1) In 539 B.C. King Cyrus decreed that all Jews exiled to Babylon could return to their homeland. A contingent of Jews returned under Zerubbabel's leadership.

2) Around 458 B.C. the scribe Ezra led a smaller group of Jews back to Judea, taking the shorter, more dangerous desert route that passed through Tadmor.

3) Around 445 B.C. while Nehemiah was in Susa, King Artaxerxes I granted him permission to travel to Jerusalem to rebuild the city.

## **Return To Jerusalem:**

*Return to Jerusalem* David Schlossberg, 2010-08-11 *Return To Jerusalem* recounts the events following the defeat of Israel by Babylon in 586 BCE. The story follows the fortunes of two families through their exile to Babylon, the defeat of Babylon by Persia, and the subsequent return of the Jews to Israel. The Jews rebuilt the city wall and re-established the Temple in Jerusalem, and Israel flourished for the next 500 years. Many figures in the book are historical, for example King Nebuchadnezzar of Babylon, modern day Iraq, and Cyrus and Artaxerxes of Persia, modern day Iran. Others are biblical personalities such as Daniel, Ezra, and Nehemiah. The clash of Babylonian, Persian, and Jewish cultures, attacks on Israel from warring neighbors, and efforts by Jewish leaders to defend and protect their culture are issues which resonate today as they did 2500 years ago.

*The Return from Babylon to Jerusalem C 536-450 BC* Betty Banaszak, 2016-06-11 *The Return* is a sequel to its predecessor *The Divided Kingdom*, which covers Israel's history from the time of Solomon to the Babylonian Captivity and includes all the written prophets of that period. *The Return* picks up where *Cyrus the Great* and *Darius the Mede* conquer Babylon and bring in the new empire under the joint government of the Medes and the Persians. God continues to move mightily in high places, this time effecting the unprecedented liberation of all subjects to return peaceably to their homelands. The timetable is perfect: precisely seventy years later, according to Jeremiah's prophecy in Jer 29:10, "For thus saith the Lord: That after seventy years be accomplished at Babylon, I will visit you and perform my good word toward you in causing you to return to this place." This *Return* is called the Restoration Period, where God releases the Jews to return and restore all that has been destroyed because of their iniquities. Against the backdrop of some of history's greatest rulers, the Jews are graced with overwhelming subsidies to support the rebuilding of their cherished city, Jerusalem, and its fallen Temple. *Cyrus the Great*, *Darius the Great*, *Xerxes the Great*, and his son *Artaxerxes Longimanus the Great* all play key roles in the history of God's chosen people. *The Return* covers the writings of *Ezra*, *Nehemiah*, *Daniel*, the prophetic words of *Haggai*, *Zechariah*, and *Malachi*, and the chilling account of *Queen Esther*, who risks her life to staunch an empire-wide attempt to annihilate her people. The events of this Old Testament period foreshadow the Christian dispensation, where the church is progressively released from her spiritual Babylonian captivity through the ministries of *Luther*, the *Wesley brothers*, the charismatic revivals of the 20th century, with the restoration of spiritual gifts and ministries, and the current emphasis on *Christ's second coming*. The Restoration leaders and prophets focus on the celebration of Israel's third great feast, the Feast of Tabernacles. The moving of God's spirit today is centered on the fulfillment of this crowning moment, where the sons of God, who have matured in Christ, will appear as the governors of the Millennial Reign of Christ and bring in an age of peace and harmony in the earth. All this and more are covered in this scholarly yet easy-to-read volume of Biblical truth. The 2-volume 8 1/2 x 11 edition is in larger print, and the illustrations are clearer. The single volume 6 x 9 Compact Edition is in smaller print and more portable. Both volumes 738 pages.

John F. MacArthur,2016-06-14 The people of Israel were carried away to Babylon where they lived as exiles and outcasts God sent this judgment on His people because of their continued unfaithfulness to His word but the day came when He called them to return to Jerusalem However when they arrived there they discovered things had dramatically changed for the worse The Temple was destroyed the city walls were torn down and the land had been taken over by people who did not want them back There was work to be done and it was not going to be easy In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with Ezra s early return to Jerusalem continuing through the teachings of Israel s prophets during the time and concluding with Nehemiah and the people s rebuilding efforts in the city Studies include close up examinations of Ezra Nehemiah Haggai Zechariah and others as well as careful considerations of doctrinal themes such as Unequally Yoked and Worshiping God ABOUT THE SERIES The MacArthur Bible Study series is designed to

help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts     The Breaking of the Image David Martin,2006     **The Search for Order** W.J. and keep Jerusalem's Palestinians subjugated through co-optation into the Israeli system. Analysis is centered on the changes wrought during the mayoralty of Nir Barkat 2008-2018 who came into politics from the business world and introduced management concepts to the workings of municipal government. While Barkat succeeded in creating the illusion of a new era in eastern Jerusalem, the result is heartbreaking displacement and vulnerability toward East Jerusalem's residents and the application of urban planning that impacts negatively on residents' legal status. The City of Jerusalem: The Israeli Occupation and Municipal Subjugation of Palestinian Jerusalemites is a profound sociological and economic analysis of a city under a normalised occupation which has destroyed the very essence of what Jerusalem stands for: a reflection of diverse religious belief within a multicultural setting where citizens' rights are upheld and not discriminated against for political purpose.

*The Orthodox Church in the Arab World, 700-1700* Samuel Noble, Alexander Treiger, 2014-03-15. All of the texts chosen for this volume are interesting in their own right, but the collection of these sources into a single volume with helpful introductions and bibliographies makes this book an invaluable resource for the study of Arabic Christianity and indeed the history of Christianity more broadly. Hugoye Journal of Syriac Studies. Arabic was among the first languages in which the Gospel was preached. The Book of Acts mentions Arabs as being present at the first Pentecost in Jerusalem where they heard the Christian message in their native tongue. Christian literature in Arabic is at least 1,300 years old; the oldest surviving texts dating from the 8th century. Pre-modern Arab Christian literature embraces such diverse genres as Arabic translations of the Bible and the Church Fathers, biblical commentaries, lives of the saints, theological and polemical treatises, devotional poetry, philosophy, medicine, and history. Yet in the Western historiography of Christianity, the Arab Christian Middle East is treated only peripherally, if at all. The first of its kind, this anthology makes accessible in English representative selections from major Arab Christian works written between the eighth and eighteenth centuries. The translations are idiomatic while preserving the character of the original. The popular assumption is that in the wake of the Islamic conquests, Christianity abandoned the Middle East to flourish elsewhere, leaving its original heartland devoid of an indigenous Christian presence. Until now, several of these important texts have remained unpublished or unavailable in English. Translated by leading scholars, these texts represent the major genres of Orthodox literature in Arabic. Noble and Treiger provide an introduction that helps form a comprehensive history of Christians within the Muslim world. The collection marks an important contribution to the history of medieval Christianity and the history of the medieval Near East.
