Regional Ministers Power And Influence In The Canadian Cabinet

Graham White

Regional Ministers Power And Influence In The Canadian Cabinet:

Regional Ministers Herman Bakvis, 1991 Bakvis challenges recent assumptions by political scientists that the era of strong regional ministers in Canadian government is passed drawing on developments and experiences in cabinet and its supporting agencies over the past decade Annotation copyrighted by Book News Inc Portland OR *Cabinets and First Ministers* Graham White, 2011-11-01 What place do first ministers and their cabinets have in democratic life in Canada Has cabinet become a prime ministerial focus group Do political staff and central agency bureaucrats enhance or diminish democracy Do private members have any say in the cabinet process Graham White renders a clear account of the development structure and operation of cabinet and the role of first ministers at the federal provincial and territorial levels He discusses how the processes that support cabinet are affected by the considerable power of the first minister and looks at the ways in which they permit the involvement of other elected members and the public Taking the view that characterizing our Westminster style government is an oversimplification White examines first ministers and cabinets in terms of accountability and transparency and proposes realistic improvements to this aspect of Canadian democracy **Prendre Le Pouvoir** Donald J. Savoie, Jacques Bourgault, Institut d'administration publique du Canada, Canadian Centre for Management Development, 1993 *The Guardian* Patrice Dutil, 2011-06-18 Finance departments have often been portrayed as guardians of the public purse In *The Guardian* a multidisciplinary group of contributors examines the Ministry of Finance of Ontario since the Second World War During the last sixty years the Ministry was transformed from a relatively small Treasury to a sophisticated policy machine What started as a modest bookkeeping operation evolved into a key bureaucratic and policy agency as the government of Ontario assumed a leadership position in developing the province These essays reveal Ontario's finance as a dynamic policy issue shaped by the personalities of premiers and ministers the energies of public servants at all levels and a critical dialogue between political and administrative worlds Drawing on different methodologies this collection profiles a ministry as policy entrepreneur spender revenue generator capacity builder budget director program manager and intergovernmental agent *The Guardian* fills a significant gap in public administration literature and in so doing describes how Ontario's Ministry of Finance defined its role as guardian **Governing** James Bickerton, B. Guy Peters, 2013-06-01 To honour the distinguished career of Donald Savoie *Governing* brings together an accomplished group of international scholars who have concerned themselves with the challenges of governance accountability public management reform and regional policy *Governing* delves into the two primary fields of interest in Savoie's work regional development and the nature of executive power in public administration The majority of chapters deal with issues of democratic governance particularly the changing relationship over the past thirty years between politicians and public servants A second set of essays addresses the history of regional development examining the politics of regional inequalities and the promises and pitfalls of approaches adopted by governments to resolve the most vexing policy problems Contributors provide readers with a valuable primer on

the key issues that have provoked debate among practitioners and students of government alike while reflecting on government initiatives meant to address inadequacies Showcasing the practical experience and scholarly engagement of its authors this collection is a valuable addition to the fields of public administration public policy political governance and regional policy Contributors include Peter Aucoin Dalhousie University Herman Bakvis University of Victoria James Bickerton St Francis Xavier University Jacques Bourgault cole nationale d administration publique UQAM Thomas Courchene Queen s University Ralph Heintzman University of Ottawa Mark D Jarvis University of Victoria Lowell Murray Senate of Canada retired B Guy Peters University of Pittsburgh Jon Pierre University of Gothenburg Mario Pol se INRS UCS Christopher Pollitt Leuven University Donald J Savoie Universit de Moncton and Paul G Thomas University of Manitoba

