Digital Flux, Linguistic Justice and Minoritized Languages Covadonga Lamar Prieto, Álvaro González Alba, 2024-04-22 The concept of linguistic justice as applied to minoritized languages sheds light upon the way in which minoritized communities conduct their lives in less than optimal environments Precisely for that reason the theoretical framework for the study of minoritized languages has been constructed from different areas of knowledge creating a situation in which language is just one of the elements This

collection of essays proposes to recover the centrality of bilingualism biculturalism and bidialectalism in the understanding of the different social cultural and political processes of historical and contemporary language justice It provides relevant theoretical and practical frameworks on the latest studies in linguistic justice as applied to minoritized languages and linguistic varieties such as Korean in Los Angeles USA Arabic in Spain or N huat in Central America Analyzing the acquisition maintenance and attrition of these languages both in digital and physical environments the volume contributes to expanding our knowledge of the sociolinguistic educational political and social realities that occur in minoritized languages

Research Libraries,1979 *Linking Clauses and Actions in Social Interaction* Ritva Laury,Marja Etelämäki,Elizabeth Couper-Kuhlen,2017-07-07 This volume concerns the ways in which verbal and non verbal actions are combined and linked in a range of contexts in everyday conversation in institutional contexts and in written journalism The volume includes an introduction which besides presenting the content of the articles discusses terminological fundamentals such as the understanding of the terms clause action and linkage and combining in different grammatical traditions and the ways they are conceived of here as well as open questions collectively formulated by the contributors in planning for the volume concerning the recognition emergence and distance of linkage and the ways these questions are addressed in the contributions to the volume Topics treated in the articles include combining physical actions and verbal announcements in everyday conversation linking of verbal and nonverbal actions as well as verbal linkages between nonverbal actions by dance teachers building pedagogical activity Other topics concern the mediation of questions through informal translating in multilingual conversation in order to organize participation and the ways in which student requests for clarification and confirmation create learning occasions in a foreign language classroom Still other articles concern the on line emergence of alternative questions with the Finnish particle vai or delayed completions of unfinished turns the transforming of requests and offers into joint ventures and the ways in which direct quotations are created in written journalism from the original talk in the spoken interview Most of the papers employ Conversation Analysis and Interactional Linguistics as a theoretical framework The languages used as data are Finnish English Estonian French Brazilian Portuguese and Swedish A
Bibliography on Writing and Written Language Konrad Ehlich,Florian Coulmas,Gabriele Graefen,2011-06-01 The bibliography offers information on research about writing and written language over the past 50 years No comprehensive bibliography on this subject has been published since Sattler s 1935 handbook With a selection of some 27 500 titles it covers the most important literature in all scientific fields relating to writing Emphasis has been placed on the interdisciplinary organization of the bibliography creating many points of common interest for literacy experts educationalists psychologists sociologists linguists cultural anthropologists and historians The bibliography is organized in such a way as to provide the specialist as well as the researcher in neighboring disciplines with access to the relevant literature on writing in a given field

While necessarily selective it also offers information on more specialized bibliographies In addition an overview of norms and standards concerning script and writing will prove very useful for non professional readers It is therefore also of interest to the generally interested public as a reference work for the humanities *Policy, Media, and the Shaping of Spain-Morocco Relations* Farah Ali,2024-07-20 This book uses sociolinguistic approaches to explore how media discourse on undocumented migration informs Morocco Spain political relations Historically much of the contact between these two nations has been through conquest first through the Umayyad Caliphate taking control of the Iberian Peninsula then called Hispania in the 8th century and then through Spain s occupation of northern Morocco in the 20th century Though these historical roots have undoubtedly played a role in shaping present day Morocco Spain relations migration has also become another critical element as the majority of legally authorized migration to Spain comes from Morocco Additionally Morocco serves as a sojourn for much of the undocumented migration to the Spanish autonomous cities of Ceuta and Melilla both of which are enclaves in Morocco and common entry points for North African and Sub Saharan African immigrants Migration to Ceuta and Melilla has therefore become a flashpoint for anti immigration attitudes that are frequently perpetuated in political and media discourse The author uses these cities as a case study situating them within the wider context of both immigration related policies and news articles in order to examine how migration is represented in Spain and Morocco The book connects media discourse with policy discourse and addresses how these mediums 1 co construct anti immigration and xenophobic ideologies and 2 shape and are shaped by the somewhat strained relations between Spain and Morocco This book will be of interest to students and scholars of Discourse Analysis Sociolinguistics Migration Studies and Migration Policy Media Studies and Political Communication **Inclusiveness Beyond the (Non)binary in Romance Languages** Gláucia V.

