The Odic Force Karl Von Reichenbach, 2000 Odic force is a vital energy or life force that permeates all living plants animals and humans The author was the first person to approach this force scientifically having conducted hundreds of careful experiments He worked with people who were sensitive enough to accurately detect the polarity of magnets because they could actually see it These people also saw the human aura an energy field connected to the human body plus detected an energy related color spectrum that was linked to metals and minerals This is a simplified version of a more advanced text making it perfect for those wishing to grasp the subject

Gardens and the Passion for the Infinite Anna-Teresa Tymieniecka, 2013-06-29 What essentially is a garden Is it a small plot of land that we put aside to cultivate our favourite vegetables or to grow flowers for our personal enjoyment Or is it a symbol a mirror a reflection of our human passions Within the context of phenomenology onto-poiesis of life we find the significance of the garden inscribed within the web of the Human Condition creatively unfurling its form from the vital basis to its loftiest swings of the period The aesthetic synthesis of our passions is carried by the logic promise of life its infinite renewal and

infinite response The topic of the present volume is the mysterious ways in which Imaginatio Creatrix plays within the human ingrownness in natural life transposing dreams nostalgias and enchantments

Jung's Red Book for Our Time: Searching for Soul In the 21st Century Murray Stein, 2022-12-10 Do we like Jung need to leave the spirit of the time and follow the spirit of the depths to call out my soul where are you through the windows of our now post modern homes We live in a digital world of incredible virtual inter connectedness but at the same time fragmented and divided on many levels including the psychological The pace of life is rapid and ever accelerating The spirit of the time is flux It twitters There is no sense of coherence in the whole The guidance of a transcendent North Star is invisible to the naked eye of consciousness Our existential crisis is not about the individual alone It infects the entire human world like the Covid 19 pandemic Wars between cultural brothers and sisters increasingly dire effects of climate change economic disruptions hunger migration these conditions affect everyone on the planet Is there a spirit of the depths that can take us through this Inferno perhaps toward the emergence of a meaningful narrative that can stabilize the global community and provide a collective sense of supreme meaning This is the search for soul in the 21st Century

Evolution Science and Ethics in the Third Millennium Robert Cliquet, Dragana Avramov, 2018-01-10 The book aims to revitalise the interdisciplinary debate about evolutionary ethics and substantiate the idea that evolution science can provide a rational and robust framework for understanding morality It also traces pathways for knowledge based choices to be made about directions for future long term biological evolution and cultural development in view of adaptation to the expected probable and possible future and the ecological sustainability of our planetary environment The authors discuss ethical challenges associated with the major biosocial sources of human variation individual variation inter personal variation inter group variation and inter generational variation This book approaches the long term challenges of the human species in a holistic way Researchers will find an extensive discussion of the key theoretical scientific aspects of the relationship between evolution and morality Policy makers will find information that can help them better understand from where we are coming and inspire them to make choices and take actions in a longer term perspective The general public will find food for thoughts

Interpreting Israel's Scriptures Matthieu Richelle, 2022-01-01 Many readers find exegeting a passage from the Old Testament to be a mysterious process How should one begin What methods should one use Written in a pragmatic style Interpreting Israel's Scriptures guides the reader by offering concrete methods for exegesis that are illustrated by numerous examples and accompanied by well chosen references to secondary sources This English translation of the 2012 original French version of Richelle's book has been expanded and revised and has been reorganized to have a tripartite structure the making of the text the various facets of the text and the reader in front of the text The book is designed for use in exegesis courses or for personal study and it is designed to be used both by students who know Hebrew and by those who do not The book explores a variety of themes relevant for exegesis including poetry literary genre literary context geographical context historical context structure

narrative analysis intertextuality and reception history For those who know Hebrew the book also includes chapters on translation textual criticism and compositional criticism Finally this English edition has two new chapters one on feminist and gender studies and one on postcolonial criticism **The Kuyper Center Review, Volume 2** John Bowlin,2011 Includes papers presented at conferences sponsored by the Abraham Kuyper Center for Public Theology at Princeton Theological Seminary over the last two years Introduction Preparing the 21st Century Church Leslie H.
