Revelations Of Mind And Soul:

The Revelation of St. John the Divine - Volume 1 Bill Skiles, 2011-11-28 Two Thousand years ago the Christ Mind delivered a message to the world You must be born of the Spirit Through the willing instrument of Jesus that Mind which was in Christ Jesus poured out Itself for all who had ears to hear telling us of Its plan to take us into the Kingdom of God right here on earth But mankind did not understand this great message Therefore with Infinite Grace and Love that same Christ Mind speaking out from the Invisible repeated the message in great detail through St John the Divine and this became the Revelation Over the centuries this Revelation has been in plain sight yet not understood or misunderstood and the reason is because only the Christ Mind in man can reveal the Truth of Being Not until the year 1970 did a man sit still in meditation over many months until at last the entire message of the Revelation was revealed once again That man was Herb Fitch This two volume set of books covers the entire Revelation of St John the Divine the interpretation of which was received in Consciousness from the Christ Mind and spoken through Herb Fitch in a series of talks recorded on tapes Transcribing this work work involved hours upon hours of dedication by many individuals These individuals also sat in meditation before beginning to type the transcripts and before beginning to edit the texts so that all may be receptive to the Christ Mind while working on this Revelation and this message may be presented again to the world with integrity preserving the Truth It is suggested that you find a quiet place and read only one chapter at a time until Something calls to you from these pages Then put these writings down and walk away find a place and sit down to meditate on what has stirred you within I can tell you with a certainty born of experience that you can walk in another Dimension right here and right now the Kingdom of Heaven on earth

The Great Harmonia; Being a Philosophical Revelation of the Natural, Spiritual and Celestial Universe ... Fourth Edition Andrew Jackson Davis,1851 The Urantia Revelation Malcom Locke,2010-09-15 This book presents a digest of what The Urantia Book says the gist of it the main outlines of the story As such The Urantia Revelation The Structure and Meaning of the Universe Explained will serve as an introduction and guide to The Urantia Book or as simplified and accessible substitute for those wishing to know what was revealed in the fifth epochal revelation on Planet Earth There is hardly anything more interesting *Romans-Revelation* Adam Clarke,1854 **THE SPIRITUAL MIND OF CHRIST** kiiza smith,2020-10-17 THE WAY TO LIVE WITH THE MIND OF CHRIST one of the greatest revelations of my life is I can choose my thoughts and think things on purpose In other words I don t have to just think about whatever falls into my mind This was a life changing revelation for me because as Proverbs 23 7 says As he a man thinks in his heart so is he I like to say it like this Where the mind goes the man follows Now God is concerned about the hidden man of the heart which is our inner life Our inner life is what we think about And like the scripture above says the way we think determines how we live and who we are That s why we need to think about what we re thinking about It s so important for us to understand this because if we don t learn how to take every thought captive to the obedience of Christ see 2 Corinthians 10 4 5 we won t live the life Jesus died to give us a life of peace with God peace with ourselves great relationships real joy and the ability to become all God has created us to be It comes down to choosing to believe what God says the truth more than we believe our feelings what other people say or our circumstances **Reason and Revelation** Byron Belitsos,2024-05-15 Proponents of the UB are overdue for serious dialogue with the intelligentsia of our society including the academic community This introductory anthology builds bridges to these serious thinkers especially those unfamiliar with The Urantia Book It is suitable for those with research interest in religious studies philosophy theology history and general humanities This anthology provides the highest quality research essays about The Urantia Book UB in one standalone introductory volume Aside from their high quality of writing these materials have been selected for three reasons They showcase genuine scholarship and deep research on The Urantia Book These essays bridge to contemporary knowledge outside the UB Each piece is suitable for readers new the Urantia text Adherents of the UB are long overdue for serious dialogue with the academic community as well as with the intelligentsia of our society most of whom are unfamiliar with The Urantia Book In addition to introducing the UB to academics thought leaders and cultural influencers Reason and Revelation is also designed as an introductory textbook for use in university

classrooms especially in fields such as religious studies philosophy theology history and general humanities Like the Urantia revelation itself this anthology is holistic and interdisciplinary However it does not provide essays on the social and natural sciences these topics will be covered in a future volume Reason and Revelation is divided into four parts I General Studies II Origin and Influence Studies III Religion Ethics and Spirituality IV Philosophy and Theology Because no prior knowledge of the UB is required Part I provides a beginner s orientation The later sections further introduce UB teachings on more specific topics building upon this earlier section Most but not all of these later essays are chosen because they are comparative they assess the UB s teachings in relation to the contemporary academic understanding of the chosen topic Several chapters simply provide studies of key topics at academic depth To further aid readers the anthology provides an extensive glossary appendices charts and an index

Newbegin,2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance **A Divine**
