Torrey, 2017-10-12 Excerpt from *Revival Addresses* The fool hath said in his heart There is no God Psalm xiv L I have taken or rather God has given me for my text to night a very short one I do not think you ever heard a sermon from a shorter text I will not tell you where to find the text It occurs several hundred times in the Bible Indeed open your Bible at random almost anywhere and you will find my text somewhere on the page It consists of but one word but it would take all eternity to exhaust its meaning and then it will not be exhausted It is God a word the height and depth and length and breadth of whose meaning no philosopher has ever fully apprehended About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Revival Addresses** Reuben Archer Torrey, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1903 edition Excerpt the poor and the outcast One afternoon this girl had been visiting in Milton Avenue and Townsend Street two of the poorest streets of Chicago After a time she became very tired with climbing up and down the stairs and going in and out of the filthy homes and instead of returning to the Institute she walked on in a very rebellious frame of mind and went down to the Lake Shore Drive the finest avenue in Chicago along the shore of the lake As she passed by those magnificent mansions there she looked up at them with an eye that danced with pleasure and said This is what I like I have had enough of Milton Avenue I have had enough of climbing stairs and going into tenements This is what I like and this is what I am going to have She came back to the Institute and went straight to her room still in a very bitter and rebellious frame of mind The tea bell rang before the battle was over and she went to the table and took her place and sat down and there at the tea table the fire of God fell right where that girl was sitting She sprang from her seat and rushed over to a friend at another table and threw her arms around her and exclaimed I am a volunteer for Africa and the fire of God in a moment burned and burned and burned until that young woman was so changed her actions were so changed her views of life her tastes her ambitions her very face was so changed in a moment that when her old friends saw her and heard her they could hardly believe their own eyes and ears Later on she went back to that same school down in Massachusetts where she had been such a hindrance and with burning words poured out her heart to the girls there and with mighty power led them to the Lamb of God which taketh away the REVIVAL Addresses R. Understanding Revival and Addressing the Issues It Provokes Mathew Backholer, 2018-02-05 Updated in 2020

Understanding Revival and Addressing the Issues It Provokes guides us through centuries of God's Divine visitations and reveals what we can expect to see as God rends the heavens and pours out His Spirit Read about revivals from the Bible and Church history Divine paradoxes and times of solemn commotion revived Christians saved communities churches on fire and transformed nations What happens in true heaven sent revival The theology and practical application of revival The workings of Holy Spirit during times of revivals How to discern between God's dynamics and the demonic How to handle those in the flesh warnings from Scripture The Devil as an infiltrator and imitator and how to stand firm How to deal with physical phenomena and manifestations Learning the lessons from past revivals and awakenings The purpose of revival merchandise and memorabilia The dangers joys and diversities of genuine revivals Why we need revival and how we can see it Through the use of Scripture and church history

Understanding Revival reveals how we can intelligently cooperate with the Holy Spirit during times of revivals and awakenings and not reject His workings due to religious affections physical phenomena or manifestations and that we may not be caught unaware of the tactics of the enemy

State of the Kingdom Address David G Newby, 2017-12-13

Every year since 1790 during the presidency of George Washington the President of the United States has given an annual speech to the nation That speech is known as The State of the Union Address In it he discusses the greatest problems of the nation as well as a plan to overcome them The president's speech is one that unifies the nation and encourages citizens to work together to improve the country as one people regardless of party association or general beliefs and convictions The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties life and opportunity that the United States has to offer This is a noble cause and makes the State of the Union Address more than simply a speech It is a bond that brings people together under the red white and blue Accordingly millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks Undoubtedly the State of the Union is an important event The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it Countries all around the world are affected by the legislative agenda of the U S as discussed in the speech regarding economies human rights defense human aid global business trade environmental issues world health and more Given the value placed on the State of the Union one should reasonably conclude that a state of the world address is in order After all doesn't SOTU generally speaking

focus mostly on the well being of the United States Of course it does Now what seems more appropriate is to have a general address concerning the physical but even moreso the spiritual state of every nation in the world That s to say that spiritual life reigns supreme and every nation is under God both in spirit and in flesh God s Kingdom Government rules all other kingdoms And that is the premise behind the State of the Kingdom Address SOKA SOKA is a parody of SOTU In a sense it is intended to awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God s Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God s Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride of your life Enter Chapter One Behold I Come Quickly if you dare *Revival Addresses* R. Torrey, 2014-07-13 Reuben Archer Torrey is one of the great American writers of the evangelist movement of the 20th century His work as a pastor and educator has shaped our understanding of the fundamentals of the Christian faith Graduating from Yale with further studies at Leipzig University and Erlangen University it is no wonder why this great orator has become one of the most read of all Christians authors **The Publishers' Trade List Annual** ,1904 Who's who in America ,1924 **Who's who in Pennsylvania** ,1908 *Christian Thought* ,1907 Popular Lectures and Addresses Alexander Campbell, 1863 Who's who Among North American Authors ,1925 God Seekers Richard H. Schmidt, 2008 **God's Ambassadors** E. Brooks Holifield, 2007-09-25 In *God s Ambassadors* E Brooks Holifield masterfully traces the history of America s Christian clergy from the seventeenth to the twenty first century analyzing the changes in practice and authority that have transformed the clerical profession Challenging one sided depictions of decline in clerical authority Holifield locates the complex story of the clergy within the context not only of changing theologies but also of transitions in American culture and society The result is a thorough social history of the profession that also takes seriously the theological presuppositions that have informed clerical activity With alternating chapters on Protestant and Catholic clergy the book permits sustained comparisons between the two dominant Christian traditions in American history At the same time *God s Ambassadors* depicts a vocation that has remained deeply ambivalent regarding the professional status marking the other traditional learned callings in the American workplace Changing expectations about clerical education as well as enduring theological questions have engendered a debate about the professional ideal that has distinguished the clerical vocation from such fields as law and medicine The American clergy from the past four centuries constitute a colorful diverse cast of characters who have in ways both obvious

and obscure helped to shape the tone of American culture For a well rounded narrative of their story told by a master historian God s Ambassadors is the book to read **How to Succeed in the Christian Life** Reuben Archer Torrey,1906
Entering into the Christian life is often a difficult bewildering experience for the new believer Many common problems temptations and questions need the seasoned counsel and guidance of a mature Christian R A Torrey fills this need in How to Succeed in the Christian Life Practical simple answers are provided in chapters dealing with assurance the Holy Spirit difficulties in the Bible church membership persecution Bible study prayer and foreign missions Illustrations from the rich varied life of the author lend interest to the sound biblical advice in these pages Essential instruction for vital spiritual growth presented in clear concise form Back cover *The Disruption of Evangelicalism* Geoffrey Treloar,2016-12-15 The Disruption of Evangelicalism is the first comprehensive account of the evangelical tradition across the English speaking world from the end of the nineteenth to the mid twentieth century It offers fresh perspectives on conversionism and the life of faith biblical and theological perspectives social engagement and mission Tracing these trajectories through a period of great turbulence in world history we see the deepening of an evangelical diversity And as events unfold we notice the spectrum of evangelicalism fragments in varied and often competing strands Dividing the era into two phases before 1914 and after 1918 draws out the impact of the Great War of 1914 18 as evangelicals renegotiated their identity in the modern world By accenting his account with the careers of selected key figures Geoffrey Treloar illustrates the very different responses of evangelicals to the demands of a critical and transitional period The Disruption of Evangelicalism sets out a case that deserves the attention of both professional and arm chair historians
