Return To Diversity A Political History Of East Central Europe Since World War II:

Return to Diversity Joseph Rothschild, 1989 Since the death of Stalin the supposedly monolithic character of the Socialist states of East Central Europe has been subjected to serious and major challenges from Yugoslavia in the late 1940s from East Germany Poland and Hungary in the 50s from Albania Romania and Czechoslovakia in the 60s from Poland in the 70s and early 80s Written by one of the world's foremost authorities on East Central Europe this informative study examines these challenges and their consequences in all their complexity providing an extensive political history of the area from World War II to the present A sequel to Rothschild's highly acclaimed *East Central Europe Between the Two World Wars* this up to date volume offers a country by country account of the widespread political malaise in East Central Europe Rothschild provides an insightful discussion of the Solidarity movement in Poland a lucid analysis of Titoism in Yugoslavia and a thorough review of Soviet policy toward the area under all leaders since World War II In addition he examines the acute or impending crises in countries such as Poland and Romania and he assesses the problems that Gorbachev faces in managing the increasingly restive Soviet bloc nations Unsurpassed in scope in depth of analysis and in fairness and objectivity *Return to Diversity* is an invaluable resource for anyone interested in this vital bloc of nations [The Routledge History of East Central Europe Since 1700](#) Irina Livezeanu, Arpad von Klimo, 2017-03-16 Covers territory from Russia in the east to Germany and Austria in the west exploring the origins and evolution of modernity in this region Provided by the publisher *East Central Europe* Wojciech Roszkowski, 2015-01-01 What is East Central Europe Can it be defined with any precision The question of definition is a difficult one as is usually the case concerning borderlands whose historical developments show little continuity and an uncertain identity born of the conflict between aspirations and reality It is in East Central Europe that no peace settlement is ever final no frontiers are secure and each generation must begin its work anew Is there any chance that this definition will become out of date *Revolution In Eastcentral Europe* David S Mason, 2019-06-26 The year 1989 marked a turning point in world history a watershed year of unprecedented drama and political significance No matter how one looks at those events as the fall of communism the democratization of Eastern Europe or the end of the cold war it is important to understand how the world travelled the distance of time space and ideology to arrive at the Berlin Wall and tear it down David Mason provides that understanding in a concise synthesis of history politics economics sociology literature philosophy and popular as well as traditional culture He shows how all these elements combined to yield the year that effectively closed the twentieth century and promised to launch the new century on a hopeful note Starting with Poland's elections in June 1989 the countries of then communist Eastern Europe one by one revolutionized their governments and their politics Hungary opened its borders to the West East Germany rushed through Czechoslovakia elected Vaclav Havel president Bulgaria changed both party and leadership and Romania executed Ceausescu Although Gorbachev enabled many of these changes he did not cause them The illumination of the complex symbiosis between dynamics in Eastern Europe and

the Soviet Union is one of the greatest contributions this book makes With undercurrents emphasizing the power of ideas the spirit of youth and the multifaceted force of culture and ethnicity Mason takes the reader far beyond the events of change and into their impetus and outcomes He applies theories of social movements democratization and economic transition with an even hand showing the interaction of their effects not only regionally but worldwide The concluding chapter puts the revolutions in Eastern Europe into international perspective and highlights their impact on East West relations security alliances and economic integration Mason discusses the European Community the United States and the Soviet Union and the Third World in relation to the new East Central European configuration Using delightful and provocative cartoons from Eastern European and Soviet presses interesting photos valuable tables of data and illuminating figures Mason emphasizes important points about the role of nationalism ethnicity public opinion and harsh economic reality in the revolutionary process

The International Politics of East Central Europe Adrian G. V. Hyde-Price, 1996 Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as it did on the subordinate societies the Studies in Imperialism series seeks to develop the new socio cultural approach which has emerged through cross disciplinary work on popular culture media studies art history the study of education and religion sports history and children s literature The cultural emphasis embraces studies of migration and race while the older political and constitutional economic and military concerns are never far away It incorporates comparative work on European and American empire building with the chronological focus primarily though not exclusively on the 19th and 20th centuries when these cultural exchanges were most powerfully at work This work explores the sexual attitudes and activities of those who ran the British Empire The study explains the pervasive importance of sexuality in the Victorian Empire both for individuals and as a general dynamic in the working of the system Among the topics included in the book are prostitution the manners and mores of missionaries and aspects of race in sexual behaviour

