life and lore and their current status in New Zealand's environment and culture New Zealand's largest trees the kauri Tane Mahuta and the totara Pouakani are both thought to be around 1000 years old They were here before we humans were and their relatives will probably be here when we are gone This book tells a great tree's story and that is New Zealand's story too

Parliamentary Debates New Zealand. Parliament,1938 *The Biology of Musical Performance and Performance-Related Injury* Alan H. D. Watson,2009-01-26 The Biology of Musical Performance and Performance Related Injury presents accurate information on the biological principles and physical processes that underlie the craft of musical performance It explains concepts and techniques without assuming prior scientific knowledge providing relevance to both musicians and health professionals who treat performance related medical conditions It offers performers and teachers the tools they need to create a rational approach to the development and communication of technique and provides an insight into the origins of performance related injury helping to reduce the risk of such problems by encouraging a technique that is sustainable in the long term **United States Tobacco Journal** ,1937 **The Mighty Totara: The Life and Times of Norman Kirk**

David Grant,2014-03-07 A major biography of arguably New Zealand's greatest modern political leader As Norman Kirk's body lay in state near the steps of Parliament on the day after his death on 31 August 1974 a kaumatua wailed the mighty totara has fallen The lament reflected what many New Zealanders felt about this big commanding and loved leader dead at just 51 More than 30 000 people filed past Kirk's casket over two days and again in Christchurch in a commemoration that matched only Michael Joseph Savage's for emotional power Both men died in office both men were humanitarians Kirk also worked to move the Labour Party away from its cloth cap heritage to embrace a much broader electoral compass for it to become in his words the natural party of New Zealand Prime Minister of New Zealand between November 1972 and August 1974 Kirk's childhood was blighted with poverty yet he thrived He moved into a succession of manual trades before booming into local body politics His political rise was rapid from mayor of Kaiapoi at the age of 30 to leader of the Labour Party within a few years This book examines Kirk's political leadership his successes especially his stunning performances on the international stage but also his later difficulties when the country's economy was rocked by international oil shocks He deferred the 1973 Springbok tour and sent warships into the French nuclear testing zone near Mururoa Atoll his government set up Oahu and established the DPB He was New Zealand's first truly regionalist Prime Minister drawing New Zealand closer to Asia and the Pacific as the ties to mother Britain slowly loosened This landmark book takes the full measure of the remarkable New Zealander who was our last working class Prime Minister *The Australian Dairyfarmer* ,1925
