

Retreat To The Finger Lakes

Clifford Lane

Retreat To The Finger Lakes:

Retreat to the Finger Lakes Leona Jensen, 1992 **Subsurface Geologic Investigations of New York Finger Lakes** Henry T. Mullins, N. Eyles, 1996-01-01 , **The Finger Lakes Region** O. D. von Engeln, 1988 The extraordinary beauty of the Finger Lakes region is well known to its residents and to the many tourists who explore it each year What is not so well known is the region's unique geology Its distinctive features are the results of a singular combination of structural units and forces that operated thousands of years ago when successive advances of the Ice Age continental glaciers thrust their fronts against escarpments extending across their path and into pre glacial valleys How these escarpments affected the flow of ice and how the glacial invasions remodeled the entire region is the subject of O D von Engeln's classic study Following a brief prologue on the region's pre glacial history the author discusses each of the region's characteristic features what caused it its nature its relation to other phenomena of the region and often to other distinctive topographic phenomena throughout the world His book is a valuable and accessible introduction to the region's geologic history and provides insights into geologic methodology how a region gives evidence of its history what possible explanations for a phenomenon exist for geologists and how they choose among them Natives of the Finger Lakes newcomers and tourists alike will finish this book with a greater appreciation of this geologically fascinating area and with renewed curiosity about the formative years of our planet **The complete travel guide for New York** , At YouGuide we are dedicated to bringing you the finest travel guides on the market meticulously crafted for every type of traveler Our guides serve as your ultimate companions helping you make the most of your journeys around the world Our team of dedicated experts works tirelessly to create comprehensive up to date and captivating travel guides Each guide is a treasure trove of essential information insider insights and captivating visuals We go beyond the tourist trail uncovering hidden treasures and sharing local wisdom that transforms your travels into extraordinary adventures Countries change and so do our guides We take pride in delivering the most current information ensuring your journey is a success Whether you're an intrepid solo traveler an adventurous couple or a family eager for new horizons our guides are your trusted companions to every country For more travel guides and information please visit www.youguide.com **Geological Investigation of the Alluvial Valley of the Lower Mississippi River** United States. Mississippi River Commission, 1944 *The Wellness Bucket List* Nana Luckham, 2024-10-08 This inspirational volume on wellness showcases ideas for replenishing the mind body and soul and is the latest addition to the bestselling Bucket List series For anyone seeking calming and therapeutic wellness respites this aspirational guide contains 1 000 travel ideas organized geographically Every aspect of wellness and self care is covered rid yourself of negative energy in a sweat lodge in Mexico unwind with yoga in a tree house cabin by the Caribbean in Tobago harness the healing power of seawater in France practice the art of forest bathing in Japan go on a wellness cruise down the Mekong in Vietnam engage in holistic healing therapies in a former Maharaja's palace in India learn more about gut health and gastronomy in California

experience holistic healing arts in the Hamptons the possibilities are endless Entries are broken down into six color coded categories to help readers personally create the ultimate wellness escape for their needs at any time The six categories are renew and recharge relax and indulge explore and thrive reflect and connect savor and nourish heal and balance This is the definitive guide for anyone interested in travel that enriches life physically emotionally and spiritually West Valley Demonstration Project for Completion and Western New York Nuclear Service Center Closure Or Long-term Management, Appalachian Plateau, City of Buffalo ,2010 Behind the Frame Tracy Gardner,2020-08-11 When art in the park leads to murder in the dark the Shepherd sisters have another crime to solve Savanna Shepherd an art expert turned elementary art teacher is planning the Art in the Park festival for her hometown of Carson But apparently someone isn't happy that Carson got to host the event the beloved statue in the park is destroyed Not long after Savanna finds the dead body of one of the people on the planning committee Savanna and her sisters are convinced that the arrested murder suspect didn't do it despite strong evidence to the contrary With the help of Dr Aidan Gallagher Savanna's new romantic interest they uncover hidden resentments and intrigue Several people in Carson had a motive for the murder Can they find out which one of them is behind the framing of an innocent person This intriguing mystery includes a free Hallmark original recipe for Mini Rhubarb Pies New York Breweries Lew Bryson,Don Cazentre,2014-03-01 Revised and updated this second edition features information for visitors to 89 breweries and brewpubs across the Empire State Each profile includes the brewery's story styles of beer brewed tours food served and special features Author's Pick on the best beer to try at each site Features on the brewing process craft brewing ales vs lagers local ingredients and more **Five-Star Trails: Finger Lakes and Central New York** Timothy Starmer,2014-10-21 The Finger Lakes and Central New York are not known for rugged mountains and their panoramic vistas which are so commonly sought in the Adirondacks to the north They hardly could be the area was scoured clean by glaciers millennia ago But don't let that fool you the region is full of natural wonders of its own Instead of mountains and ridges the region is known for rolling drumlins an abundance of scenic gorges quiet woodlands beautiful waterfalls and picturesque lakes Trails included in Five Star Trails Finger Lakes and Central New York by Tim Starmer feature a broad mixture of these landscapes and were carefully selected to give the most varied but also rewarding experience when picking a trail Each trail has been thoroughly researched recently hiked and includes a detailed description trail profiles and map At a glance ratings in important categories such as Scenery Trail Condition Difficulty Solitude and appropriateness for children let you quickly select a trail that fits your tastes and ability Other useful information such as fees restrictions for dogs on the trail as well as advice on when to visit offers you the best information so you can plan your trip with ease Earth's Landscape Joyce A. Quinn,Susan L. Woodward,2015-02-03 This unusual encyclopedia brings together in depth information on more than 450 natural geographic features from around the world and offers an array of creative tools to promote critical thinking and classroom discussion With Earth undergoing rapid environmental change

