Regional Organization And Order In South East Asia:

Regional Organization and Order in South-East Asia Arnfinn Jorgensen-Dahl, 2016-01-06 The Regional Organizations of the Asia Pacific M. Wesley, 2003-08-19 This collection examines change within the major regional organisations of the Asia Pacific The Asian Development Bank ADB the Association of Southeast Asian Nations ASEAN Asia Pacific Economic Cooperation APEC and the ASEAN Regional Forum ARF It has two simultaneous foci the nature of institutional change in regional organisations and the process of regionalism in the Asia Pacific It combines the views of both officials and practitioners providing new insights into both its major questions Regional Security in Southeast Asia Mely Caballero Anthony, 2005 The book examines ASEAN's mechanisms in managing challenges and threats to regional security Its extensive analyses of the ASEAN story of managing regional security cover the different phases of ASEAN's development as a regional organization and explore the perceptible changes that have occurred in regional mechanisms of conflict management The book also examines the roles of relevant actors beyond the states of ASEAN and the key interactions that have evolved over time which have been instrumental in moving regional mechanisms beyond the ASEAN way The book argues that the ASEAN way has not been impervious to change As the association finds its way through periods of crises and continues to confront the many challenges ahead ASEAN and its mechanisms are already being transformed beyond the narrow confines of the modalities associated with the ASEAN way The changes in the political and security landscape of the region as well as the democratic transitions taking place in some member states have set the stage for a much more dynamic set of regional actors and processes that bring into question the kind of regionalism that is now taking place in the region the way regionalism is changing in Southeast Asia **Routledge Handbook of Human Rights in Southeast Asia** Amalinda Savirani, Ken M.P. Setiawan, 2025-06-30 The Routledge Handbook of Human Rights in Southeast Asia analyses some of the region's most pressing human rights issues while also giving attention to those actors and institutions that work towards improvement Chapters by international experts in the field provide readers with a background on some of Southeast Asia's most pressing human rights concerns The book builds on and contributes to existing analyses of human rights in Southeast Asia to further enhance our understanding of what sits behind the region's ambivalent human rights track record Following an introduction the handbook is structured in eight parts The chapters cover a wide range of human rights issues including human rights debates at political and regional levels and how human rights are experienced every day such as the rights to food water and work Advancing Human Rights through ASEAN Refugees Protecting Rights and Strengthening Agency Transitional Justice in Southeast Asia Confronting the Past Balancing Moral Perspectives Ideologies and Human Rights Intersections between Workers Rights Corporations and the State Accessing and Maintaining Rights to Water Food and Health On the Frontline Human Rights Defenders Promoting Human Rights in Southeast Asia New Directions and Strategies The handbook considers the political and social contexts in which human rights emerge the dynamics of their contestation

and violation and how rights are claimed It demonstrates that human rights are a practice and goes beyond considering human rights as formal structures in laws regulations and meeting rooms A timely overview and analysis of the situation of Human Rights in Southeast Asia this handbook will be a valuable reference work for scholars and practitioners in human rights the field of Asian Law Asian Studies in general and Southeast Asian Studies in particular Chapter 2 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution NonCommercial No Derivatives CC BY NC ND 4.0 license
