## Revelation For Today:

**Revelation for Today** James M. Eiford, 1989 Revelation is the Bible's most puzzling book. Though it has inspired some of the world's greatest literature and art, to many readers the book remains a total mystery, a hodgepodge of strange mystical symbolism and obscure references. Now James M. Eiford provides a clear, readable look at the meaning of Revelation. Probing the mysterious book to its very core, Eiford offers the best of modern scholarship in an accessible way. Eiford places Revelation in its historical context, approximately AD 90, and explains its message for us today. Revelation for Today features an appendix on ways to teach the book, designed for pastors and church school teachers. From Israel with Love Dennis R. Wilson, 2011-09 Revelation for Today Telford Barrett, 2001 *Revelation* Craig S. Keener, 2000 The NIV Application Commentary helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context. It gives preachers and teachers the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written. **Revelation's Call** Shirley Dudley, 2024-04-17 Embark on a Journey Through Time: The Essential Guide to Understanding the Last Days Within the pages of Revelation's Call: The Urgency of the Second Coming, readers are invited into a journey that intertwines the past, present, and future, beckoning to unlock the mysteries of the book of Revelation. This comprehensive guide serves not only as an exploration but as a clarion call to awareness and action in the face of the approaching end times. Embark on this exceptional odyssey, beginning with the Journey Begins: Understanding Revelation, setting the stage for the profound depth of prophecy that lies within the scriptures. The early chapters delve into the prophetic landscape, offering clarity and insight into the roles of prophecy, laying foundational knowledge from both the Old and New Testaments, and painting a vivid picture of the historical and spiritual context that frames this last book of the Bible. Engage with the intriguing narrative of The Author and the Isle of Patmos, where the life of John and the peculiar, isolated locale of Revelation's birth are brought to life, offering readers a tangible connection to the divine visions received on that remote island. Discover the significance of the Letters to the Seven Churches, incorporating warnings, encouragements, and the varied characteristics of these early Christian communities. This exploration extends into the celestial and the apocalyptic, through detailed examinations of the Throne Room of Heaven, the Seven Seals, and beyond, each chapter immersing the reader further into the cosmic drama and divine sovereignty displayed in Revelation. But Revelation's Call goes beyond mere exploration; it challenges its readers to reflect on the relevance of Revelation today. Through the final chapters, the book presents a compelling case for spiritual vigilance, the importance of eschatology, and the personal and communal imperative to live in hope and prepare for the Second Coming. Concluding with a powerful appeal to repentance, faith, and empowerment for mission, Revelation's Call is not just a guide to understanding future events but a transformational book that inspires readiness, perseverance, and an unwavering trust in the victory of Jesus. This book is an indispensable resource for anyone seeking to comprehend the complexities of Revelation, to find hope in its promises, and to

respond earnestly to its urgent message As history unfolds and the future approaches let Revelation s Call equip and guide you through understanding one of the most fascinating and significant books of the Bible      **Revelations in Context** The Church of Jesus Christ of Latter-day Saints,2017-08-16 This book contains stories told from the point of view of those who experienced the revelations in the Doctrine and Covenants giving us insight into their meaning While the section headings provide context for the revelations they don t tell the complete story What questions prompted the revelations What did the Lord s responses mean to those He addressed How did they respond Perfect for study with the Doctrine and Covenants

Cosmos and Revelation Peter R. Stork,2021-09-30 Science and technology have profoundly altered the cosmic and societal perceptions of the world Regrettably the Christian imagination has not kept pace Most believers still adhere to pre scientific views Cosmos and Revelation urges the Christian community to reimagine God s creation by engaging the data of science For if God has indeed brought forth an intelligible world for us to explore through scientific research those who profess this faith ought to as a minimum allow scientific findings to expand their theological horizon Drawing on his scientific qualification and academic background in theology Peter R Stork opens several windows on God s creation from galactic star nurseries to the wonderland of living cells After rereading Genesis 1 and 2 the author interlaces examples and reflections to present a coherent yet provocative sketch of the new landscape that spreads out before us leaving it to his readers to intuit for themselves the immensities Christians are challenged to embrace in the age of science      Bible Inspiration,

Preservation, and Authority: The Bible as God's Revelation David Pratte,2019-10-15 A study of what the Bible itself says about its inspiration preservation and authority Scripture as a complete and perfect religious guide Topics included are The Inspiration of the Bible The Historical Nature of Bible Accounts The Preservation of the Bible The Need for Bible Authority The Authority of Bible Examples and Necessary Inferences The Authority of the Old Testament Today Direct Guidance of the Holy Spirit Today Human Creeds or Majority Rule Let Your Conscience or Emotions Be Your Guide Church Traditions      1\_3