Interwar East Central Europe, 1918-1941 Sabrina Ramet, 2020-05-07 This monograph focuses on the challenges that interwar regimes faced and how they coped with them in the aftermath of World War One focusing especially on the failure to establish and stabilize democratic regimes as well as on the fate of ethnic and religious minorities Topics explored include the political systems and how they changed during the two decades under review land reform Church state relations and culture Countries studied include Poland Czechoslovakia Hungary Yugoslavia Romania Bulgaria and Albania Sabrina Ramet has assembled a team of highly respectable country specialists to offer a fresh and historiographically updated reading of interwar developments in East Central Europe The volume is bookended by two excellent comparative and theoretically informed essays carefully weighing the multiplicity of factors contributing to the instability of the interwar regimes As a result this survey succeeds admirably in producing a nuanced narrative and analysis Maria Todorova University of Illinois at Urbana Champaign USA Sabrina Ramet together with a roster of other eminent scholars has produced an exciting new history of interwar East Central Europe The volume has a clear focus on the failure of

democracy 1918 to 1941 and on the bedeviling issues of ethnic minorities and of peasants the latter made up an overwhelming majority of much of the region's population The book will be of great interest to political scientists and historians of East Central Europe and of Europe more generally and it is perfect for classroom use Irina Livezeanu University of Pittsburgh USA *Diversity in the East-Central European Borderlands* Eleonora Fedor, Julie Narvselius, 2021-11-16 Built on up to date field material this edited volume suggests an anthropological approach to the palimpsest like milieus of Wrocław Lviv Chernivtsi and Chişinău In these East Central European borderline cities the legacies of Nazism Marxism Leninism and violent ethno nationalism have been revisited in recent decades in search of profound moral reckoning and in response to the challenges posed by the post transitional period Present shapes and contents of these urban settings derive from combinations of fragmented material environments cultural continuities and political ruptures present day heritage industries and collective memories about the contentious past expressive architectural forms and less conspicuous meaning making activities of human actors In other words they evolve from perpetual tensions between choices of the past and the burden of the past A novel feature of this book is its multi level approach to the analysis of engagements with the lost diversity in historical urban milieus full of post war voids and ruptures In particular the collected studies test the possibility of combining the theoretical propositions of Memory Studies with broader conceptualizations of borderlands cosmopolitan sociality urban mythologies and hybridity The volume's contributors are Eleonora Narvselius Bo Larsson Natalia Otrishchenko Anastasia Felcher Juliet D Golden Hana Cervinkova Paweł Czajkowski Alexandr Voronovici Barbara Pabjan Nadiia Bureiko Teodor Lucian Moga and Gaelle Fisher **Revolution And Transition In East-central Europe** David Mason, 2018-10-08 Eastern and Western Europe continue to change in their relationship to one another and in their ongoing dynamic with the post Soviet states Economic development electoral upheaval and the Bosnian crisis all color the transition from communism to democracy and from a Cold War outlook to a new global order still taking shape In this fully revised and updated edition of his popular and critically acclaimed text David Mason brings the revolutionary events of 1989 into context with the transitional yet turbulent 1990s We see new parties new politics new constitutions and new opportunities in light of economic shock therapies left turns in recent elections and dissolving sovereignties and alliances Despite savage ethnic conflict economic scarcity and political insecurity Mason shows us that East Central Europe is consolidating and reemerging as a region to be reckoned with on the global stage *Nordic, Central and Southeastern Europe 2012* Wayne C. Thompson, 2012-08-09 This is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is broken down into individual chapters on each country dealing with its geography people history political system constitution parliament decentralization and states if a federation parties political leaders and elections There are also sections on foreign and defense policy economy culture future and a lengthy bibliography

