

¿Cuántos niños pasan, como Arthur, de la meditación onífrica a la meditación oníptica, e abandonan sus clases para sumergirse en un curso de recuperación? No sirve de nada, son y permanecen siendo "retrasados": si bien el sistema educativo no los coloca actualmente el peso de burro de asafó, no deja de aplicarles, más pécicamente, la etiqueta de "fracaso escolar". Se mantiene oculto el sufrimiento, el de Arthur, el de Floriane, el de Thierry, el de todos y cada uno de los "retrasados", por agresivos que puedan parecer como Richard. Este sufrimiento es político, el mismo niño no puede discernirlo, no puede saber lo que dice su síntoma, porque el "fracaso escolar" es exclusivamente un síntoma que indica su malstar.

¿Cómo se forma ese síntoma? Anny Cordié pasa revista a los diversos factores incriminados en el fracaso escolar: aspecto sociocultural, conflictos familiares, sistemas pedagógicos, deficiencia intelectual, y constata que ninguna de estas causas, por sí misma, es suficiente para explicar el fracaso. Ninguna generalización esclarecerá o resolverá el enigma: Anny Cordié trabaja lentamente a cada sujeto, porque ella es analista, y actúa de manera que el trabajo con el niño se elabore en una estación de transferencia. ¿Quieres decir que puede explicar el mecanismo del mal llamado "fracaso escolar"? En realidad no, pero su experiencia le permite detallar cómo funciona la intuición que lo engendra y también distinguir entre el niño normalizado y el niño psicótico, e inclusive impedir la psicosis de algunos. Esto es lo que los "retrasados" le enseñaron y lo que aprendemos a través de ellos que no existen.
