Revenge Of The Tiger:

The Tiger's Revenge Evan Morris, 2025-08-28 Since the end of the Second World War the audacious Operation Jaywick has remained little known amongst the public or military in the United Kingdom It was an incredible endeavour executed by British and Australian service personnel The deepest surface waterborne penetration behind enemy occupied lines undertaken by special forces of WW2 This hand picked band of men would achieve what some thought to be impossible a major strike at the very heart of the Japanese in their newly acquired Empire in South East Asia This story ranks and deserves the same acknowledgement as exploits such as the Dambusters or the Cockleshell Heroes In the words of British Generals and US Admirals and Commanders it achieved what everyone thought was impossible without loss and with the minimum expenditure of resources A terrible twist in the tale is that by not using the success of the mission as a propaganda victory as had been intended by Jaywick's commanders a terrible price was paid by local Singaporeans who were scapegoated by the Japanese Secret Police This is perhaps the reason that Operation Jaywick was never hailed with the success it truly deserved The highly effective delivery of Operation Jaywick gave a green light to an even more ambitious endeavour from which no British or Australian personnel would survive many being executed beheaded by their Japanese captors *The Tiger's Revenge* is the story told by the son of a special forces crew member who was the only post WW2 British survivor of Operation Jaywick

The German Way of War on the Eastern Front, 1943-1945 Jaap Jan

Brouwer, 2024-11-30 Early 1943 marked a turning point in the battle on the Eastern Front After the devastating defeat at Stalingrad the German army was no longer able to take the initiative and control the battle In the following years despite tactical victories the German army would be gradually pushed back until Soviet units eventually reached Berlin and captured the Reichstag In the meantime both enemies had learned a great deal and new weapons were rapidly introduced onto the battlefield On 8 May 1945 this bloody confrontation between the two giants ended in the unconditional surrender of Germany and a new geopolitical equilibrium was created This titanic battle is illustrated with witness accounts from generals soldiers and civilians Attention is not only paid to the course of the battle but also to the tactics and organizational dimensions of the armies involved the challenges of the vastness of the country the dilemmas for civilians caught between the fighting parties and the flight of millions of Germans to the West in an attempt to escape from the atrocities of the Soviet army The book also considers the role of the Reichsbahn in the field of logistics and the importance of the innovation and production capacity of both armies It also pays attention to the origins of the Cold War that was to follow this confrontation and which would last until 1989

The Caribbean Story Finder Sharon Barcan Elswit, 2017-09-11 The Caribbean islands have a vibrant oral folklore In Jamaica the clever spider Anansi who outsmarts stronger animals is a symbol of triumph by the weak over the powerful The fables of the foolish Juan Bobo who tries to bring milk home in a burlap bag illustrate facets of traditional Puerto Rican life Conflict over status identity and power is a recurring theme in a story from Trinidad a young bull raised by

his mother in secret challenges his tyrannical father who has killed all the other males in the herd One in a series of folklore reference guides by the author this volume shares summaries of 438 tales some in danger of disappearing retold in English and Creole from West African European and slave indigenous cultures in 24 countries and territories Tales are grouped in themed sections with a detailed subject index and extensive links to online sources English Class 12 Bihar Board Jay Bansal ,Kanika Agarwal,2025-04-09

For centuries reports of man eating tigers in Indonesia Malaysia and Singapore have circulated shrouded in myth and anecdote This fascinating book documents the big cat human relationship in this area during its 350 year colonial period re creating a world in which people feared tigers but often came into contact with them because these fierce predators prefer habitats created by human interference Peter Boomgaard shows how people and tigers adapted to each other s behavior each transmitting this learning from one

generation to the next He discusses the origins of stories and rituals about tigers and explains how cultural biases of Europeans and class differences among indigenous populations affected attitudes toward the tigers He provides figures on their populations in different eras and analyzes the factors contributing to their present status as an endangered species Interweaving stories about Malay kings colonial rulers tiger charmers and bounty hunters with facts about tigers and their way of life the book is an engrossing combination of environmental and micro history

Princess' Personal Powerful Soldier Mo JianShaoYe,2020-06-24 Qin Shaohu the king of all the special forces in the world had secretly retired and returned to Hidden City He only wanted to live an ordinary life but his peach blossoms were flourishing He was like a fish in water yet his love rival attacked him valiantly It was the dragon that would soar through the nine heavens From then on he had the mountains on his left hand and the beauties on his right hand He would kill in all four directions Many years later with a cigar in his mouth he asked the group of brothers behind him who else would dare call themselves characters apart from his brother *The Magic Pot* Ishmael Odeen Ishmael,Odeen Ishmael,2010 This book comprises a collection of popular folk stories from Guyana and other countries of the Caribbean region The starring character in all of them is Nansi whose exploits form part of the folklore of these countries Nansi the starring character in all the stories is also popularly known as Anansi But in Guyana and some other Caribbean countries Nansi the shortened form of this name is usually preferred Nansi who is a spider but who sometimes takes the qualities or form of a man or even half man and half spider is originally the chief trickster among the Ashanti and Akan peoples of West Africa When some of these peoples were forcibly brought to the Caribbean and the American continent as slaves from the sixteenth to the nineteenth centuries they also brought with them the tales of the exploits of Nansi who was and still is variably regarded as a folk hero a cunning trickster and also sometimes as a fool The stories in this book are no different to the ones told in West Africa or other parts of the Caribbean and the south east United States even though the plots and the characters involved may vary

slightly They certainly provide tangible evidence that much of the oral traditions of people of African origin in the Americas remain intact despite the historical trauma caused by centuries of slavery Nansi is always outwitting the forest creatures humans his own family the community in which he lives and sometimes even deities His character assumes various patterns In some cases he is regarded as wise but he can be greedy cunning gluttonous stupid and dishonest Despite these varying characteristics Nansi is generally admired for the manner in which he outwits others In Guyana and other countries of the English speaking Caribbean particularly in rural areas the exploits of Nansi are related by older people as a form of entertainment at wakes and other community gatherings The stories are now no longer exclusive to people of West African ancestry since people of all ethnic origins in the these countries regard Nansi as their folk hero as well Interestingly all stories told at these informal community gatherings are regarded as Nansi stories even though Nansi may not be a character in any of them The tales of Nansi are very imaginative and they are so embedded in the minds of people of Guyana and the Caribbean that sometimes any story that is far fetched and hard to believe is dismissed as a Nansi story