Studies in Economic and Social History Michael Oliver, 2017-11-01 This title was first published in 2002 There are few

students of European economic history who will not have come across the writings of Derek H Aldcroft His contributions to the field of economic and social history are vast and distinguish him as one of the most prolific economic historians of the 20th century This volume honours Derek s contribution to the literature of economic and social history and its contents reflect his wide ranging interests particularly on issues relating to transport history and the growth and structural change in economies From transport in the Industrial Revolution to late 20th century international financial architecture the essays in this book contributed by leading economic historians are a tribute to a remarkable scholar

Experimenting With Democracy Tom Gallagher, Geoffrey Pridham, 2012-10-12 The chronic instability in the Balkan States of South East Europe has prevented the end of the Cold War becoming an era of genuine peace in Europe Against a background of competing nationalisms economic decline the resilience of authoritarianism it is easy to forget that there have been experiments with democracy have taken place since 1990 with relative success Now for the first time the region is genuinely engaging with open politics its outcome will determine whether the Balkans can cease being a byword for instability and an area whose shock waves have disturbed the peace of Europe on many occasions Democratisation in the Balkans explores the obstacles impeding the consolidation of democracy and even preventing a state like Serbia from going very far down the democratic road Social scientists with expert knowledge of each of the Balkan states and their political and economic systems examine why progress in building free institutions has been slow compared to that of Central Europe the Iberian peninsula and Latin America

Democratization from Within Florian Cullhaj, 2016-10-31 The nonviolent revolution of Albania reinforced the belief in the West that democracy is an exportable good if Western democracies implement a right combination of pressure and aid in collaboration with internal political actors Western pressure coupled with technical and economic assistance was domestically understood as a *conditio sine qua non* for the successful implementation of the first phase of democratic reforms However efforts to establish a democracy in Albania raised the following question Will the framing of the appropriate constitution and economic system building democratic institutions and developing positive attitudes towards them take place among Albanians through ongoing familiarization Accordingly the failure of the 1994 referendum on the new constitution the overnight changes of the 1998 constitution in 2008 and the permanent stagnant economy strengthened the belief among Albanians that a democratic constitution and a functioning market economy cannot flourish if they are not rooted in an environment pervaded by a democratic culture Furthermore if democracy has to persist and become consolidated it is not enough just to skillfully engineer institutions without taking into account the effect of political culture Ultimately this book attempts to show that the efforts made by the Western countries to export democracy to Albania and to promote consolidation through political tools generalized from other alien realities without taking into consideration Albania s internal political culture values have turned out to be in the long run a political abortion On the other hand this book should be construed neither as a critique of democracy nor as a defense of it it is also not a balance sheet of the success or failure of

democracy and democratization processes in Albania but rather it aims at presenting an alternative approach to democratic consolidation through Albania's authentic cultural heritage

A History of Eastern Europe Robert Bideleux, Ian Jeffries, 2006-04-10 *A History of Eastern Europe* Crisis and Change is a wide ranging single volume history of the lands between the lands which have lain between Germany Italy and the Tsarist and Soviet empires Bideleux and Jeffries examine the problems that have bedevilled this troubled region during its imperial past the interwar period under fascism under communism and since 1989 While mainly focusing on the modern era and on the effects of ethnic nationalism fascism and communism the book also offers original striking and revisionist coverage of ancient and medieval times the Hussite Revolution the Renaissance the Reformation and the Counter Reformation the legacies of Byzantium the Ottoman Empire and the Hapsburg Empire the rise and decline of the Polish Lithuanian Commonwealth the impact of the region's powerful Russian and Germanic neighbours rival concepts of Central and Eastern Europe the 1920s land reforms and the 1930s Depression Providing a thematic historical survey and analysis of the formative processes of change which have played the paramount roles in shaping the development of the region *A History of Eastern Europe* itself will play a paramount role in the studies of European historians

Communism and its Collapse Stephen White, 2002-01-04 Ranging from the Russian revolution of 1917 to the collapse of Eastern Europe in the 1980s this study examines Communist rule By focusing primarily on the USSR and Eastern Europe Stephen White covers the major topics and issues affecting these countries including communism as a doctrine the evolution of Communist rule the challenges to Soviet authority in Hungary and Yugoslavia the emerging economic fragility of the 1960s the complex process of collapse in the 1980s Any student or scholar of European history will find this an essential addition to their reading list

