New Ways to Kill Your Mother Colm Toibin, 2012-06-12 Novelist and critic Colm T ib n provides a fascinating exploration of writers and their families Entertainment Weekly and an excellent guide through the dark terrain of unconscious desires The Evening Standard in this brilliant collection of essays that explore the relationships of writers to their families and their work Colm T ib n celebrated both for his award winning fiction and his provocative book reviews and essays traces the intriguing often twisted family ties of writers in the books they leave behind Through the relationship between W B Yeats and his father Thomas Mann and his children Jane Austen and her aunts and Tennessee Williams and his sister T ib n examines a world of relations richly comic or savage in their implications Acutely perceptive and imbued with rare tenderness and wit New Ways to Kill Your Mother is a fascinating look at writers most influential bonds and a secret key to understanding and enjoying their work **The Abbey Theatre Series**, 1908 **Rory & Ita** Roddy Doyle, 2003 *The Bicycle Thief and the German Wife* Paul Martin, 2019-05-28 Can the enigma of Italy ever be understood especially by a foreigner How can the complex war experiences of even one Italian family ever be told On the birth of his eldest child in a medieval hillside town in central Italy in 2007 Irishman Paul Martin first heard a troubling two lines about his Italian family His wife s grandfather Bruno had been denied his war pension because it was suspected he had sided with Mussolini s extremist Sal Republic after the 1943 Armistice How could more be learnt if Bruno had been killed in 1956 and his wife Babi would never discuss the war up to her death in 2015 aged almost 100 Was this suspicion linked to Bruno s remarkable though undocumented journey home on a stolen bicycle after liberation from a German prison in 1945 Or had it something to do with Babi s origins in Alto Adige the German speaking region of northern Italy And why had Bruno s father Oronzo attempted suicide immediately after the war In the decade after 2008 as Europe faced into the seething consequences of the global crash Paul would unravel this complex family and unexpectedly national story In conversations with remaining members of the war generation this tale would wind through the former Austro Hungarian empire to a Jewish internment camp in the Marche to Italy s disastrous Albanian campaign to vile wars in Russia and the Balkans to a prison in East Prussia and a forced labour factory near Leipzig to an impoverished and troubled post war Ancona before arriving at its conclusion in today s Italy Faced with the unrelenting question of what is the truth of history this intriguing story ultimately uncovers some of the buried past and deep humanity of Italy s extraordinary people But above all it reveals the character of one Italian family and how rather than Bruno s suspected Fascist sympathies something far more nuanced and painful lay behind Babi s decades long dignified silence **Four Irish Rebel Plays** James Moran, 2007 Collects together for the first time plays written by the well known Irish nationalists Patrick Pearse Thomas MacDonagh James Connolly and Terence MacSwiney In the months before 1916 MacDonagh staged *When the Dawn is Come* and Pearse staged *The Master* both works were designed to persuade the Dublin populace to support the advanced nationalist cause At the same time MacSwiney staged his play *The*

Revolutionist in order to win the support of Redmondite nationalists in Cork At Liberty Hall only three weeks before taking part in the armed revolt of 1916 Connolly staged *Under Which Flag* to persuade socialists to join the rebellion The plays offer important insights into the rebels political and military thinking The introduction explains exactly how the plays influenced the Irish revolution between 1916 and 1921 and explores the theatrical influences that affected the rebels The context of the plays original staging and subsequent influence both inside and outside the playhouse is also covered The epilogue outlines the varying afterlives that the plays enjoyed once their authors were dead

Violent Truth Nola Marie, Truth is pain The truth I hide has left me nothing but rage and a need to hurt Until Truth personified by golden curls and innocent haunted eyes walks into my life and lies to me I know nothing about Verity except that she doesn't add up The lies uttered by that luscious mouth don't seem to matter though Because I can't rid myself of this all consuming need for her I try to push her away To make her flee But the more she runs the more I need to hold her close Truth is pain and I learn just how much when Verity reveals her truth to me When her captors drag her back to her gilded cage determined to destroy the beauty of her soul I will hunt them down and before I kill them I will show them what pain truly is No one will hurt my truth and live Previously released as *Preserving His Truth* WARNING This book is not for the faint of heart It will tear your heart out and stomp on it before putting it back together The characters are not perfect and the heroes are flawed If you're looking for sunshine and rainbows I suggest you try another book But if you want real emotion with a happily ever after then you've found your book

Mustaches and Mayhem: Charlie O's Three Time Champions Chip Greene, Greg Erion, Len Levin, Bill Nowlin, 2015-09-17 In modern baseball history only one team not named the New York Yankees has ever won three consecutive World Series That team was the Oakland Athletics who captured major league baseball's crown each year from 1972 through 1974 Led by such superstars as future Hall of Famers Reggie Jackson Catfish Hunter and Rollie Fingers in the final years before free agency and the movement of players from one team to another forever changed the game the Athletics were a largely homegrown aggregate of players who joined the organization when the team called Kansas City its home developed as teammates in the minor leagues and came of age together in Oakland But it was the way in which they did it that immortalized those teams For if the story of the Oakland Athletics championships is that of one of baseball's greatest teams it's also the story of enigmatic owner Charles O. Finley and how those players succeeded in spite of Finley's larger than life persona and meddlesome ways Indeed before the Yankees George Steinbrenner there was Charles Oscar Finley of the Athletics Featuring the contributions of 46 members of the Society for American Baseball Research SABR *Mustaches and Mayhem: Charlie O's Three Time Champions* shares the stories of each of the roster players on each of the A's championship
