Revision of Justice John Morgan Wilson, 1997 A screenwriter is murdered during a Hollywood party for homosexual writers Gay reporter Benjamin Justice hunts for the killer A look at the milieu **The Gay Detective Novel** Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes *The Limits of Justice* John Morgan Wilson, 2001 From the Edgar Award Winning author of *Justice at Risk* For ex reporter Benjamin Justice life has hit rock bottom HIV positive no job no hope no future Then a young woman comes to his door with a handsome job offer to ghostwrite a payback book Someone has written a bio attacking her father the late Rod Preston a onetime Hollywood hunk Rod was not all he seemed on the big screen or so says the sleazy bio The actor is linked to a shadowy world of powerful men sinister perversion and blood chilling crimes so shocking they give Justice a reason to fight the good fight once again But no sooner has Justice cashed his advance check than Rod s loyal daughter unexpectedly turns up dead in her bedroom a needle in her arm The authorities rule her death a suicide but Justice knows there s more to the story Armed only with rumor and circumstantial evidence Justice goes looking for the truth and discovers that the secrets he seeks lie hidden behind a web of deadly games and unspeakable depravity To uncover them Justice may have to risk not just his life but his soul **Library Journal** , 1997 Blind Eye John Morgan Wilson, 2004-11-13 Benjamin Justice a disgraced journalist in his mid forties is slowly putting his life back together Under contract to write his tumultuous life story Justice is trying to put all the elements of his life into perspective for the first time When trying to locate his childhood priest however he runs into a bureaucratic stone wall Then his best friend s fiancée a *Los Angeles Times* columnist is killed in a tragic and suspicious hit and run accident shortly after trying to aid Justice in his search Reluctant at first Justice soon finds himself in the midst of a complex case involving a decades old child

Sotiropoulos,2019-03-13 A Materialist Theory of Justice offers an innovative re reading of justice that draws from diverse theoretical currents tracing in the process an age old tradition of critical thought Raising the banner of materialism against idealist conceptions justice is conceived as a multiple process which emerges in the dynamic reproduction and interaction of material bodies Mapping out its presence on non human fields justice is then shown to attain in human beings the status of a contentious problem and a productive desire which is related to the pursuit of a good life and is also determinative of human history The theorization enlarges the scope of the notion by incorporating a wide spectrum of phenomena from animal forms of sociality and activity to revolution empire civil war up to and including the riots that spread out in the world today In this way the book also manages to extend beyond the disciplinary boundaries of normative political theory within which theories of justice are usually logged and enter a productive discussion with various currents of critical thought      *Novel and Short*

Otfried Höffe is one of the foremost political philosophers in Europe today In this major work already a classic in continental Europe he re examines philosophical discourse on justice from Classical Greece to the present day Höffe confronts what he sees as the two major challenges to any theory of justice the legal positivist claim that there are no standards of justice external to legal systems and the anarchist claim that justice demands the rejection and abolition of all legal and state systems Höffe sets out to continue the philosophical project of modernity the legitimation of human rights and their guarantee by the state while at the same time rehabilitating the classical theory of political justice represented by Plato and Aristotle He questions the success of the positivists in avoiding extra legal normative claims and casts doubt on the plausibility of their criticism of the Natural Law tradition Most anarchists he argues rely on an uncritical assumption that social institutions other than states and legal orders do not coerce In Höffe's view some coercion is unavoidable and the grounds for its justification must be examined Principles of justice will be those principles which define fundamental rights and which must be enforced if rights are to be respected      *Detecting Canada* Jeannette Sloniowski,Marilyn

Rose,2014-03-25 The first serious book length study of crime writing in Canada Detecting Canada contains thirteen essays on many of Canada s most popular crime writers including Peter Robinson Giles Blunt Gail Bowen Thomas King Michael Slade Margaret Atwood and Anthony Bidulka Genres examined range from the well loved police procedural and the amateur sleuth to those less well known such as anti detection and contemporary noir novels The book looks critically at the esteemed sixties television show Wojeck as well as the more recent series Da Vinci s Inquest Da Vinci s City Hall and Intelligence and the controversial Durham County a critically acclaimed but violent television series that ran successfully in both Canada and the United States The essays in Detecting Canada look at texts from a variety of perspectives including postcolonial studies gender and queer studies feminist studies Indigenous studies and critical race and class studies Crime fiction enjoyed by so many around the world speaks to all of us about justice citizenship and important social issues in an uncertain world
