Feldman, 2015-11-27 No detailed description available for Josephus and Modern Scholarship 1937 1980 **The Roots and Consequences of Independence Wars** Spencer C. Tucker, 2018-03-01 This book covers 26 independence wars that have irrevocably changed the world beginning with the Maccabean Revolt against Rome 167 160 BCE and ending with the Tamil War for Independence in Sri Lanka 1983 2009 Throughout history people longing for independence have fought wars to win their freedom Some of these wars such as the American Revolution and the Israeli War of Independence were great successes Others such as the Jewish Revolt against the Roman Empire were devastating failures In some cases most notably the Arab Revolt the outcome had immense repercussions that are still felt today all over the world This book examines 26 of the most significant independence wars from ancient times to the modern era and identifies the origins and consequences of these key conflicts Comprehensive overview essays as well as explanations of the causes and consequences of each war give readers the background needed to understand the importance of these seminal events Additional learning tools include detailed timelines that contextualize all of the key events in the conflict maps of several of the key battles that help readers visualize the strategies of both sides and a lengthy bibliography that offers a wealth of options for students looking to further investigate any of the conflicts **Jewish Martyrs in the Pagan and Christian Worlds** Shmuel Shepkaru, 2006 This book presents a linear history of Jewish martyrdom from the Hellenistic period to the high Middle Ages Following the chronology of sources the study challenges the general consensus that martyrdom was an original Hellenistic Jewish idea Instead Jews like Philo and Josephus internalized the idealized Roman concept of voluntary death and presented it as an old Jewish practice The centrality of self sacrifice in Christianity further stimulated the development of rabbinic martyrology and the talmudic guidelines for passive martyrdom However when forced to choose between death and conversion in medieval Christendom Ashkenazic Jews went beyond these guidelines sacrificing themselves and loved ones Through death not only did they attempt to prove their religiosity but also to disprove the religious legitimacy of their Christian persecutors While martyrs and martyrologies intended to show how Judaism differed from Christianity they in fact reveal a common mindset **Middle East and Africa** Trudy Ring, Noelle Watson, Paul
