Revelation Of Jesus Christ Commentary On The Of Revelation Hardcover:

Revelation of Jesus Christ Ranko Stefanović, 2002 **A Revelation of Jesus Christ** J.B. Smith, 2004-05-10 From the Introduction by Merrill C Tenney This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom In this regard he is in a long line of renowned commentators including Seiss Gaebelein Ottman and others The distinguishing feature of this commentary is its use of Biblical statistics and comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text This commentary will probably be the mainstay of premillennial exposition for some years to come **Revelation** Judith Kovacs, Christopher Rowland, 2008-04-15 This ground breaking commentary on The Revelation to John the Apocalypse reveals its far reaching influence on society and culture and its impact on the church through the ages Explores the far reaching influence of the Apocalypse on society and culture Shows the book s impact on the Christian church through the ages Looks at interpretations of the Apocalypse by theologians ranging from Augustine to late twentieth century liberation theologians Considers the book s effects on writers artists musicians political figures visionaries and others including Dante Hildegard of Bingen Milton Newton the English Civil war radicals Turner Blake Handel and Franz Schmidt Provides access to material not readily available elsewhere Will appeal to students and scholars across a wide range of disciplines as well as to general readers More information about this series is available from the Blackwell Bible Commentaries website at <http://www.bbibcomm.net> *A Revelation of Jesus Christ* J. Otis Yoder, 1961 **Revelations from the Revelation of Jesus Christ, Chapters 1-3: A Commentary for the Believer in the Pew** Rev. Desiré P. Grogan, 2022-01-11 For the believer in the pew the Book of the Revelation of Jesus Christ needs no other introduction than that it is the most avoided Book of Scripture that few feel capable of navigating and understanding on their own The dense amount of imagery and the horrific scenes of judgment are mind boggling and remain a mystery for many The purpose of this volume is to empower you the believer in the pew with the most accessible tool to navigate and understand this last Book of Scripture and that tool is the Bible itself the Bible in your hand You see the God Who is speaking and acting in this last Book of Scripture has been speaking and acting throughout the Biblical text cf Heb 1 1 2 It is God s

intent therefore that you understand this last Book of Scripture just as He intended for you to understand all Scripture The Revelations in this last Book were not hidden from you but for you to discover through diligent study Let this volume be your entrance into the awe inspiring zone of discovering and re discovering the majesty and the consistency of the only God Who is worthy to be trusted and obeyed worshipped and adored Jesus Christ and His Revelation the Centerpiece of God'S Universe Ronald A. The Revelation of Jesus Christ Ray F. Robbins,2005-01-13 What New Testament book bewilders most Christians Of course the book of Revelation Many people ignore it because it seems unreal and unrelated to Christian living Others see it as a fascinating enigma and they propose a variety of schemes to answer every symbolic reference While fully aware of the various theories of interpretation Dr Robbins is primarily concerned in this book with clarifying what the writer was trying to say to his original readers He provides a practical exposition with little attention given to critical problems He feels that the basic message is timeless full of hope and promise in every age Here is fresh clear light on a book that has been shrouded by extreme and sometimes fanatic interpreters **The Revelation of Jesus Christ** John F. Walvoord,1975 **The Final**

Prophecy of Jesus Oral E. Collins,2007-06-01 This commentary is the first major work on the book of Revelation in many years that expounds the historicist interpretation The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century The reasons for the current disaffection are too complex to address in a few words but it is the author s conviction that from the standpoint of sound principles of biblical hermeneutics the historicist interpretation is still the most creditable approach for an accurate understanding of this the last book of the Bible and the final prophecy of Jesus A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free

companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **A**

Testimony of Jesus Christ - Volume 1 Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2

The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides Jesus Christ and His Revelation Revised and Updated Ronald A.

