges the traditional approaches namely those of neo institutionalism and multinational federalism by offering a better understanding of the role of the state regions and provinces The book analyses the changes that have taken place as well as those that might take place in the future The Cultural Diversity of European
