Return Of The Gold Dinar The Study Of Money In Islamic Law:

Return of the Gold Dinar 'Umar Ibrahim Vadillo,1996 **Viability of the Islamic Dinar** ,2002 The conference is probably among the pioneering international conferences to address the current and pertinent issue of monetary stability and justice About 20 papers were presented that reflect the title and theme of the conference Islam and Economic Policy Rodney Wilson,2015-05-15 This textbook looks at the impact of Islamic teaching on public economic policy and asks how Islamic economics differs from mainstream micro and macroeconomics **The Theft of Nations** Ahamed Kameel Mydin Meera,2004 **Socio-Cybernetic Study of God and the World-System** Choudhury, Masudul Alam,2013-10-31 In any field whether scientific business or social ethics plays a critical role in determining what is acceptable in a particular community and what is considered taboo The source of these preconditions is often a complex interweaving of tradition and rational thought Socio Cybernetic Study of God and the World System investigates morality in a socio scientific worldview examining the epistemology of existence in conjunction with Islamic monotheistic law to generate a world system that governs action and reaction in the context of a variety of cognitive and social environments Readers with backgrounds in finance and economics can utilize this book to construct a more thorough theoretical understanding of their societal and professional associations 01-01-2017,اسلام و اقتصاد اسلامی .پ ڈاؤن لوڈ کریں - اسلام و اقتصاد اسلامی **Islam and Ecology** Richard C. Foltz,Frederick Mathewson Denny,Azizan Haji Baharuddin,2003 Articulating a contemporary Islamic environmental ethic is all the more urgent because Western style conservation efforts do not fit all cultural and philosophical traditions This volume outlines the Islamic world view and reviews the ways it can be interpreted reassessed and applied to environmental problems like pollution and water scarcity **The Muslim World Book Review** ,1998 *Shariah Governance in Islamic Banking Institutions* Shafiullah Jan,Muhammad Ismail,2023-07-04 Shariah governance assumes the primary instrument through which Islamic Banking Institutions IBIs ensure the Islamicity of their products services operations and internal environments It is considered to be one the fundamental elements that differentiates IBIs from their traditional counterparts Shariah Governance in Islamic Banking Institutions provides a critical overview of the key aspects pertaining to Shariah governance within Islamic financial institutions and presents a detailed analysis of its conceptual background The authors have identified the unique issues that have emerged due to the integration of Shariah namely the involvement of the Shariah supervisory board SSB in the corporate governance arrangements of Islamic banks These issues relate to disclosure transparency independency consistency confidentiality competency and reputation The book details the doctrines of Shariah pronouncements in Islamic banks the importance of having a central advisory board at a regulatory level in the standardization of Islamic banking practices as well as the competence required for Shariah supervisory board members It provides a critical analysis of the Shariah governance framework in Pakistan and introduces the authors vision of an ideal Shariah governance framework Furthermore the chapters offer guidance in promoting effective policies for improving

Shariah governance This is one of the core challenges facing Islamic banks namely to ensure compliance with faith and provide legitimacy to the business of IBIs and as such the book will appeal to both the research and professional communities

Contemporary Issues in Islam and Science Muzaffar Iqbal, 2017-05-15 The articles selected for this volume explore emergent issues in the contemporary relationship between Islam and science and present studies of eight major voices in the discourse Also included is a section on the operationalization of Islamic science in the modern world and a section on studies in traditional Islamic cosmology

Leading Issues in Islamic Economics and Finance Zubair Hasan, 2020-09-01 The book discusses leading issues in Islamic economics and finance that continue to remain in a fluid non consensual state in the profession It examines the nature and significance of Islamic economics The book deals with the mainstream topics including growth environment distributive justice monetary policy risk treatment methodology and Basel Accords to rehabilitate them for the Islamic discipline within the framework of scarcity self interest and gain maximization Further it explores the role of the state in directing the economy toward achieving Islamic goals of development and welfare

Islamic Finance Hans Visser, 2009-01-01 Islamic Finance is a welcome critical contribution to the growing body of literature on Islamic economics banking and finance As one would expect from an eminent and respected scholar Visser has provided the reader with much food for thought This stimulating book raises some serious questions which need to be addressed and provides valuable source material for researchers and students of Islamic finance