Clower,2022-09-07 Jesus Christ and His REVELATION is a revised and updated edition to my 2017 publication of the same title The book presents a concise verse by verse study of the Apostle John's Revelation of Jesus Christ i.e the New Testament book of Revelation Its purpose is to make the study of Revelation comprehensive but not complex thorough yet easy to follow Bible commentary related subject lessons charts and illustrations and frequently asked questions FAQ taken from years of teaching combine to add redundancy and visual appeal to the study The book is written to appeal to Bible students of all ages young adults through seniors Review questions and up to date discussion questions are included at the end of each chapter for the purpose of personal reflection or to facilitate classroom discussion in group study settings **The Revelation of**

Jesus Christ. [A Commentary on the Book of Revelation.]. E. H. CHATER,1914 Digging Deep into the Revelation of Jesus Christ Michael Copple,2019-01-21 The purpose of this guide is to promote learning discussion and blessing The greatest benefit of the layout is that the reader has four columns side by side to enhance ease of understanding and use time more effectively Following the design of a parallel Bible with four columns side by side the Revelation Chapter is the left most column In column 2 is the commentary on that Chapter with references to other verses and passages To save the reader from searching for reference Books and verses those Scriptures are printed in column 3 on the side facing page Column 4 consists of the commentary for the reference verses The Revelation of Jesus Christ John F. Walvoord,1989 This

tremendous exposition of the capstone of Scripture issues from years of teaching dedicated study and sound evangelical scholarship The author defends the premillennial position but at crucial points considers other views as well The Book of Revelation Earl Thames,2014-08-12 Revelation is about the resurrected Christ His church and the world More than any other prophetic book of the Bible the prophecies of Revelation are presented in symbolic form that is pictures rather than words are used to convey the message This is why this book is somewhat difficult to understand the pictures have to be interpreted These amazing symbolic pictures like the Parables both reveal and conceal Thus the book of the Revelation is not so clear that everyone can see the meaning and understand it immediately But as will be discovered the pictures have an

ascertainable meaning a meaning which is based on the previous books of the Bible It should be mentioned at the outset that some pictures have more than one meaning that is they are composite Where this is so all the meanings are valid and must be held together Another remarkable fact must be stated Unlike any other book of the Bible Revelation in an amazing way sums up all that has gone before in both Old and New Testaments In other words it sums up all the other books of the Bible Revelation is in truth the final book of the Bible and so every thread which runs through the Scriptures is not only picked up but tied into a final knot in this amazing book The Revelation of Jesus Christ Charles A. Sims, Jane A. Sims, 1989

Revelation G. K. Beale, David Campbell, 2015-01-02 G K Beale s monumental New International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999 This shorter commentary distills the superb grammatical analysis and exegesis from that tome over 1 300 pages into a book more accessible and pertinent to preachers students and general Christian readers As in the original commentary Beale views Revelation as an integrated whole as a conscious continuation of the Old Testament prophetic books and shows that recognizing Revelation s nearly constant use of Old Testament allusions is key to unlocking its meaning Interspersed throughout the volume are more than sixty sets of Suggestions for Reflection to help readers better grasp the relevance of Revelation to their lives and our world today Interpreting the Book of Revelation (Guides to New Testament Exegesis) J. Ramsey Michaels, 1998-09-01 An introduction to the study of Revelation reviewing the book s linguistic structure vocabulary and variant readings as well as differences of opinion regarding its message The Book of Revelation Catherine Ann Cory, 2016-12-01 Full of awesome and gruesome scenes that seem to provoke more fear than faith the Book of Revelation is often read as a roadmap through the doom and gloom of the end time Correctly understood however this grand finale of the New Testament is aloud and clear call to conversion as well as a message of hope and consolation for Christians of every age Catherine Cory carefully explains the variety of Visions that unfold in kaleidoscopic fashion throughout the book Scenes from the Old Testament form collages that convey the central theme namely that God is in control and evil is being conquered The breathtaking conclusion resounds with God s promise Behold I make all things new Cory s lucid style reveals the true message of the Book of Revelation Catherine Ann Cory PhD is an associate professor in the theology department at the University of Saint Thomas St Paul Minnesota
