**Who the Hell's in It** Peter Bogdanovich, 2010-12-22 Peter Bogdanovich known primarily as a director film historian and critic has been working with professional actors all his life He started out as an actor he debuted on the stage in his sixth grade production of Finian s Rainbow he watched actors work he went to the theater every week from the age of thirteen and saw every important show on or off Broadway for the next decade he studied acting starting at sixteen with Stella Adler his work with her became the foundation for all he would ever do as an actor and a director Now in his new book Who the Hell s in It Bogdanovich draws upon a lifetime of experience observation and understanding of the art to write about the actors he came to know along the way actors he admired from afar actors he worked with directed befriended Among them Lauren Bacall Humphrey Bogart James Cagney John Cassavetes Charlie Chaplin Montgomery Clift Marlene Dietrich Henry Fonda Ben Gazzara Audrey Hepburn Boris Karloff Dean Martin Marilyn Monroe River Phoenix Sidney Poitier Frank Sinatra and James Stewart Bogdanovich captures in their words and his their work their individual styles what made them who they were what gave them their appeal and why they ve continued to be America s iconic actors On Lillian Gish the first virgin hearth goddess of the screen a valiant and courageous symbol of fortitude and love through all distress On Marlon Brando He challenged himself never to be the same from picture to picture refusing to become the kind of film star the studio system had invented and thrived upon the recognizable human commodity each new film was built around The funny thing is that Brando s charismatic screen persona was vividly apparent despite the multiplicity of his guises Brando always remains recognizable a star actor in spite of himself Jerry Lewis to Bogdanovich on the first laugh Lewis ever got onstage I was five years old My mom and dad had a tux made I worked in the borscht circuit with them and I came out and I sang Brother Can You Spare a Dime the big hit at the time It was 1931 and I stopped the

show naturally a five year old in a tuxedo is not going to stop the show And I took a bow and my foot slipped and hit one of the floodlights and it exploded and the smoke and the sound scared me so I started to cry The audience laughed they were hysterical So I knew I had to get the rest of my laughs the rest of my life breaking sitting falling spinning John Wayne to Bogdanovich on the early years of Wayne s career when he was working as a prop man Well I ve naturally studied John Ford professionally as well as loving the man Ever since the first time I walked down his set as a goose herder in 1927 They needed somebody from the prop department to keep the geese from getting under a fake hill they had for Mother Machree at Fox I d been hired because Tom Mix wanted a box seat for the USC football games and so they promised jobs to Don Williams and myself and a couple of the players They buried us over in the properties department and Mr Ford s need for a goose herder just seemed to fit my pistol These twenty six portraits and conversations are unsurpassed in their evocation of a certain kind of great movie star that has vanished Bogdanovich s book is a celebration and a farewell **An Angel Knocks**

**on Hell's Door** Suzé DiPietro, 2000-07-11 An Angel Knocks on Hells Door is a riveting story of a young girls perilous journey into womanhood When sixteen year old Gia discovers her father with another woman and reveals his betrayal to her family he deserts them They lose everything plummeting from a comfortable middle class existence into a neighborhood rife with crime gangs racial tension and drugs It is there that the stage is set for Gia to come of age under the obsessive sexual attentions of a neighborhood gang leader Suffering from the belief that she is guilty of having shattered her family and that she has become a loose woman she is convinced that she is condemned to hell Her sins are so great in her eyes that she can never confess them to a priest or anyone for that matter And if you cant confess you cant be forgiven This is the story of Gias battle triumph and salvation from hell without ever confessing a thing to a priest Insecure and reeling from the departure of her husband Gias mother is not prepared to raise her three children and support her mother Unable to accept her leadership role she emotionally abandons her family in favor of her new boyfriend The children are left under the watchful eye of Nanny her mother who is nicknamed The Iron Lady Nanny is a tough no nonsense woman with a rough edged sense of humor She is caught between protecting her grandchildren and risking her already fragile relationship with her daughter Keenly aware that her family is dangerously close to self destructing she fears losing them to their personal demons Tony to gangs drugs and drinking Mario inwardly to the solitary pursuit of running and Gia to sexual awakening The stakes are raised when Gia the object of obsession for Nicky a neighborhood Greek gang leader unknowingly rebuffs him in favor of his younger brother A ballistic Nicky rapes her warning her that if she tells anyone he will kill her and her family Obsessed with controlling her he takes over every facet of her life from choosing what she wears chauffeuring her to and from school to physically and emotionally assaulting her if she doesnt do as he says If Gia thought she was knocking on Hells door before she is absolutely certain that Satan has answered it in the form of Nicky A man of starkly contrasting dark and light personality traits Nicky alternately abuses Gia and treats her like a princess All the while he asserts You will love me Despite her initial fear and

hatred of him she slowly and with much guilt and confusion finds herself drawn to him both emotionally and physically She struggles to understand how she can possibly love the devil unless she's evil too This sets her on a treacherous pilgrimage of self discovery What she comes to realize is that in order to face Nicky she has to face herself even if she doesn't like what she sees And sometimes the devil teaches us lessons that we don't want to learn but must learn in order to survive Gia discovers exactly what she represents to Nicky and it involves more than just sex He uses her as his sword against his controlling parents his arranged marriage and his impending return to Greece Gia's story ends in a stunning climax surprising to both her and Nicky

*The Uplands of Reunion Island* Jean-Michel Jauze, 2013 **One Anothering** Simon Schrock, 1991-09-01 Jesus told us that the greatest commandment is to love God with all of our heart soul strength and mind and the second greatest is to love our neighbor as ourselves We often emphasize the vertical relationship with God while the horizontal relationships with our neighbors are neglected Simon Schrock has written a gentle reminder to each of us about our duty to our fellow man At one
