Walsh,2016-02-16 In the tradition of Barbara Ehrenreich s classic Nickel and Dimed a talented young journalist goes undercover as a casino labor union organizer in this rare inside look at the ongoing struggle of hourly wage service workers to survive in America Salting is a simple concept get hired at a non union company do the job you were hired to do and with the help of organizers on the outside unionize your coworkers from the inside James Walsh spent two years as a salt in two casinos in South Florida working as a buffet server and a bartender Neither his employers nor the union knew of Walsh s intentions to write about his experience Now he reveals hard won and little known truths about how unions fight to organize service workers the vigorous corporate opposition against them and how workers get caught in the middle As a salt Walsh witnessed the cultish nature of labor organization and was constantly grilled by his union organizer as to whether he had enough grit and determination to win converts to the cause while remaining undercover At work Walsh witnessed the oddities of casino life and management s stunning mistreatment of service industry employees most of whom were hanging on to economic survival by their fingernails His meticulous reporting reveals supervisors berating workers for the smallest infractions even as employees submit to relentless scrutiny ever changing work schedules and the callous behavior of casino customers A clear eyed and balanced account *Playing Against the House* explores the trials of day to day life for the working poor and the face of twenty first century union organizing and union busting in unprecedented detail      *The Story of the Return of God and the Arrival of Goddess* Stoughton K K White,2016-05-06 The time has come for humanity to triumph over sin This triumph will come by one of two means Either there will be a literal destruction of human life and a new life wave begun on this generation of human beings will turn away from its present morality and put war and other tyrannies aside Internationalism will replace nationalism production will be geared to need and extortion in the name of God will be ended A perpetual end to war among human beings can begin among you at this time All that is required is that you insist that your governments sign a treaty of no war with each other Let this treaty at first be for a specified number of years twenty five or fifty years Then during these years of no war let all technology of the Earth be directed toward creating a decent standard of living for all people Remember peace is dead and will remain so so long as you think in terms that set nation against nation I know that this truth is most painful for many of you that peace is dead and so too will life on Earth be unless internationalism replaces nationalism and other self isms The matter is entirely in your hands There is one humanity on in Earth The resources of the Earth are for all to share      *Katelyn's Choice* Ilene J.