students and the general public alike should be knowledgeable about the world's geographic features. This authoritative two-volume reference enables readers to do just that. It describes continents and oceans, individual mountains, islands, caves, and rivers, and ecological entities such as wildlife refuges and national parks. Each entry provides a geographic overview of the feature's significance, location, description, geologic history, biota, protected areas, and environmental issues. But the coverage goes even deeper so that entries also discuss the cultural importance of each natural place, covering everything from indigenous beliefs to traditional folklore to contemporary legends. The encyclopedia stands apart from other works not only in the depth of its coverage but also in its range. It discusses lesser-known as well as prominent geographical features and offers critical thinking aids that will help students see how the natural world relates to their daily lives. Teaching and learning tools include an appendix called *Opposing Viewpoints* that allows students to understand landforms involved in current conflicts and disputes as well as an *Activities Discussion Questions* appendix.

The Wonder of Presence Toni Packer, 2002-04-16 In this compelling collection of talks, interviews, and letters, Toni Packer provides a comprehensive overview of the path of meditative inquiry, a nondenominational approach to spiritual growth that emphasizes the direct experience of the present moment. The immense challenge for each one of us, Packer writes, is can we live our lives at least for moments at a time in the wonder of presence that is the creative source of everything. She shows how we can transform fear, anger, guilt, and attachment to our self-image through simple direct awareness. Having recently lost her husband of fifty years, Packer also speaks with candor and tenderness about the convulsions of a grieving heart and the peace that undivided awareness can bring. Toni Packer began studying Zen in 1967 with Roshi Philip Kapleau, author of *The Three Pillars of Zen* at the Rochester Zen Center and was eventually named his successor. Seeing the potentially destructive effects of relying too much on tradition, however, she did not accept the position. Packer is strongly influenced by the teachings of Krishnamurti and has turned away from the traditional forms and hierarchies that are prevalent in many Buddhist schools. Her approach is appealing to many Westerners who find institutionalized practices such as chanting, bowing, and burning incense to be alien and unnecessary.

Five-Star Trails: Finger Lakes and Central New York Tim Starmer, 2014-08-15 The Finger Lakes and Central New York are not known for rugged mountains and their panoramic vistas, which are so commonly sought in the Adirondacks to the north. They hardly could be; the area was scoured clean by glaciers millennia ago. But don't let that fool you: the region is full of natural wonders of its own. Instead of mountains and ridges, the region is known for rolling drumlins, an abundance of scenic gorges, quiet woodlands, beautiful waterfalls, and picturesque lakes. The trails included in *Five Star Trails: New York's Finger Lakes and Central Region* feature a broad mixture of these landscapes and were carefully selected to give the most varied but also rewarding experience when picking a trail. An assortment of state parks, local parks, state forests, conservancy areas, wildlife preserves, and nature centers riddle the region, and choice selections from each means you can find a trail that suits your preference for how civil or wild you might desire. Trails for all experience levels are included.

and provide opportunities for adventure for novice and expert alike Some of these trails are well known and their inclusion in this new guide is no surprise However far more are lesser known and a little more off the beaten path Though these trails are not hard to find they are hard to find any real details about What should you expect along the trail Is the terrain rough Will there be interesting things along the trip Is the trail appropriate and or safe for children Well that lack of information is no longer an issue Each trail has been thoroughly researched recently hiked and includes a detailed description trail profiles and map At a glance ratings in important categories such as Scenery Trail Condition Difficulty Solitude and appropriateness for children let you quickly select a trail that fits your tastes and ability Other useful information such as fees restrictions for dogs on the trail as well as advice on when to visit offers you the best information so you can plan your trip with ease Sized to fit in a pocket this guide is convenient to keep in the car or toss into a backpack Driving directions direct hikers to the nearest trailhead parking areas and GPS trailhead coordinates get them to the start of the trail Dead-End Detective

Amanda Flower,2020-08-25 Starred Review on Library Journal USA Today bestselling author and Agatha Award winner Amanda Flower brings charm and intrigue to her first cozy mystery for Hallmark Darby Piper is in shock A seasoned female detective she worked with Samantha Porter at the Two Girls Detective Agency Now Samantha is dead and it doesn't look like an accident In fact evidence is pointing toward Darby Darby had expected to inherit Samantha's half of the agency but Samantha had recently changed the will to leave it to Tate Porter her nephew who returns to town Tate is no private eye He's a world traveler and a veteran whose military past is also something of a mystery But as he helps Darby delve into secret histories and real estate development plans he proves to be a talented amateur sleuth Will the agency have a future even if Darby can solve this murder mystery in time This first in series cozy mystery includes a free Hallmark original recipe for Berry Trifle *Special Papers*,1934 **The Recession of the Last Ice Sheet in New England** Ernst Antevs,1922