Long Awaited West Stefano Bottoni, 2017-10-19 What is Eastern Europe and why is it so culturally and politically separate from the rest of Europe In *Long Awaited West* Stefano Bottoni considers what binds these countries together in an increasingly globalized world Focusing on economic and social policies Bottoni explores how Eastern Europe developed and more importantly why it remains so distant from the rest of the continent He argues that this distance arises in part from psychological divides which have only deepened since the global economic crisis of 2008 and provides new insight into Eastern Europe's significance as it finds itself located both politically and geographically between a distracted European Union and Russia's increased aggressions

European Politics

Jan-Erik Lane, Svante Ersson, 1996-08-19 This comprehensive textbook is the first to go beyond a West European perspective and provide a clear overview of the whole of European politics Jan Erik Lane and Svante Ersson address the similarities of key political features among states in Western Central Eastern Northern and Southern Europe and look forward to political developments at the turn of the century Traditionally books have polarized Europe by focusing on points of divergence *European Politics* provides a thoroughgoing analysis of several converging themes including political culture the nature of the state party systems and the formation of government and public policies With this approach to economic social and

political aspects of politics in Europe this major text presents a Europe that within the context of reform transition and integration has more in common in the early 1990s than ever before With a clear thematic structure and helpful discussions of data drawn from some 30 countries European Politics offers both an accessible and genuinely comparative text which will be essential reading for student and researcher alike

Europe Since 1989 William Outhwaite, 2015-10-05 Europe Since 1989 charts the development of Europe east and west since the 1989 revolutions It analyses the emergent European society the development of a European public sphere and civil society Most books on Europe are heavily biased to the West and Europe Since 1989 takes the opposite approach It argues that the transformation of the postcommunist world has implications for the whole of Europe and explores the interplay between long term fundamental tendencies and chance events and the possible futures which confront contemporary Europe With close attention to political economic and other social transformations and an appendix which gives special attention to European macro regions Nordic Baltic Europe Mediterranean Europe it offers a sociology of Europe with a strong interdisciplinary emphasis

The A to Z of Bosnia and Herzegovina Ante Cuvalo, 2010-04-08 Diversity has always been at the heart of Bosnia and Herzegovina s character even its dual name and physical geography display a particular heterogeneity The medieval Bosnian state never enjoyed lasting political and ideological unity as its feudal regional and religious rifts pulled at the country s seams Furthermore because of its location and by a quirk of history three major world religious and cultural traditions Catholicism Islam and Orthodoxy became cohabitants in this small Balkan country Recently the rebirth of its statehood has been exceptionally bloody and its diversity has been shaken Even 11 years after the guns were silenced the country is still under the benevolent protection of the international community whose officials are keeping the state building process in perpetual suspense with no final result in sight The A to Z of Bosnia and Herzegovina sheds light on the uncertain situation Bosnia and Herzegovina faces while providing essential background information This is accomplished through a chronology an introduction a bibliography and more than 300 cross referenced dictionary entries on individual topics spanning Bosnia and Herzegovina s political economic religious and social system along with short biographies on important

Gegründet im Jahr 2000 widmet sich das Jahrbuch der Europäischen Geschichte von der Frühen Neuzeit bis zur jüngeren Zeitgeschichte. Die große zeitliche Breite, thematische Vielfalt und methodische Offenheit zeichnen das Jahrbuch von Beginn an aus und machen es zu einem zentralen Ort wissenschaftlicher Debatten. Das bleibt künftig so. Mit dem Jahrgang 2014 verändert sich das Jahrbuch aber in mehrfacher Hinsicht. Das Jahrbuch erscheint mit der Ausgabe 2014 im Open Access. Jeder Band setzt einen thematischen Schwerpunkt. Das Forum bietet Platz für geschichtswissenschaftliche Reflexionen und Debatten. Jeder Beitrag des Jahrbuchs durchläuft ein strenges Peer Review Verfahren. Das Jahrbuch erweitert seinen Namen zum Jahrbuch für Europäische Geschichte, *European History Yearbook*, und druckt künftig deutsch und englischsprachige Beiträge seit 2015 ausschließlich englischsprachige
