J. Ganser, 2005-10-06 Sister Water **Revenge of the Dragon Lady** John M. Bushby, 2016-08-21 In 1938 the tropical waters of the South China Sea and its myriad of islands are unknown to most Americans All the while Tokyo's militarists are working on how to seize those isolated atolls from which to launch their nation's aggression against the American held Philippines Reports of clandestine naval activity in those waters have reached Washington and US Navy flier Jack French is sent to the islands to investigate From the moment he steps aboard the China Clipper bound for Manila he is thrust into a world of danger and intrigue Who is more dangerous to him traitors Japanese spies German agents or the elusive Dragon Lady the queen of Philippine crime Long before Pearl Harbor French is engaged in battle as he searches from island to island to uncover a conspiracy intended to bring war to this tropical paradise StoryCraft Martha Seif Simpson, Lynne Perrigo, 2015-11-17 While storytelling is a great favorite of preschoolers many elementary age children are more drawn to crafts and other activities StoryCraft is an award winning library program that combines storytelling with crafts in an exciting and engaging activity for children in first through third grades Each one hour program includes storytelling a craft movement activities music and discussion This collection of StoryCraft programs presents 50 fun and educational theme based sessions Each includes suggestions for promotion music crafts activities and stories The sessions also include bibliographies to help direct young readers toward additional reading as well as diagrams detailed instructions and supply lists for the crafts The themes range from a Jungle Safari to Math Mayhem to a Western Roundup all encouraging children to enjoy reading in a variety of ways Each session has plenty of suggestions so that the program can be customized Helpful Hints for implementing the program can help any librarian volunteer or parent turn a ho hum storytime into a dazzling StoryCraft time **The San Francisco Mime Troupe Reader** Susan Vaneta Mason, 2013-07-03 The San Francisco Mime Troupe Reader is a long overdue collection of some of the finest political satires created and produced by the Tony Award winning company during the last forty years It is also a history of the company that was the theater of the counterculture movement in the 1960s and that against all odds has managed to survive the often hostile economic climate for the arts in the United States The plays selected are diverse representing some of the Troupe's finest shows and the book's illustrations capture some of the Troupe's most memorable moments These hilarious edgy and imaginative scripts are accompanied by

insightful commentary by theater historian and critic Susan Vaneta Mason who has been following the Troupe for more than three decades The Mime Troupe Reader will engage and entertain a wide range of audiences not only general readers but also those interested in the history of American social protest the counterculture of the 1960s particularly the San Francisco scene and the evolution of contemporary political theater It will also appeal to the legions of Troupe fans who return every year to see them stand up against another social or corporate Goliath Canonization of Gods and Tribulation of Devils Lian Hongwen,2020-04-13 Amongst the gods there was a saying that a deity had committed a murder a thousand years ago The massacre over a thousand years ago was in fact a struggle between human cultivators and animal cultivators After a thousand years there would be another contest However the contest from a thousand years ago was even more bitter Who would be the final victor in the battle between the Immortal Path s Ancestor and the Devil Realm s Ancestor This was heavenly tribulation Only a person with heavenly destiny could survive this He was born into the world **The New Kid at School** Kate McMullan,1999 In the first story Wiglaf is off to Dragon Slayers Academy and in for a first day of school he will never forget The second story tells about Wiglaf facing Seetha the Beast of the East to prove himself a hero The Lonely Soldier Helen Benedict,2010-04-01 The Lonely Soldier the inspiration for the documentary The Invisible War vividly tells the stories of five women who fought in Iraq between 2003 and 2006 and of the challenges they faced while fighting a war painfully alone More American women have fought and died in Iraq than in any war since World War Two yet as soldiers they are still painfully alone In Iraq only one in ten troops is a woman and she often serves in a unit with few other women or none at all This isolation along with the military s deep seated hostility toward women causes problems that many female soldiers find as hard to cope with as war itself degradation sexual persecution by their comrades and loneliness instead of the camaraderie that every soldier depends on for comfort and survival As one female soldier said I ended up waging my own war against an enemy dressed in the same uniform as mine In The Lonely Soldier Benedict tells the stories of five women who fought in Iraq between 2003 and 2006 She follows them from their childhoods to their enlistments then takes them through their training to war and home again all the while setting the war s events in context We meet Jen white and from a working class town in the heartland who still shakes from her wartime traumas Abbie who rebelled against a household of liberal Democrats by enlisting in the National Guard Mickiela a Mexican American who grew up with a family entangled in L A gangs Terris an African American mother from D C whose childhood was torn by violence and Eli PaintedCrow who joined the military to follow Native American tradition and to escape a life of Faulknerian hardship Between these stories Benedict weaves those of the forty other Iraq War veterans she interviewed illuminating the complex issues of war and misogyny class race homophobia and post traumatic stress disorder Each of these stories is unique yet collectively they add up to a heartbreaking picture of the sacrifices women soldiers are making for this country Benedict ends by showing how these women came to face the truth of war and by offering suggestions for how the military can improve conditions for female

