Warner,2013-12-05 The handiwork of God Psalm 19 and the workmanship of God Ephesians 2 10 are mutual evidence of our Creators power and love His written scripture and the scripture of nature both came into being though the WORD All things were made by him and without him was not anything made that was made John1 3 When we read the Bible in the beauty of nature new insights about Gods wonderful plan for our lives become living reliable facts This eternal wisdom touches our souls and without it we become less than gnats with neither origin or destiny **Getting to Know God** Elisheva Mechanic,2021-07-15 This book is a journey of discovery into the fascinating world of Christian theology Elisheva Mechanic begins an exploration into the question of what theology is and how we do theology She introduces some of the early church fathers and tells their stories and what contribution they made to the development of theology and the great tradition This book gives a wide ranging survey of Christian theology and encourages us all to get to know God better **Discovering Delight** Glenda Mathes,2014-11-12 Does the concept of loving law sound strange to you like two things that just don t go together Christians today often don t want to read about law because they would rather revel in gospel and grace Yet the Bible clearly links law with love a connection we see in Psalm 119 In these insightful meditations author Glenda Mathes sheds light on this long psalm that often gets short shrift A closer look at Psalm 119 in particular and several other psalms and Old and New Testament passages encourages readers to discover the delight of God s written Word and rejoice in loving His law **That Which Is Good And Beautiful** Lester Bundy,2018-04-26 It seems that the world is continually being bombarded with bad news Terrorism riots civil unrest war one despairs is there no good news This book proclaims that there is good news that there is great hope joy and beauty in God s creation The author takes the reader on a tour of places and people where the beauty of creation and the beauty of the works and lives of people reflect the presence of God The Reverend Doctor Bundy finds beauty in places one might not expect the natural world of science heroic men and women and the work of secular artists and authors as well as religious art and worship both ancient and modern The tour ends with a discussion of beauty as a signifier of God s Ultimate Truth *Book of Psalms* ,1901 *The Book of Psalms* Alexander Francis Kirkpatrick,1903 *The Book of Psalms, with Introduction and Notes by A. F. Kirkpatric...* Alexander Francis Kirkpatrick,1902 **the book of psalms** ,1876 **The Book of Psalms: book I, Psalms i-xli.- v. 2, books II and III, Psalms xlii-lxxxix.- v. 3, books III and IV, Psalms xc-cl** ,1897 *The Book of Psalms: Book I, Psalms i-xli* Alexander Francis Kirkpatrick,1891 *The Book of Psalms* Alexander Francis Kirkpatrick,1957 **The Western Christian Advocate** ,1910 The twilight of the Establishment William Lowndes,1917 **The Relations Between Religion and Science**

Paul Walker, 2021-12-22 *Unleavened Faith* lets the Bible speak for itself it attempts to show how to study God's word by carefully listening to what it says It is far more a guidebook than a commentary it will aid in directing our meditations and more importantly put limits on our imaginations in the study of the Scriptures The method used in these studies is in opposition to private interpretation It begins with showing Christians where they fit in the world of religion then gives the rules for understanding building the precepts or general principles to which all doctrine and teaching must conform to rightly divide and correctly interpret the Word of truth *Unleavened Faith* is not written in scholarly jargon but by and for the average person desirous of a better knowledge and understanding of God's Word Let him that glorieth glory in this that he understandeth and knoweth me that I am the LORD which exercise lovingkindness judgment and righteousness in the