John and Revelation; New Testament Commentary Christopher Lambe,2021-02-16 Unlike any other commentary on the New Testament Chris digs into ancient religious culture throughout the known world at the time John wrote his epistles and book on Revelation As the church started to accept and adopt false teaching in their day they began to worship idols in place of God like the Jews when they were sent to Babylon Both Old and New Testament Jewish cultures adopted the same images from the surrounding nations and began to worship pagan gods No matter Jew or Gentile John s teachings were all understood In today s world though it is different many are not taught after the manner of ancient culture and when one reads the Bible either the Old and New Testaments that references any form of symbolism as figurative language let alone Revelation it is foreign with descriptions of strange beasts candlesticks trumpets vials of wrath harps etc making no modern sense whatsoever However when looked upon with the view from ancient culture religion and myths about the heavens one can better understand the context John taught to the early church The way mainstream interprets the scriptures today has

brought about much confusion      **Revelation for Today** N. W. Hutchings, 2003-01-01 The book of Revelation is beyond controversy the most misunderstood of all the 66 books of the Bible The reason is that the events prophesied in this book were not possible until the present generation This is a chapter by chapter and verse by verse commentary presented from a pre millennial pre tribulational position on eschatology The Bible reader will discover a new understanding of this exciting book The unsaved will be challenged to accept Jesus Christ as Savior and Lord and miss the coming Great Tribulation

The Book of Revelation Today Farley Anderson, 1994-01-01      *The Revelation of Jesus Christ* Alfred J.

Chomppff, 2013-05-08 This book is a commentary on the Revelation of Jesus Christ from a totally Biblical perspective stripped from all speculation about the end times The Author is a pastor at the Reformed Bible Church in Southern California The author was trained to be a self studying Chemical Engineer has held research positions at Ford Motor Company in Dearborn Michigan and at the University of Southern California in Los Angeles and at Avery Research Center in Pasadena California The Lord has allowed us to expand our services in having two weekly Bible Studies within the medium of Skype allowing conference calls with people in the USA and the UK and Australia      **Christ on Trial** Klass Schilder, 2001-11 These superb works are without equal in modern literature Schilder brings the reader into touch with the spiritual and temporal forces which converged during the Passion Week He is careful to keep Christ central and he blends in a masterful way this culmination of our Lord s earthly life with historical facts and psychological realities Cyril Barber The Minister s Library Schilder was a noted Dutch scholar of the early twentieth century The three volumes of this work were translated by Henry Zylstra They first appeared in 1937 The three volumes cover three aspects of the suffering and death of the Lord Jesus Christ They are entitled Christ Crucified Christ in His Suffering and Christ On Trial In The Minister s Library Cyril Barber states Theologically accurate abounds in suggestive insights and provides exegetical illumination for a score of Easter sermons It is a classic treatment on the passion of Christ It deserves a place in every pastor s library The three volumes cover the night of His betrayal to His condemnation it is a learned accurate treatment That says a lot about this unique very important work It is simply indispensable to the understanding and feeling of the power of the passion of Christ To put it into the words of the Apostle Paul all should feel as he did Oh that I might be found in Him to know Him and the power of His resurrection and the fellowship of His sufferings having been conformed to His death if somehow I may attain to a resurrection out of the dead Philippians 3 9 11 Through the guidance and inspiration of God the Holy Spirit Schilder has captured the drama and the pathos of Christ s ordeal and yet also passes on to the reader the triumph and the exultation of Christ as He completes His voluntary submission to the Father s will Sacrifice and offering You did not desire but You prepared a body for Me You did not delight in burnt offering and sacrifices concerning sins Then I said Lo I come in the heading of the Book it was written concerning Me to do Your will O God Psalm 39 6 9 Heb 10 5 7 No child of God is completely mature until he or she has gone to Gethsemane and followed the trail of Christ as He approached the hour when He must endure unspeakable humiliation

pain and the suffering of momentary loss of the Father's presence with Him. It is no wonder that He sweat blood at the prospect for He was not ignorant of what He must go through in order to provide salvation for His sheep. The Good Shepherd lays down His life for the sheep. John 10:11. No one will better draw you down to the depths of this drama, a scene which only one Person could have endured than Schilder. You will not be the same after you have followed Christ through these stirring looks that Schilder gives you; you will be a better Christian by far. This is a Best Set in Print. Schilder was a man of many gifts without any doubt. Anyone who has read his writings, even some of them, will readily acknowledge that he possessed the ability to look at various theological questions in different ways and to express his ideas in sometimes eloquent ways which were often fresh and new. 548 pages, blue hard cover. *The Watchman*, 1904. Miscellaneous Records of the Kuling Training (2). Watchman Nee, 1994-09-01. Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years. Through these volumes, a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated. This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry.