Silva,Cristiane Soares,2024-04-10 *Inclusiveness Beyond the Non binary in Romance Languages Research and Classroom Implementation* explores both research and best practices related to inclusive language so that all students regardless of gender identity may be active participants in their language learning communities Given the binary nature of Romance language grammars it is essential that scholarly inquiry into issues related to non binarism be further developed and become more visible and this volume aims to embed the issue of linguistic inclusivity within broader conversations surrounding social justice to ensure that conversations do not stop with mere linguistic changes The book is divided into two parts the first focuses on research related to inclusive and nonbinary forms in Romance languages while the second highlights teaching practices and encompasses inclusive approaches that go beyond the nonbinary Although the volume focuses on Romance languages most if not all of the content is applicable to other linguistic contexts This volume also goes beyond issues of gender inclusivity and includes content that leads to a reflection on issues of equity and social justice more broadly This edited volume is a resource for scholars whose research focuses on inclusive language and for educators who are interested in learning more about why and how to foster inclusiveness in their language classrooms and in their workplaces

African Migrations Ruth Breeze, Sarali Gintsburg, 2023-11-16 For centuries the people of Africa have been on the move seeking new opportunities fleeing from dangers or tragically uprooted through human greed and cruelty In the twenty first century with over 40 million people migrating from and within Africa each year it is clear that migration still has a significant impact on every aspect of African life For this reason Sarali Gintsburg and Ruth Breeze in their new book *African Migrations Traversing Hybrid Landscapes* explore the hybrid landscapes of African migration and provide new insights into the complexity of migratory movements and migrant experiences associated with the African continent Taking the view that the only ecologically valid way to understand migration is by looking at it through the eyes of the migrants themselves the authors draw on a wide spectrum of first hand evidence from a multitude of sources including testimonies media artefacts workplace experiences interviews and ethnographic observations The contributors reflect on a wide array of themes linked to the African context such as diasporic mapping of landscapes hybridity heterotopia m tissage cultural mixing and complementation This book presents the African continent not only in its cultural diversity but also to cover the complex and wide trajectories of migrations to from and within Africa

Constructing Families of Constructions Francisco José Ruiz de Mendoza Ibáñez, Alba Luzondo Oyón, Paula Pérez Sobrino, 2017-07-26 Within Construction Grammar this volume moves away from a compartmentalized view of constructions with the aim of providing a more holistic description of grammar Thus the book brings together analyses that look at constructional families within the constructicon of such languages as English Spanish

German Polish Croatian and Hungarian Part 1 focuses on how different analytical perspectives may be applied to comparable and or connected constructions with a view to enhancing our understanding of their similarities differences and relations Part 2 contributes to the state of the art in Construction Grammar in three ways i by reconciling aspects of various constructionist analyses ii by determining to what extent competing constructionist perspectives can offer more adequate approaches to specific analytical needs and iii by challenging central assumptions within Construction Grammar This book is expected to encourage further research into the anatomy of constructional families and their interrelations in all domains of constructional organization **National Union Catalog** ,1979 Includes entries for maps and atlases *Linguistics and Language Behavior Abstracts* ,2009 *The Serials Directory* ,1987 **Catalogue of the Library** Hispanic Society of America. The Top Books of the Year Revista Espanola De Linguistica 1 Magazine Of Spanish Linguistics 1 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Revista Espanola De Linguistica 1 Magazine Of Spanish Linguistics 1 : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Revista Espanola De Linguistica 1 Magazine Of Spanish Linguistics 1 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
