## **Returning Words To Flesh:**

**Gods after God** Richard Grigg, 2006-06-01 Gods after God provides an accessible introduction to a wide range of contemporary radical theologies. Radical theology can be defined as talk about the divine that rejects the notion of God as a supernatural personal consciousness who created the world and who intervenes in it to accomplish his purposes. In addition, radical theologies tend to reject the absolute authority of traditional sources of guidance such as the Bible and the tradition of a church. Richard Grigg demonstrates that there is a discernible stream of radical theologies beginning in the seventeenth century and continuing to the present. He explores a host of rich and lively contemporary radical religious positions including the radical feminist theology of Mary Daly, the deconstructive theology of Mark C. Taylor, the religious naturalism of Ursula Goodenough and Donald Crosby, the pragmatist approaches of Sallie McFague and Gordon Kaufman, the Taoist interpretation of Jesus of Stephen Mitchell, and the feminist polytheism of Naomi Goldenberg. This in-depth examination asks in unflinching terms what challenges radical theologies face and whether they have a realistic chance of surviving in American society.

### **Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death**

Gabriel Ansley, 2010 Let me ask you a question you probably never pondered: WHY did God create the world in 6 days? Do you think God had NO logic, motive, or purpose behind using that specific number of days? Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one? Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2, 3, 5, 9, 12, 23, or however many days? Friend, you should know better: God can DO ANYTHING, which brings us back to the original question. The answer to this mystery is contained in the Bible, and its gradual, albeit secret, uncovering in story after story leads to the stunning title of this book: Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2,000 Years After The Year Of His Death. But FAR more important than merely discovering that fact, this book will fully elucidate and crush all confusion concerning what a person's soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories. So sit back and hold on, because this book's message is going to be a life-changing ride. *A Cry Instead of Justice* Dereck Daschke, Andrew Kille, D. Andrew Kille, 2010-07-01

**Word and Soul** Michael Willett Newheart, 2001 This soul-reading of the Gospel is influenced by three elements: analytical, archetypal, and psychology, which reorients psychology to the study of the soul. African American cultural experience, which is often characterized as soul, and reader response criticism, which emphasizes that the reading of a text is shaped by the reader's psychological and social location. After a brief methodological discussion, portions of the Fourth Gospel are read soulfully. **BOOK JACKET** **Bodies of Meaning** David McNally, 2001-01-01 Challenges postmodernist theories of language and politics, which detach language from human bodies and their material practices. **Psychology and Religion** Andrew Reid Fuller, 2008 This book surveys the major theoretical positions in the psychology of religion. Richard Kearney Brian Treanor, James L. Taylor, 2022-10-26 This edited collection responds to Richard Kearney's recent work on touch, excarnation and embodiment as well as his broader work in carnal hermeneutics which sets the stage for his return to and retrieval of the senses of the lived body. Here fourteen scholars engage the breadth and depth of Kearney's work to illuminate our experience of the body. The chapters collected within take up a wide variety of subjects from nature and non-human animals to our experience of the sacred and the demonic and from art's account of touching to the political implications of various types of embodiment. Featuring also an inspired new reflection from Kearney himself in which he lays out his vision for anacarnation, this volume is an important statement about the centrality of touch and embodiment in our experience and a reminder that despite the excarnating tendencies of contemporary life, the lived body remains a touchstone for wisdom in our increasingly complicated and fragile world. Written for scholars and students interested in touch, embodiment, phenomenology and hermeneutics, this diverse and challenging collection contributes to a growing field of scholarship that recognizes and attempts to correct the excarnating trends in philosophy and in culture at large. Fullness Received and Returned Seng-Kong Tan, 2014-01-01 Seng Kong Tan argues that human participation in the divine, a classical theological axiom most notably associated with the Eastern Orthodox tradition, is a central theme in the theology of Jonathan Edwards. This notion, Tan contends, is a defining motif for the entire systematic sweep of Edwards's theology and it serves to focus and determine the contours of Edwards's thought. Fullness Received and Returned situates Edwards's theology within the folds of the classical theological tradition while arguing that Edwards's is a unique and creative form of Reformed theology.

**Revelation of Jesus Christ** Grace Chung, 2025-08-14 This book is the words of God explaining about the book of Revelation and about the end time. It gives us the God's explanation about each chapter of the book of Revelation explaining about the seven churches in Asia and about the plagues of seven seals. This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future. The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world. Once Jesus showed me what will happen in the very end of the world, I saw the people who will be left behind on earth being flown away by the huge fiery tempest since heaven and earth will flee away and all the gravity on earth will disappear in the end of the world. In 2 Peter 3:10-12 it says: "But the day of the Lord will come as a thief in the night, in which the heavens will pass away with a great noise and the elements will melt with fervent heat; both the earth and the works that are in it will be burned up. Therefore, since all these things will be dissolved, what manner of persons ought you to be in holy conduct and godliness, looking for and hastening the coming of the day of God, because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat. This book is the first volume of the messages of the book of Revelation that I have translated. Soon there will be the second and third volume of the messages of the book of Revelation coming out. This is the second volume of the messages of the book of

Revelation a third volume awaits There will be explanations in detail about the plagues of seven trumpets the plagues of seven bowls the white throne judgment and heaven I wish you will all read these books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end God bless you all      Gender, Genre and Religion Morny Joy, Eva K.
