Through Russian Snows George Alfred Henty, 1896 Through Russian Snows - A Story of Napoleon's Retreat from Moscow G. A. Henty, 2017-01-01 There are few campaigns that either in point of the immense scale upon which it was undertaken the completeness of its failure or the enormous loss of life entailed appeal to the imagination in so great a degree as that of Napoleon against Russia Fortunately we have in the narratives of Sir Robert Wilson British commissioner with the Russian army and of Count Segur who was upon Napoleon's staff minute descriptions of the events as seen by eye witnesses and besides these the campaign has been treated fully by various military writers I have as usual avoided going into details of horrors and of acts of cruelty and ferocity on both sides surpassing anything in modern warfare and have given a mere outline of the operations with a full account of the stern fight at Smolensk and the terrible struggle at Borodino I would warn those of my readers who may turn to any of the military works for a further history of the campaign that the spelling of Russian places and names varies so greatly in the accounts of different writers that sometimes it is difficult to believe that the same person or town is meant and even in the narratives by Sir Robert Wilson and by Lord Cathcart our ambassador at St Petersburg who was in constant communication with him scarcely a name will be found similarly spelt I mention this as otherwise much confusion might be caused by those who may compare my story with some of these recognized authorities or follow the incidents of the campaign upon maps of Russia **The Campaign of 1812 and the Retreat from Moscow** Hilaire Belloc, 1931 *THROUGH RUSSIAN SNOWS Napoleon's retreat from Moscow* GA Henty, 2013-08-05 The tale of how Julian joined Napoleon's victorious army as it took Moscow then its desperate retreat mile after mile league after league amidst snow hunger and despair Stunning plot and great history too Callender classic reprints **The Retreat from Moscow, 1812**, 197? **Through Russian Snows** G.
