On the High Line Annik LaFarge,2024-05-07 The most comprehensive up to date and acclaimed guide to the High Line by the leading expert on the history of the park now in a fully revised edition Built atop a former freight railroad the park in the sky is regularly cited as one of the premiere examples of adaptive reuse and quickly became one of New York s most popular destinations attracting more than 8 million visitors a year This updated Third Edition of On the High Line published to coincide with the fifteenth anniversary of the park s opening remains the definitive guide to the park that transformed an entire neighborhood and became an inspiration to cities around the globe In short entries organized by roughly two city block sections the guide provides rich details about everything in view on both sides of the park Illustrated with more than 110 black plants and horticulture and important industries and technological innovations that developed in the neighborhoods the park traverses from book publishing and food distribution to the introduction of cold storage and the development of radar the elevator and talking movies Updated to include newly opened sections of the park this edition also features a new conversation pertaining to the more controversial side of the High Line s story and how it became a poster child for the most grievous manifestations of gentrification and

inequity in public spaces Author Annik LaFarge provides a frank discussion on how the park's leadership created a platform for discussing these issues and for advising other projects on how to work more inclusively and from a social justice and equity perspective On the High Line serves as an educated travel companion someone invisibly perched on a visitor's shoulder who can answer every question including what was here before moving back in time through the early 20th century the Industrial Revolution and the colonial and pre-European times when this stretch of what we call Manhattan was home to the Lenape people and much of it was covered by the waters of the Hudson River A companion website with more than 650 photos historic contemporary rooftop and aerial can be viewed at HighLineBook.com

Black Writers, White Publishers John Kevin Young, 2006 Jean Toomer's *Cane* was advertised as a book about Negroes by a Negro despite his request not to promote the book along such racial lines Nella Larsen switched the title of her second novel from *Nig* to *Passing* because an editor felt the original title might be too inflammatory In order to publish his first novel as a Book of the Month Club main selection Richard Wright deleted a scene in *Native Son* depicting Bigger Thomas masturbating Toni Morrison changed the last word of *Beloved* at her editor's request and switched the title of *Paradise* from *War* to allay her publisher's marketing concerns Although many editors place demands on their authors these examples invite special scholarly attention given the power imbalance between white editors and publishers and African American authors

Black Writers White Publishers Marketplace Politics in Twentieth Century African American Literature examines the complex negotiations behind the production of African American literature In chapters on Larsen's *Passing* Ishmael Reed's *Mumbo Jumbo* Gwendolyn Brooks's *Children Coming Home* Morrison's Oprah's Book Club selections and Ralph Ellison's *Juneteenth* John K Young presents the first book length application of editorial theory to African American literature Focusing on the manuscripts drafts book covers colophons and advertisements that trace book production Young expands upon the concept of socialized authorship and demonstrates how the study of publishing history and practice and African American literary criticism enrich each other John K Young is an associate professor of English at Marshall University His work has appeared in journals such as *College English* *African American Review* and *Critique*

Rediscovering Art Deco U.S.A. Barbara Baer Capitman, Michael D. Kinerk, Dennis W. Wilhelm, 1994

Rediscovering Reverence Ralph Heintzman, 2011-10-11 Drawing on familiar experiences as well as aspects of western and eastern spiritual traditions Heintzman argues that religious practice is rooted in two basic ways human beings act in the world It is therefore an element in the structure of the human spirit not a phase in its history Explaining the meaning of religious practice in contemporary language *Rediscovering Reverence* is addressed to anyone who wants to explore the meaning and promise of a religious life A unique and thoughtful meditation on the role of reverence in everyday life *Rediscovering Reverence* presents new perspectives on modern faith religion and both personal and societal well being

Building Academic Leadership Capacity Walter H. Gmelch, Jeffrey L. Buller, 2015-02-02 A clear systematic road map to effective campus leadership development *Building Academic Leadership Capacity* gives institutions the knowledge

they need to invest in the next generation of academic leaders With a clear generalizable systematic approach this book provides insight into the elements of successful academic leadership and the training that makes it effective Readers will explore original research that facilitates systematic continuous program development augmented by the authors own insight drawn from experience establishing such programs Numerous examples of current campus programs illustrate the concepts in action and reflection questions lead readers to assess how they can apply these concepts to their own programs The academic leader is the least studied and most misunderstood management position in America Demands for accountability and the complexities of higher education leadership are increasing and institutions need ways to shape leaders at the department chair dean and executive levels of all functions and responsibilities This book provides a road map to an effective development program whether the goal is to revamp an existing program or build one from the ground up Readers will learn to Develop campus leadership programs in a more systematic manner Examine approaches that have been proven effective at other institutions Consider how these approaches could be applied to your institution Give leaders the skills they need to overcome any challenge The field of higher education offers limited opportunity to develop leaders so institutions must invest in and grow campus leaders themselves All development programs are not created equal so it s important to have the most effective methods in place from day one For the institution seeking a better way to invest in the next generation of campus leaders Building Academic Leadership Capacity is a valuable resource

The Art of Stereography Douglas Heil,2017-03-02 Three dimensional stereoviews were wildly popular in the mid 19th century Yet public infatuation fueled highbrow scorn and even when they fell from favor critics retained their disdain Thus a dazzling body of photographic work has unjustly been buried This book explores how compelling images were made by carefully combining subject matter composition lighting tonality blocking and depth It draws upon the fine arts the mass media humanities history and even geology Throughout overlooked photographers are celebrated such as the one who found extraordinary visual parallels within nature anticipating Cezanne and Seurat or the one who refused to play favorites during a bitter war and found humanity on both sides or the one who took a favorite American glen and found menace all about Stereographers were actually more like film directors or television producers than large format photographers the best ones fused artistry with commercial appeal

Evil and the Problem of Jesus Gary Commins,2025-01-30 Approaching the problem of evil from an alternative angle Evil and the Problem of Jesus offers a Christ centred approach as an antidote to traditional theodicy Gary Commins discussion provides original insights into divine power presence and love allowing readers to reengage with the God whom Jesus reveals and the evil that Jesus challenges In this study Jesus stands as a model for full humanity crafting

new ways to imagine personal relationships with God and with evil Evil and the Problem of Jesus draws on pastoral experiences of tragedy suffering and evil alongside philosophical and biblical insights and Jesus own complex interactions with evil Commins offers thoughtful conceptual frameworks to help the reader live more faithfully compassionately wisely and justly in response to evils around us and within us The Publishers Weekly ,2000 **New York Magazine** ,1986-03-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