soldiers including distributing women more evenly throughout units and rejecting male recruits with records of violence against women Humanizing urgent and powerful *The Lonely Soldier* is a clarion call for change *A Bibliography of Modern Arthuriana (1500-2000)* Ann F. Women Vigilantes and Outlaws in American Popular Media Gregory Bray, Andrew J. Ball, 2025-08-14 This interdisciplinary collection of essays examines how women vigilantes, social bandits, outlaws, and anti-heroines were represented in American novels, movie serials, radio dramas, films, comics, and pulp fiction from the post-Civil War era through World War II. Demonstrating a broad spectrum of methodological and critical approaches, the book includes essays from seasoned as well as emerging scholars. The collected essays fill a gap in present popular culture studies and intersect with outlaw studies, gender studies, feminism, historical studies, and media archaeology, along with citizenship and national identity. The volume also considers how representations of women relate to matters of class, sexuality, and ethnicity. By analyzing female outlaws, both real and imagined, this study highlights the ways that these women have become symbols of justice and social transformation in American cultural memory. This book is an ideal resource for researchers and academics in popular culture studies, media studies, outlaw studies, comparative literature, and feminist studies, as well as historians who focus on media in the late nineteenth and early twentieth centuries.

Meanwhile... R.C. Harvey, 2007-07-12 The comprehensive biography of one of the 20th century's most influential cartoonists, the legendary creator of *Steve Canyon* and *Terry and the Pirates*. This book analyzes his storytelling techniques, examines his artistic innovations, and work routines, and serves as a history of the medium. Milton Caniff was one of the most influential American cartoonists of the 20th century. He rose to prominence during World War II when he took the characters in his *Terry and the Pirates* strip into the war. The trenchant, pragmatic patriotism of the strip warmed hearts and steeled nerves on the home front as well as the battlefield. One of his strips was read into the Congressional Record. He went on to create *Steve Canyon*, which was syndicated from 1947 to Caniff's death in 1988. *Meanwhile* traces Caniff's life from the cradle to the grave, examining the artistic innovations and work routines of a nationally distributed cartoonist whose career was central to the development of the art form and marking the milestones in the development of the comic strip that Caniff established. Caniff reshaped the medium and set standards by which all storytelling strips were subsequently judged. He created many colorful characters, including the stalwart Pat Ryan from *Terry and the Pirates*, Burma, the shady lady, and most memorable of all, the Dragon Lady, a beautiful but mysteriously menacing pirate queen who turned Chinese patriot during the War. While *Meanwhile* provides a biography of Caniff and analyzes his storytelling techniques, it also serves as a history of the medium and reveals the inner workings of the syndicate business at which Caniff was as expert as he was at cartooning. The book charts Caniff's rise to fame and fortune, then recounts the decline of his strip. *Steve Canyon*'s popularity, whose protagonist served as an unofficial spokesman for the U.S. Air Force from the Korean War until the end of the strip in 1988.