Manitoba Politics and Government Paul Thomas, Curtis Brown, 2010-09-01 Manitoba has always been a province in the middle geographically economically and culturally Lacking Quebec s cultural distinctiveness Ontario s traditional economic dominance or Alberta s combustible mix of prairie populism and oil wealth Manitoba appears to blend into the background of the Canadian family portrait But Manitoba has a distinct political culture one that has been overlooked in contemporary political studies Manitoba Politics and Government brings together the work of political scientists historians sociologists economists public servants and journalists to present a comprehensive analysis of the province s political life and its careful mutual fund model approach to economic and social policy that mirrors the steady and cautious nature of its citizens Moving beyond the Legislature the authors address contemporary social issues like poverty environmental stewardship gender equality health care and the province s growing Aboriginal population to reveal the evolution of public policy in the province They also examine the province s role at the intergovernmental and international level Manitoba Politics and Government is a rich and fascinating account of a province that strives for the centre for the delicate middle ground where individualism and collectivism overlap and where a multitude of different cultures and traditions create a highly balanced society

Beyond Quebec Kenneth McRoberts, 1995 What kind of a country is Canada beyond Quebec With a referendum on Quebec sovereignty looming on the horizon this is a question Canadians are being forced to ask In *Beyond Quebec* scholars from a wide variety of disciplines examine the current political cultural economic and social situation of Canada outside Quebec and speculate on the nature of a Canada that does not include Quebec on the present terms

Federalism Jennifer Smith, 2004 In a world where federal states seem to exist precariously politicians and academics from around the globe continue to look to Canada as a model of federalism And yet our own system of organization and governance also appears strained Quebec nationalism First Nations claims the regionalization of party politics and the uneven and shifting delivery of essential services have all altered the face of federal politics Federalism explains how Canada came to be a federation what reasons there were for it and against it historically what the challenges to federalism currently are and how we might fortify some areas of weakness in the federal system Jennifer Smith argues that federalism is part of the democratic problem now however reformed it can be part of the

solution Since theorists disagree on the democratic credentials of federalism it is essential to look at how a real federal system operates Smith examines the origins of Canadian federalism and its special features then analyzes it in relation to the benchmarks of the Canadian Democratic Audit project responsiveness inclusiveness and participation Finding that Canadian federalism falls short on each benchmark she recommends changes ranging from virtual regionalism to a Council of the Federation that includes Aboriginal representatives Democracy is about more than the House of Commons or elections It is also about federalism This sparkling account of Canadian federalism is a must read for students and scholars of Canadian politics politicians and policymakers and those who care about Canadian democracy **1950s Canada** Nelson

Wiseman,2022-11-01 While the 1950s in Canada were years of social conformity it was also a time of political economic and technological change Against a background of growing prosperity federal and provincial politics became increasingly competitive intergovernmental relations became more contentious and Canada's presence in the world expanded The life expectancy of Canadians increased as the social pathologies of poverty crime and racial ethnic and gender discrimination were in retreat 1950s Canada illuminates the fault lines around which Canadian politics and public affairs have revolved Chronicling the themes and events of Canadian politics and public affairs during the 1950s Nelson Wiseman reviews social economic and cultural developments during each year of the decade focusing on developments in federal politics intergovernmental relations provincial affairs and Canada's role in the world The book examines Canada's subordinate relationship first with Britain and then the United States the interplay between Quebec's distinct society and the rest of Canada and the regional tensions between the inner Canada of Ontario and Quebec and the outer Canada of the Atlantic and western provinces Through this record of major events in the politics of the decade 1950s Canada sheds light on the rapid altering of the fabric of Canadian life Canadian Parties in Transition, Third Edition Alain G. Gagnon,Brian

Tanguay,2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of Canadian Parties in Transition by presenting a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book

This is likewise one of the factors by obtaining the soft documents of this **Regional Ministers Power And Influence In The Canadian Cabinet** by online. You might not require more times to spend to go to the book introduction as without difficulty as search for them. In some cases, you likewise complete not discover the revelation Regional Ministers Power And Influence In The Canadian Cabinet that you are looking for. It will utterly squander the time.

However below, bearing in mind you visit this web page, it will be so totally simple to get as well as download guide Regional Ministers Power And Influence In The Canadian Cabinet

It will not say yes many become old as we explain before. You can realize it even though statute something else at house and even in your workplace. in view of that easy! So, are you question?
