**Revelation Third Song** Knight Star,2001-08-26 Revelation Third Song is a provocative look at the book of Revelation from a sci fi fantasy point of view It is the vision of Knight Star and only one of many ways of looking at the prophecy In this story an angel that had been chosen to hold back Revelation must teach the universe to set aside prejudice and work together Also in this book is an example of Christianity unlike the world today This is the type of Christianity that was in the first century This is a kind that is accepting of everyone and set on fighting the army of Hell rather than glorifying the priests

**Drunk in the Spirit** Merrill G. Greene,2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one's own cherished stories
