have to go Come kiss me bye Bye baby I love you These are the last words my husband said to me when he transitioned It had been a long and tortuous path to enlightenment He got to see into heaven three weeks before he transitioned He could not believe the love We both learned life lessons and grew spiritually It had been a long journey for Richard and me but we both learned lessons of strength love forgiveness and most importantly the enlightenment needed to release the fear of death This is a journal of our love and living with Richards Alzheimers and Parkinsons prostate cancer and congestive heart failure I have fibromyalgia and chronic fatigue syndrome and I am relating the coping mechanisms I used to deal with Richards transition and the transition of my mom nine months before Richard The journey taken by those who are caregivers is a lonely one at times Coming to an acceptance is as hard for the caregiver and family and friends as it is for the one you love accepting the fact that no matter how positive your thoughts the healing for your loved one may be a healing of his or her soul and not of the body Then you and your loved one can walk his or her path together Your support can make your loved ones transition peaceful and loving As you help loved ones to lose their fear of dying you will learn of the beauty and love awaiting them in heaven This will aid in your healing when your loved ones transition to heaven There will be sadness and tears will flow because they are gone and not physically with you anymore You can find strength and peace in knowing that the care you gave allowed your loved ones to die with dignity surrounded by love and support and without fear **A Return**

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
