Relationships Made By God:

Relationships Made by God Paul M. Stevens, 1999-01-01 *Marriages Made in Heaven* Dan Evangelist Jones III, 2008-11

Marriage made in heaven is more about what you do than what you say many have vowed much but vouched for little Pastor Dan E Jones III Today's thought of marriage is antiquated out dated old school and believed not necessary or convenient Television watching has bombarded our minds with images of cheating broken uncommitted selfish and shackled up relationships Also in this 21st century television programming with its images have fortified itself in the minds of our generation as strongholds nullifying the desire for marriage as well as blinding the appreciation for what God requires in Christian and married relationships Marriage is the transparency of salvation and salvation of marriage you can trace relationship troubles in one it will speak of the identical trouble in the other Fear not faithful through this anointed book God is revealing what he desires to see in married and saved relationships The cover is blown on the enemy's tactics that cause many to despise holy matrimony and to settle for compromising convenient and unholy relationship with God and your spouse Marriages that are made in heaven and like salvation has its identity and internal workings in Christ Christ is the Author and Procurer of them both The copyrights belong to Him therefore his divine intent and requirements are still effective and still in effect When you look at God's redemptive plan for relationships marriage and salvation has identical DNA How do we obtain the type of marriage God has ordained for us Identify the Twins Understanding the Engagement Process Knowing What Love Have to Do With It **The Love of God** Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series [From Adam to Noah-The Numbers Game](#) Leonard Timmons, 2012-01-05 The genealogy of Adam in Genesis Chapter 5 is a number puzzle that encodes a fully functional calendar From Adam to Noah The Numbers Game shows you precisely how the Bible writers encoded a calendar into the ages of Adam and his children in Genesis 5 It then goes on to show how the Bible writers designed their calendar puzzle so that anyone who managed to solve it would be certain they had the correct solution Proof of a highly accurate calendar encoded within the numbers of Genesis 5 is a revolution in our understanding of Genesis It allows us to dramatically revise our understanding of the entire Bible To truly understand why a calendar puzzle exists within the Bible we have to explore the reasons why someone several thousand

years ago would enshrine a calendar in such an ingenious puzzle That exploration leads to new and insightful interpretations of each of the stories in Genesis 1 to 11 The creation Adam and Eve Abel and Cain Noah s ark the story of Noah and his wine and Tower of Babel story Most of us have been taught that the Bible was written to be understood The existence of the calendar puzzle forces us to recognize that those who wrote the Bible hid things there that they did not want everyone to understand They hid a world view that they never state explicitly We will find that this philosophy inspired them to create the calendar puzzle and that the way they viewed the world is more important and more fascinating than the calendar itself In this book you will experience what it is like to discover something very new hidden within something very old You ll discover that this new thing was ancient knowledge when the Bible was written Remember the story of the pearl of great price A merchant upon finding a pearl of great value sold everything he had and bought it The calendar in Genesis is such a pearl If you re looking don t miss this chance to own one The Living Church ,1953 *Love and Law* Ernest Holmes,2004-01-05 Early lectures and private lessons from celebrated spiritual teacher Ernest Holmes illustrating the key concepts behind his influential ideas Ernest Holmes was a beloved teacher and philosopher with a disarmingly simple message Change your thinking and you will change your life There is a creative law in the universe Holmes reasoned and it is available to each of us right now through our thought patterns We can quite literally think our way to happiness and contentment *Love and Law* is a collection of carefully selected lectures and private lessons that have never before been in print It is a splendid testament to the living philosophy of this remarkable guide and thinker **Choosing Love** Dawne Moon,Theresa W. Tobin,2025-05-05 Drawing on participant observation and more than 100 interviews Dawne Moon and Theresa W Tobin show how many LGBTQ Christians and their heterosexual cisgender allies are working to make their families churches and communities more inclusive loving and just *If God Made the Universe, Who Made God?* Holman Bible Publishers,2012-02-01 Perhaps you remember being in a university class feeling frustrated when the respected professor dismissed questions from a student because of her religious faith Or maybe over a business lunch one of your colleagues referred to Christianity as a fairytale and you said nothing Many Christians find themselves in such situations but don t speak up because they don t fully realize the strength of their own position They feel incapable of giving reasons for the hope that is theirs Christian apologetics is the discipline and growing body of knowledge that equips believers to address their own doubts to converse with seekers and critics from a position of strength and to bear witness to Christ with confidence In the spirit of the title question *If God Made the Universe Who Made God* collects 130 essays written in defense of the Christian faith Contributors include some of the pre eminent apologists of our time from Lee Strobel and Charles Colson to Hank Hanegraaff J P Moreland and Ravi Zacharias The content is grouped into ten topics Apologetics Introductory Issues Jesus Christ Science and Faith Cults and World Religions The Existence of God Ethics Theology The Scriptures Heaven and Hell Evangelism Compassionate Love and Ebony Grace Kortright Davis,2012-03-22 Why is the Golden Rule so central in almost every culture and religion What is it

that drives human beings to do good to others Are altruism compassion and forgiveness natural forms of human behavior or do they have to be learned and practiced in the neural context of our primal instincts for survival and self defense These are some of the questions that lie behind the study of Compassionate Love amongst people of color Davis explores the patterns and contours of other love which he defines as a selfless regard for the well being of others He also examines the basis for distinctive modes of compassionate behavior enriched by ebony grace a theological attribution for people of African descent This text focuses especially on the historical cultural and religious heritage that inspires and empowers such attitudes in spite of constant encounters with systemic negation social alienation and unrelenting racism How is it that Black families in the home school and church still support sustain and succeed in the practice of unyielding love in compassion That is the magic and mystery within contemporary Black cultural norms and moral values This text is a powerful attempt to contribute to the debate on Christian altruism *God'S Love Conquers All* Keith Ritter,2016-09-30 In this book you will find some amazing things about love that you never knew existed A love that goes beyond our mental intellect comprehension or capacity and a pure love that is holy unblemished honest and freely given without cost performance wages or sins Gods love is a Supreme Divine Love that is higher than any love in the earths realm a love reserved for the human race that is only given by a Holy God Awesome God an Amazing God a Wonderful God that we can hear speak to and enter into a relationship of knowing through his Holy Spirit and Son Jesus Christ Gods love is a divine power and a force that moves forgives cleanses delivers heals restores protects prospers saves and empowers with strength We only get to experience a portion of Gods love on the earth and the rest of it when we get to heaven based on our inability of what our mind can conceive is how majestic the love of God is This love is an Agape love that surpasses the wisdom of human love brotherly love which is basically centered on emotions feelings attitude and opinions The love of God has unimaginable power that truly conquers all The love of God is the greatest love of all and its in you To God be the glory
