Revelation At Hand A:

Revelation, 2006 Decoding Revelation's Mysteries, **Daniel's Difficulties Resolved - Revelation's Secrets Revealed** Roderick L. Yip, 2004 Daniel's Difficulties Resolved Revelation's Secrets Revealed delves into specific details of the Biblical books of Daniel and Revelation. It is not intended as a comprehensive view of these two books but a specific study of certain often misunderstood verses of these books. Roderick Yip seeks to clarify these verses by using a comparison and contrast method of Bible study and bring the reader into a better understanding of the information presented. Ellen White repeatedly endorses the precept upon precept line upon line approach to Bible study especially as it relates to doctrine. This book is divided into two sections each dealing with a particular book. The first part of each section focuses on the principles of interpretation and the format in which the book was written. Then over the chapters it discusses a particular chapter's and studies individual issues and misunderstandings. The author goes beyond a mere presentation of his interpretations but cites other authors including Uriah Smith in his book *The Prophecies of Daniel and The Revelation*. Particular issues included in this book are the historical information that compliments the visions in Daniel, John's often misunderstood writing style and the unique format of both books which is helpful to understanding them. **What the Prophets Foretold: a Compendium of Scripture Prediction, with Special Reference to the Duration and Doom of the Papal Antichrist, the Judgments of the Great Day of God Almighty, and the Dawn of Millennial Glory** John Algernon Clarke, 1862 *By the Hand of Mormon* Terryl L. Givens, 2002-03-14 With over 100 million copies in print the Book of Mormon has spawned a vast religious movement but it remains little discussed outside Mormon circles. Now Terry L. Givens offers a full length treatment of this influential work illuminating the varied meanings and tempestuous impact of this uniquely American scripture. Givens examines the text's role as a divine testament of the Last Days and as a sacred sign of Joseph Smith's status as a modern day prophet. He assesses its claim to be a history of the pre-Columbian peopling of the Western Hemisphere and later explores how the Book has been defined as a cultural product, the imaginative ravings of a rustic religion maker. Givens further investigates its status as a new American Bible or Fifth Gospel, one that displaces, supports or in some views perverts the canonical Word of God. Finally, Givens highlights the Book's role as the engine behind what may become the next world religion. The most wide ranging study on the subject outside Mormon presses, *By the Hand of Mormon* will fascinate anyone curious about a religious people who despite their numbers remain strangers in our midst. **The Reformed Quarterly Review**, 1892 **Spirits Realm** Ross Rozani, 2019-09-29 Being human we are so pre-occupied with worldly tasks until we ignore the fact that we carry spirit within ourselves which is the Soul. It is said its nourishment is only Faith in God. At times we struggle with our own faith as it doesn't jive with current logic and reasoning. We neglected the presence of other spirits that is tirelessly working against our faith. With technology advancement spiritual life becomes less relevant until towards the end of our physical life when we are no longer needed by the system. By then it may be too late. It is said that our physical life

span is so short compare to spiritual life span including the Afterlife Yet we are being tested if we remain believer or became non believer Test of Faith in God which is acquiescent to the Afterlife The biggest test is yet to come once Dajjal or the Anti Christ appear with the most powerful witchcraft human and Jinn ever seen that can easily misled us that he is God Appearance of Dajjal was prophesized and conspired to mark that Doomsday is near When will the Doomsday be Let s find out what was said and what was prophesized **Pacific Medico-dental Gazette** ,1914 *The Stars of Heaven* Clifford A. Pickover,2004-05-06 Do a little armchair space travel rub elbows with alien life forms and stretch your mind to the furthest corners of our uncharted universe With this astonishing guidebook you don t have to be an astronomer to explore the mysteries of stars and their profound meaning for human existence Clifford A Pickover tackles a range of topics from stellar evolution to the fundamental reasons why the universe permits life to flourish He alternates sections that explain the mysteries of the cosmos with sections that dramatize mind expanding concepts through a fictional dialog between futuristic humans and their alien peers who embark on a journey beyond the reader s wildest imagination This highly accessible and entertaining approach turns an intimidating subject into a scientific game open to all dreamers Told in Pickover s inimitable blend of fascinating state of the art science and whimsical science fiction and packed with numerous diagrams and illustrations *The Stars of Heaven* unfolds a world of paradox and mystery one that will intrigue anyone who has ever pondered the night sky with wonder **The Inspiration of the Old Testament Inductively Considered** Alfred Cave,1888

Dr. Hand's Mind On Dr. Allen Hand,2022-04-15 Every once in a while I get a chance to listen to broadcasts on radio or watch networking on television And the more and more I do this the more and more I get deeply concerned with the quality of so called religious material presented on such via comments discussions lectures preachings teachings etc Every so often it is spiritually impressed upon me I get led to deal with some of the monumental misunderstandings that menaces the messianic ministry mission momentum motion motive and movement There are two strategies tactics ways to deal with this type of teaching and preaching one is defensive and one is offensive The offensive tactic strategy way to guard against it is to constantly teach and preach against it thereby exposing it for what it is and minimizing it if not eliminating it this is referred to as the sword of the Spirit which is the word of God the defensive tactic strategy way to guard against it is to block or prevent it from entering your mind by literally putting a spiritual device of some sort over your mind this is referred to as the helmet of salvation The material presented in this book is just a way to help us fight defensively and offensively by first knowing what we need to fight against As a side note the state of apostasy of the professing church is the final stage of the religious order just prior to the Rapture which is phase one of two of our Christ s Second Coming I strongly admonish and request that each believer in Jesus Christ adopt the same attitude and mentality that the church of Berea adopted in the word of God especially when it comes to the word of God
