Revelations From Heavens Doorway:

At Heaven's Door David R. Rosen, 2022-11-17 What happens when you breathe your last breath Where do you go when you die Will you still be you How will you feel after you stop breathing Will you still have emotions Will the pain that brought you to death cease Will there be joy Or what about regrets or sorrow You may ask Will I still exist Will I still know who I am If so will I be alone Or will others be with me In Heaven Or worse will I be In hell So you say I lived a good life Am I going to Heaven God will see I did more good things than bad OK so how do you know how living a good life is measured assuming God judges and not you Or even that good works are the requirements for what God requires to enter Heaven And then to the test question what makes you say what you say Do we hope this is what happens or does God offer insight through the Bible This study is unto life eternal life with Jesus Solomon declares that the day of one's death is better than the day of birth Ecclesiastes 7:1 To the world's thinking they would say that is weird how can this be Are you now curious about what the Bible says about what happens when a Christian dies Are you drawn to ask yourself what do I really think and thus believe will happen when I die Come Bring your Bible a highlighter pen and paper and an open heart and let's journey together to see what the Bible says about eternal life with and in Jesus Having my wife's recent passing from life to life she will be our guide in reference as I strive to ask the questions you may ask about what happens next Ready to start Revelation of

Jesus, A David Lackey, 2016-01-27 The book of Revelation pulls back the curtain to reveal the secrets of the past present and future but nearly two thousand years after it was written it still seems to be shrouded in mystery A Revelation of Jesus takes a fresh look at the familiar themes of Revelation such as the Four Horsemen of the Apocalypse the mark of the beast the battle of Armageddon the Millennium and many others using the Bible itself as a guide to cut through the maze of confusion that so often surrounds these vital subjects The last book of the Bible is not just a collection of enigmatic symbols and metaphors Using symbolic language it documents the cosmic struggle between good and evil that began with Satan's rebellion in heaven before the creation of the world Author David Lackey seeks to unmask Satan's subtle deceptions and point readers to our Creator and Redeemer who will vanquish all evil and usher in a new existence characterized by love joy and peace The purpose of this book is to unpack the prophecies of Revelation to reveal the beauty of Jesus so that in seeing Him more clearly we may fall in love with Him more than ever before and be ready for His soon return **A Verse by Verse**

Commentary on Revelation Elder G. E. Glimpses of Heaven: or, Evening meditations [on the Book of Revelation] for every Sunday in the year [by M. Sandberg]. Maria Sandberg, 1857 **Topics in the Book of Revelation** William R. Horsley, 2017-03-06 Topics in the Book of Revelation by William R. Horsley What is the Book of Revelation Is it a prophecy foretelling the end of the world Is it a vision of the apocalypse If Hollywood and a certain subset of preachers are to be believed John's final message to Christians is one only of doom and destruction But what if the real message was one of hope What if Revelation was less foresight and more history How would you look at the final book of the Bible if you could read it and feel overjoyed rather than frightened In *Topics in the Book of Revelation* William R. Horsley presents definitive arguments for a reinterpretation of John's writings Rather than a warning meant to resound throughout history Horsley shows that John was writing primarily to the early church and its people using language and symbols that would have been familiar to them Revelation carries a message of hope to all Christians Horsley sees lessons to Christians to be encouraged faithful and victorious to the end The way is right and worthy is the Lamb **Revelation** Craig R. Koester, 2014-09-30 In this landmark commentary Craig R. Koester offers a comprehensive look at a powerful and controversial early Christian text the book of Revelation The author provides richly textured descriptions of the book's setting and language making extensive use of Greek and Latin inscriptions classical texts and ancient Jewish writings including the Dead Sea Scrolls Rather than viewing Revelation as world negating Koester focuses on its deep engagement with social religious and economic issues while addressing the book's volatile history of interpretation The result is a groundbreaking study that provides bold new insights and sets new directions for the continued appreciation of this text *Revelation 1-5, Volume 52A* Dr. David Aune, 2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation

This series emphasizes a thorough analysis of textual linguistic structural and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation, the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses yet in reasonably good English. Notes, the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure, Setting, a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment, verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1. within the context of the book itself; 2. its meaning in the OT or NT; 3. its place in the entire canon; 4. theological relevance to broader OT or NT issues. General Bibliography, occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Increase Your Anointing Bill Vincent, 2023-03-16. God said that we are to do greater works. Most ministries are not even doing the works of Jesus. Things are about to change. God has spoken that what I have discovered is being made available so that we can all attain the prize of our high calling. It is time for us to flow in miracles, signs, and wonders. I'm talking about even in the local Church. Get ready for an increase of the anointing. Remember, it is going to cost you something, but it will be worth it. You are about to discover three life-changing types of anointing. There is the revelatory, the breaker, and the kingly anointing. This is the most important thing I discovered that brought a higher level anointing.