**The Qur'an and Its Message Versus the Three Major Monotheistic Religions** Joseph The Monotheist, 2024-09-22. Both the curious and the believer alike find themselves pondering the same question: What is the Qur'an and what is so special about the Qur'an that drives almost one quarter of the world's population to believe in it? The Qur'an is not what one would consider an easy read, whether talking about Arabic speaking peoples reading the Arabic Qur'an or non Arabic speaking peoples reading translations of the text in other languages. Most people think that reading the Qur'an once or even several times readily enables them to understand what the Qur'an is saying. That surely would be true if one were a native Arabic speaker living in the space-time of the revelation fourteen hundred years ago. However, for us living in other space-time, the present author assures the reader that that is not the case. This book is part of a series. It is the first volume of *The Qur'anic Revelation: A Reformed Understanding*, published concurrently with the second and third volumes. In this book, the author argues that the religion of Islam is an unacceptable representation of the Qur'anic revelation. Furthermore, that the religions based on God's revealed scriptures, as we know them today, including but not limited to the religion of Islam, deviate from the essence of God's revelations, mainly bringing Judaism and Christianity into the discussion. The author puts forward his own interpretation of the Qur'anic revelation, and in this volume, primarily addresses its inclusiveness aspect by exploring how the Qur'an understands both inclusiveness and religion. What Islam is, the book talks about. Is it one Islam that around one fourth of the world's population follows? Are all of the commands in the Qur'an of eternal applicability? Did the Qur'an come with a new religion, and how did the Qur'an define membership in the religion? What impact did the Qur'an have on the beliefs and practices of those who accepted the revelation from the peoples of previous scriptures in the space-time of the Prophet, yet as argued, who at the same time

maintained their religious identities This volume addresses these questions and a multitude of others This book is self contained It does not require the reader to have previous knowledge in any of the topics discussed The book discusses topics you do not find in your typical book about the Qur an or Islam It would interest those who want to learn about the Qur an and its message Among this group would be those searching for a reformed understanding of the Qur an and how it applies today those curious to learn how the Qur anic message affects followers of the previous revealed scriptures and those interested in monotheistic religions in general

**Book 11 Miracle Working PB** Kurt Jurgensmeier,2012-08-22 Is God still doing miracles today Because of the many claims of charismaticism on this issue a rather detailed biblical study of the matter is warranted We defend the following conclusions Modern miracle workers cannot demonstrate the attributes of biblical ones and are lying when they claim similar gifts There are no God sent miracle workers in Scripture that were not also sources of new direct divine revelation to be believed and obeyed as the word of God The faith to perform or receive a miracle is just as supernatural and God given as the miracle itself and modern faith healers are wrong to blame disappointed followers for their lack of such faith The Church has universally testified that the gifts of miracle working ceased in the early Church with the completion of the NT The fraud in the modern miracle movement has been immense Other legitimate explanations for modern miracles are intriguing and even alarming

**Resistance and Theological Ethics** Ronald H. Stone,Robert L. Stivers,2004 Protestantism at its best grounds both its religious and its social critique in the faith of the prophets and the life and teachings of Jesus Christ as understood and lived by the church Its teachings and desired practice stand in stark contrast to complacent religion that seems to be at ease with imperial greed domination and violence Resistance and Theological Ethics collects the edited and updated essays that emerged from the meeting of the Theological Educators for Presbyterian Social Witness in Geneva Switzerland and southern France in 1999 Inspired there by the sixteenth century forces of renewal unleashed through resistance to an imperial church and society the writings of these educators and ethicists combine to sound a clarion call for the church to stand in resistance to social economic and political forces that threaten while embracing those that foster social justice peace and human welfare Each author emphasizes a specific call to nonviolent resistance against powers grounded in particular forms of sin religious pride greed violence and domination Divided into three parts the book details social forces to be resisted presents historical and biblical examples of resistance and concludes with theological analysis and advocacy for action in contemporary American society

**Revelations and Story** Gerhard Sauter,John Barton,2018-02-06 This title was first published in 2000 From the work of Hegel and Schelling to the dialectical theology of Barth Bultmann and Gogarten Revelation has developed a long rich tradition of diverse thought as well as many misunderstandings Meaning first and foremost God s encounter with those to whom God wishes to communicate God s own self Revelation seeks to be recounted and communicated to others As a theological expression Revelation aims to direct our attention to the modes and areas in which we have a basis for expecting encounter with God through stories nature the world

as creation From a rediscovered emphasis on story narrative theology has emerged a concept the English speaking world has welcomed for its neutrality between history and imaginative fiction and stress on narrative rather than doctrinal dimension of biblical text This volume brings into relationship a concern with theology of revelation and an interest in the theology of story or narrative theology      *Victory Secrets* Dag Heward-Mills, 2018-03 Life can be challenging to every one Many times what you need to overcome what you are encumbered with is wisdom Wisdom is the secret of God that will help you to rise from your struggles into a living wonder God has ordained you for glory The secret of God is the wisdom of God in a mystery that is ordained for your glory and beautification May the revelations of this book bring you victory every day May this book give you knowledge to triumph