Abul Hassan The Muslim World Bank Review Since its development the study of Islamic finance has been enriched by the insights of Western scholars of banking and finance Here Hans Visser provides a comprehensive analysis of the principles of Islamic finance the main instruments and the operation of Islamic institutions and markets This thoughtful and well written study confirms Professor Visser's place in the group of Western writers able to comprehend and evaluate the essence of Islamic finance while reinforcing Edward Elgar's position as the leading Western publishing house in this field

Mervyn K Lewis University of South Australia and Academy of the Social Sciences in Australia Hans Visser presents a fascinating study of both the foundations of Islamic finance and its recent developments This highly topical book explores the products and practices of Islamic finance specifically targeting the tensions that may arise between the ideology and the practices The author describes the forms Islamic finance has taken analyzes the problems that it faces and confronts the practice of Islamic finance with the principles it is based upon He presents a dispassionate discussion of the problems facing Islamic forms of finance including the question of how to reconcile activities such as liquidity management monetary policy and government finance with Islamic principles Islamic finance is an especially momentous phenomenon and this book will prove an essential read for students with an interest in money and banking and particularly Islamic finance It will also be highly influential for bankers and staff in financial institutions as well as financial journalists politicians and civil servants dealing with the financial industry

Islamic State, Media, and Propaganda Moign Khawaja, Christian Kaunert, 2025-01-09 This is an open access title available under the terms of a CC BY

NC ND 4 0 License It is free to read download and share on Elgaronline com This topical book investigates the breadth of visual broadcasts and performances of the Islamic State IS Moign Khawaja and Christian Kaunert present a rigorous examination of how and why IS visually projected its abilities and strength as a modern state and provide insights to the purposes behind their propaganda **The Rule is for None but Allah** Joana Cook, Shiraz Maher, 2023-06-01 The last four decades have been shaped by the rise of Islamist politics across significant swathes of the globe Whether by gun or by ballot box various Islamist movements from as far and wide as the Malian desert and Indonesia's archipelagos have sought to obtain power and govern territories in a bid to revive an Islamic ancient regime With the regional privations produced by the War on Terror and the political unrest following 2011's Arab uprisings the global march of Islamism has only accelerated in the twenty first century Building on an established literature on rebel governance *The Rule is for None but Allah* examines fifteen cases from around the world to consider the different ways Islamists have approached and implemented governance the challenges they have faced and how they have responded to obstacles It brings new detail and insights on a wide range of themes including legitimacy constitutionality and social welfare activism From the rise and fall of Egypt's Muslim Brotherhood to Islamic State's attempts to create its own currency to the dramatic return of the Taliban in Afghanistan this edited volume from two leading scholars of contemporary terrorism assembles an enviable array of international experts to explore these pressing issues *Journal of Objective Studies*, 1990 *Mutual Life, Limited* Bill Maurer, 2011-06-27 Why are people continually surprised to discover that money is just meaning *Mutual Life Limited* spends time among those who in acknowledging the fictions of finance are making money anew It documents ongoing efforts to remake money and finance by Islamic bankers who seek to avoid interest and local currency proponents who would stand outside of national economies It asks how alternative moneys both escape and reenact dominant forms of money and finance and reflects critically on their broader implications for scholarship Based on fieldwork among participants in a local currency system in Ithaca New York and among Islamic banking practitioners in the United States Indonesia and elsewhere this book exploits the convergence between the reflexivity of monetary alternatives and social inquiry by questioning the equivalence between money and ethnography Can money ever be adequate to the value backing it Can social description ever be adequate to messy and contingent realities Bill Maurer's ethnographic discovery is that ethnography as such the holistic description of a way of life cannot be sustained when faced with a set of practices that anticipates and incorporates it in advance His fluently written book represents an unprecedented critique of social scientific approaches to money through an ethnographic description of specific monetary alternatives while also speaking broadly to the very problem of anthropological knowledge in the twenty first century *Aspects of Islamic Economics and the Economy of Indian Muslims* F.
