Illuminating and informative this comprehensive volume will help you prepare yourself and your loved ones for life in these turbulent but blessed last days *This Side of the Whirlwind* Steven R. Harrel, 2016-04-15 Christians are being deceived Until now the Body of Christ has enjoyed less than the whole truth regarding The End Times in fact less than half Is it any wonder the current End Times doctrines are so muddled and missing volumes of prophetic information Discover why the prophets Daniel and John concealed important End Times facts Learn the significance of the Great Consummation message the second half to the Covenant of Jesus Christ Confront the final chapters which unveil the grand conclusion to Gods extraordinary plans for the greatest story ever told This Side of the Whirlwind provides evidence our world is heading for more than a single apocalypse Information within its pages will certify the Great Tribulation is neither Gods Wrath nor His plan for Christs return Uncover previously hidden biblical facts which confirm the first apocalypse will forcefully separate True Christians the Sheep from the Goats Recent revelation will also prove the Rapture cannot take place before the tribulation period has been fulfilled thus negating any possibility a Pre tribulation Rapture event could exist All this and more will be firmly established and confirmed in This Side of the Whirlwind **Revelation Unsealed** Donald A. Salerno Jr, 2004 Finally a book which simplistically insightfully and systematically presents an integrated concrete overview of the 22 chapters or 404 verses of the book of Revelation Revelation Unsealed is unique in a number of major areas It is the first book to approach the text of Revelation from what is termed the Pre Wrath Rapture perspective This is the hotly debated view that the church will enter the Seventieth Week undergo the great tribulation of the Antichrist and be gathered off the earth before the wrath of God unfolds This view is presented in a logical scenario which is then placed within the overall context of the Apocalypse Also contained is an entirely fresh biblical perspective of the emergence of the Antichrist Additionally this book also fully covers the relevance of world events the amazing track record of biblical prophecy the fulfillment of the seven religious feast of Israel the battle of Armageddon and the Millennial Kingdom of Jesus Christ All of these issues are addressed in a concise and simple manner with numerous charts and illustrations to aid the reader in easily conceptualizing and visualizing what is outlined Its contents will challenge both the newest Christian and the seasoned biblical scholar
