God in 3D Colin Green, 2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can t be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier

to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God Return to the Corner of the Dead Henry May,2003-09-23 This is a story of love and action drawn on a backdrop of revolutionary violence The novel is set in Peru in 1993 when the country is recovering from a long brutal still simmering civil war The protagonist Jim Hiram has returned to Peru at the request of an old friend a collector of pre Columbian antiquities who has a job for him locating a special artifact Jim had worked as a financial planner in Lima until 1985 when he left after the Sendero Luminoso guerrilla movement brought the war to the capital from its sierra stronghold of Ayacucho the Corner of The Dead He expects his return to be a short term venture but he is drawn into a spiraling series of complications and intrigues He is also drawn into love Against the dark wine red canvas the somber shade of dried blood is set the bright fuchsia of renewing love Through the maze of a society reeling on the edge of disintegration Jim makes his way by his wit and his words As another character observes he is a smooth liar but there are no lies when it comes to love and its regenerative power for him **Metamorphosis** Sarah Travis,2019-07-30 Post Christendom Christian leaders and preachers in North America struggle to respond to anxiety and despair about the future of the church Declining participation fewer resources decreased influence and confusion about pastoral and ecclesial identity lead to fear for the survival of the institutional church Preaching must speak to the despair and confusion faced by congregations today as well as cast a hopeful vision for an uncertain future This book argues that preachers can change the narrative of the church post Christendom by urging an exit from Christendom ecclesiology and promoting the construction of an identity that embraces vulnerability and incarnation instead of power and permanence Counterintuitively failure decrease and marginalization constitute good news for the church Through wide ranging conversation partners including postcolonial theory and theology social science systematic theology and homiletic literature this book engages preachers and scholars who seek to reimagine both gospel and ecclesial identity in order to bring new life to communities in despair Preachers participate in a process of metamorphosis in which the church s self understanding is transformed into a vulnerable incarnate community that leaves behind the character of Christendom Back Roads to Israel Maxwell Thurston,2019-02-07 The origin and emphasis of the Judeo Christian faith began with the call of Abram Concerning salvation have you ever asked why there s a need or a purpose for a call in the first place And besides who was God actually talking to in the land of Ur Back Roads to Israel is a study of Jesus s spiritual ancestry and background Author Maxwell Thurston helps explain how Abraham a man of flesh and bones has a direct ancestral lineage to Jesus because if Jesus is the Son of God then there must be spiritual DNA that connects him with the Lord our God who is in heaven Knowing the spiritual avenues taken by Abraham will take us to the beginning of creation

when the living word was with God If you are able to travel the unbeaten path the back roads of Abraham then it will help clear up confusion about Jesus especially the part where we read From thy father s house **Chasing Down a Rumor** Robert Bacher,Kenneth Inskeep,2005-03-15 Are the denominations really dying Two experienced church watchers who have lived the question on a daily basis provide statistics insights and hope that the rumor is premature *The Return to Glory Days* Morton Dean,Benjamin Gelfand,1997-11 From Simon Schuster The Return to Glory Days is the complete easy to read guide to the treatment and prevention of sports injuries for everyone over thirty An essential resource for active people aged 30 and older The Return to Glory Days discusses diagnosing pain probable causes treatment and rehab as well as stretching and preventive conditioning [Return to Willow Lake](#) Susan Wiggs,2013-02-26 1 New York Times bestselling author Susan Wiggs brings readers home to Avalon a town nestled on the shores of Willow Lake in a heartbreaking and uplifting novel that explores the bonds of family and the perils and rewards of love Sonnet Romano has the ideal career the ideal boyfriend and has just been offered a prestigious fellowship But when she learns her mother is unexpectedly expecting in a high risk pregnancy she puts everything on hold and heads home to Avalon Once her mom is out of danger Sonnet intends to pick up her life where she left off But when her mother receives a devastating diagnosis Sonnet must decide what really matters in life even if that means staying in Avalon and taking a job that forces her to work alongside her biggest and maybe her sweetest mistake award winning filmmaker Zach Alger And in a summer of laughter and tears of old dreams and new possibilities Sonnet may find the home of her heart Don t miss a novel of sisters friendship and the lush surroundings of Sonoma County Susan Wiggs The Apple Orchard New York Times bestselling author Elin Hilderbrand calls it sweet crisp and juicy **The Return of Mary Magdalene** Linda Lee Christenberry,2006-06 THE RETURN OF MARY MAGDALENE is a romance set in 1985 during the lead up to the first worldwide television broadcast of a rock concert to raise money to feed starving Africans Mary is a refugee relief philanthropist who is contacted by retired rock star Lionel Lionhart who convinces her to set up and handle delivery of the food David the drummer in Lionel s band Taller comes out of seclusion to participate Mary goes from a depressed world weary girl who has seen too much death to a light filled woman because Love lifts her up into a new understanding of the true place of womankind and how the world was originally created to work *Return of the Medes* Hamma F.
