Alexander Anievas, Richard Saull

Religion And Politics Minorities And The Regeneration Of The Mainstream:

Religion and Politics Valson Thampu, 1999 Religions in Dialogue Alan Race, Ingrid Shafer, 2017-11-30 This title was first published in 2002 Judaism Christianity and Islam as Abrahamic religions share much theological common ground and the momentum for dialogue between them at theological levels has greatly increased in recent decades This book explores the relationship between religion and the modern democratic state from the perspective of these three monotheistic traditions It investigates how the three religions in dialogue might overcome their historic antagonism as a prelude to working for the development of the global common good As part of the test of religious ideals some of the contributions bring theory down to earth by examining the role of religion in three democratic states with different histories Turkey Indonesia India and also in relation to a culture of human rights Drawing together leading Muslim Christian and Jewish authors from America Europe and Asia the book presents a rare collaboration of faiths and ideas to make a contribution to studies of inter religious dialogue and the changing role of religion in the democratic state **Minority Politics in India** Emanuel Nahar, 2007 *New Geographies of Race and Racism* Caroline Bressey, 2016-04-29 In recent years geographers interested in ethnicity race and racism have extended their focus from examining geographies of segregation and racism to exploring cultural politics social practice and everyday geographies of identity and experience This edited collection illustrates this new work and includes research on youth and new ethnicities the contested politics of race and racism intersections of ethnicity religion and race and the theorisation and interrogation of whiteness Case studies from the UK and Ireland focus on the intersections of race and nation and the specificities of place in discourses of racialisation and identity A key feature of the book is its engagement with a range of methodological approaches to examining the significance of race including ethnography visual methodologies and historical analysis *Religion and Politics* Bernhard Giesen, Daniel Šuber, 2005-06-01 This volume brings together essays by such eminent scholars like Shmuel N Eisenstadt Mary Douglas Thomas Luckmann Reinhart Koselleck and Jan Assmann on the topic of politics and religion The relationship between religious and cultural visions on the one hand and socio political structures on the other becomes elaborated from a wide historical and culturalist perspective These accounts are flanked by contributions of a younger generation of scholars that focus on new aspects of secularisation The book aims at reviving the interdisciplinary discourse on a matter which seems to be crucial to the question of future solidarity between different cultures and religions in a globalising world **Religion and Faith-Based Welfare** Rana Jawad, 2012-09-26 This original book makes a timely and potentially controversial contribution both to the teaching of social policy and the wider debates surrounding it in Britain today It offers a critical and theoretically sensitive overview of the role of religious values actors and institutions in the development of state and non state social welfare provision in Britain combining historical discussion of the relationship between religion and social policy in Britain with a comparative theoretical discussion that covers continental Europe and North America Grounded in new empirical research on religious

welfare organisations from the nine major faiths in the UK the book brings together all of these perspectives to argue for an analytical shift in the definition of wellbeing through a new concept called ways of being This reflects the moral ideational and cultural underpinnings of social welfare Written in a readable style the book will appeal to students and tutors of social policy as well as policy makers seeking to inform themselves about the key issues surrounding faith based welfare in modern Britain

Political Engagement Amongst Ethnic Minority Young People T. O'Toole,R. Gale,2013-09-26 This book engages with debates on ethnic minority and Muslim young people showing beyond apathy and violent political extremism the diverse forms of political engagement in which young people engage

Race and Religion in Mid-nineteenth Century America, 1850-1877 Joseph R. Washington,1988 This study focuses on Protestant philanthropic agencies Calvinist conservatives and social liberals as competing colour conscious clerical classes of charioteers driving chariots of charity behind the Cotton Curtain

The Far-Right in World Politics Alexander Anievas,Richard Saull,2024-11-01 This book addresses the reasons why the contemporary far right has gained political resonance in a variety of states across both the Global North and South The rise of far right forms of politics in recent years throughout a range of geopolitical locales suggests the emergence of a distinct conjuncture in world politics indicating a common set of enabling conditions and characteristics It is this unprecedented context in the history of the post war liberal international order that this edited volume aims to address In doing so it brings together a diverse range of scholars many of whom have developed an internationally recognized expertise in the study of the far right and International Relations IR Reflecting a plurality of methodological and theoretical perspectives the chapters cover a variety of theoretical and conceptual issues including analyses of different geopolitical and national expressions of the contemporary far right Notwithstanding such diversity the primary analytical focus of the book is to situate and explain the far right as a distinct part of the history of modern international relations especially with respect to the development of and crises within the contemporary international order From this perspective the contributions combine to demonstrate the deeply embedded symptoms of far right politics centred on racialized imaginaries across the globe and reproduced within the sinews of an evolving liberal international order even as the far right also represents an antagonism to some elements of said order Providing a much needed global perspective this book will be of great interest to students and scholars of populism far right politics conservatism and international relations The chapters in this book were originally published as a special issue of Globalizations and are accompanied by a new epilogue

The Unfinished Politics of Race Les Back,Michael Keith,Kalbir Shukra,John Solomos,2022-12 A novel history of the politics of race in British society over the past few decades that draws on original research at local and national levels
