Reincarnation The Missing Link In Christianity:

Reincarnation Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same Relax... You're Not Going to Die Part 1 Darryl Philip, 2025-10-17 This is a time of our spiritual awakening a time when we are finally gaining a full understanding about just why we all choose to take on an earthly life inhabiting a physical body and enduring the ongoing ups and downs of earthly life It is no longer a question of if God exists Now we know that God exists Our spiritual awakening means that we fully understand and accept that God is present in our lives and that all of life is a spiritual journey The Afterlife Elizabeth Clare Prophet, 2020-09-01 What happens when we die Is there really a heaven and a hell What can we expect on the other side In this profoundly insightful and fascinating work world renowned author Elizabeth Clare Prophet answers these questions and more as she sheds new light on the mysteries of the life beyond Gifted with powerful inner sight enabling her to trace the journey of souls into the afterlife she begins by sharing stories of those who have passed on as she reveals what they experienced and why She explores common misconceptions about the afterlife and even takes us to the movies to show how Hollywood has gotten it both right and wrong As she opens the door into hidden dimensions you will learn what happens during the life review and pre life review what we do and who we meet in the afterlife why suicide isn't a solution the truth about forgiveness and how you can help your loved ones make a safe and peaceful transition Just as importantly you'll explore how your options in the afterlife will depend on the choices you make in this life With clarity and compassion this life changing guide to what comes next will show you how to make the most of life's opportunities as you prepare for the ultimate journey **Gnostic Secrets of the Naassenes** Mark H. Gaffney, 2004-04-19 Reveals the hidden meaning of the Grail and a secret Christian doctrine for achieving higher consciousness Shows that Gnosticism is not a derivative of Christianity but the revelation of the true message of Jesus Describes the ancient relationship between water and spirit Explains the doctrine of immanence taught by Jesus at the Last Supper Features the translated source text from The Refutation of All Heresies by Bishop Hippolytus the only existing record of the Naassene Sermon In the third century C E the Catholic Bishop Hippolytus composed A Refutation of All Heresies in which his chief target was the Gnostic sect the Naassenes whose writings included a recounting of Jesus actual teachings at the Last Supper Contrary to Church attacks the Naassenes were not a heretical derivative of Christianity but the authentic foundation and purveyor of Christ's message In fact much of what passes as Christianity has nothing to do with the original teachings of its founder The message recorded in the Naassene Sermon was intended for an inner circle of disciples who

were prepared for advanced initiation into Jesus wisdom teachings The Grail discussed therein was not an actual chalice but a symbol of the indwelling of the divine The teachings involved the awakening of spirit and included practices aimed at restoring the soul's lost connection with God Immanence in the true sense intended by Jesus thus allows for spiritual attainment in this life by ordinary individuals without the intermediary of Church or priest This was the real meaning of the Last Supper and why the Naassenes believed that Jesus was the fulfillment of all the Mystery traditions

[Caught Between Heaven & Earth](#) Nancy Van Alphen, 2019-03-27 An Incredible True Story of Awakening In Caught Between Heaven Earth Nancy van Alphen takes us on her unexpected spiritual journey that changed her from agnostic to believer A humorous peak into her childhood during which she had but a mere smattering of religion paints the picture of an ordinary girl living an ordinary life As a teen she concluded God was unprovable and never looked back until God decided He wasn't content being a mere possibility Alone one night Nancy happened upon a video of a young man given little time to live

Heartfelt compassion morphed into anger as she raised her fists and railed about suffering to a God in whom she didn't really believe. To her utter amazement God responded. Thus begins her journey in which she traverses a surreal chasm between doubt and belief caught between Heaven and Earth as she struggles to understand messages she was given about suffering, reincarnation, including her own, and humanity's true identity. With a sprinkling of light-hearted family anecdotes, Nancy recalls her progressively more profound experiences within the context of earthly reality. Interactions with God, Jesus, and angels chip away at her agnosticism until one day something so amazing happens it obliterates all traces of doubt. Between scenes, Nancy looks at various religious traditions and present-day near-death experiences, uncovering information supporting what she was told by Divine source, helping her round out her new picture of reality. Her conclusion presents four habits of LOVE by which to live, to foster evolution of one's soul as well as the spiritual evolution of humanity. Praise for Caught Between Heaven and Earth. I am proud of Nancy for her courage in sharing her story with us that we might find light in it. It is valuable that she is open and sharing of her reproachment to God. Nancy went in as an agnostic and exited as a full-on believer. Kudos to Nancy for her persistence in continuing the work, in having courage and resilience, and in doing it in a world too often filled with darkness. What a lesson for the rest of us. Dr. Doris Eliana Cohen, PhD, *Repetition and Dreaming on Both Sides of the Brain*. Nancy van Alphen takes you by the hand and ushers you into her mind and then into her heart where you experience her intimate and breathtaking journey from agnosticism to spirituality. Her authentic report begins with angels at her door. That day marked the beginning of her transformation, which she describes in honest detail. Hers is a journey similar in its mystical nature to that which I and countless others have experienced in this time of rising awareness. The truths that unfold to Nancy in surprising, even astonishing ways, will resonate in the heart of experiencers and non-experiencers alike. Emily Rodavich, *Mystical Interludes and Mystical Interludes II*. *A Fresh Cup of Counseling*, Thomas L. Norris, 2021-11-12. Today's counseling clients want more than traditional therapy. They want something new, bold, and effective, and *A Fresh Cup of Counseling* serves just that. While the power of clinical applications in spiritual counseling has long been discussed by field experts, little has been written about the subject until now. Packed with theoretical and practical knowledge about this power, the book offers a breakthrough guide to spiritual counseling with ideas, training, and real-life case studies for students and professionals alike. Written by Rev. Dr. Tom Norris, a spiritual counselor and Universalist minister with fifty years of experience in social work, psychotherapy, group therapy, marriage and family therapy, and hypnotherapy, this book is a treasure trove of contemporary clinical and scientific knowledge, starting from a purely psychosocial and psychological perspective and diving into the evolution of the spiritual therapeutic discipline. In the process, it pulls from Buddhist, Judeo-Christian, Native American, Islamic, Yin Yang, Neopagan, Shamanic, Hindu, and other religions, using their practices and ideals from past lives and chakra balancing to meditation and Ultraterrestrials to demonstrate the power of spirituality in the holistic healing process. The result: A dynamic psycho-spiritual expedition that helps counselors and their
