Who Are the Real Chosen People? Reuven Firestone, 2011-01-18 What Does It Mean to Be Chosen Why Did God Have to Choose To be chosen can have a range of meaning from the mundane to the holy but in all cases it means to be singled out and preferred over others In a deep sense that permeates much or most of Western culture having been chosen communicates a sense of something that is extraordinary is transcendent and entitles a reward What is assumed in this sense of the term is that God has done the choosing and the reward is something that is unequalled for what could possibly equal divinely ordained eternal happiness from the Introduction Religious people who define themselves as monotheists have often advanced the idea that their relationship with God is unique and superior to all others Theirs supersedes those who came before and is superior to those who have followed This phenomenon tends to be expressed in terms not only of supersessionism but also chosenness or election Who is most beloved by God What expression of the divine will is the most perfect Which relationship reflects God's

ultimate demands or desire In this fascinating examination of the religious phenomenon of chosenness Reuven Firestone explores the idea of covenant and the expressions of supersessionism as articulated through the scriptures of the three major monotheistic religions Judaism Christianity and Islam He explores how and why the ongoing competition and friction between these religions came about and offers thoughts about how to overcome it *Psalms* M. Basil Pennington, OCSO, 2011-12-07 Let the Psalms help you forge a deeper connection to the Divine Showing how the Psalms give profound and candid expression to both our highest aspirations and our deepest pain the late highly respected Cistercian Abbot M Basil Pennington shares his reflections on some of the most beloved passages from the Bible s most widely read book In this companion volume to *The Song of Songs A Spiritual Commentary* Pennington is once again joined by Jewish artist Phillip Ratner whose evocative works will lead you into more meaningful contemplation of the inner spirit of the Psalms Pennington describes how the monastic tradition of regular reflection on the Psalms a technique St Benedict called the work of God or *Opus Dei* can help you transform your everyday life into a powerful life of prayer Enriched by Jewish and Christian faith the drawings and meditations speak to every person wanting both to connect with their most human longings and to forge a vital connection with the Divine
