I've become good friends with Travis a ridiculously handsome intimidatingly large former fighter pilot. He's unavailable in every sense of the word. Or at least that's what I think until we kiss in a moment of passion I never expected. And then suddenly leaving town doesn't seem like such a great plan. Pretending to be in love with Travis isn't hard and the cameras following us around for the week capture some footage that make it look it's not too hard for him either. But then an unresolved issue from Travis's past shows up at the resort and reminds me exactly why I don't date tall gorgeous men in the first place.

The Incredibly Stupid Adventures of the Incredibly Stupid Stuper Man! Patrick C. F. Wise, 2011-08-03 In a quite possibly not so distant future the universe is wreathed in utter chaos. An intergalactic tyrant by the name of King Brainiac seeking the ultimate power contained within the mythical Gem of the Universe attacks and destroys the peaceful planet Stupin home to the Stupinians, a people who are really REALLY stupid. In a ginormous twist of fate however a young Stupinian and his dog escape from the destruction with the Gem in tow. Landing on the planet Earth these new heroes Stuper Man and Stuper Dog dedicate themselves to defending the Gem from Brainiac and his evil forces. Little do they realize that there is much more to the story than they know: a sinister conspiracy, an ancient bloodline and a dark power so fearsome that it could engulf the entire universe and still have enough room for dessert. The Dumbbell Duo may not have much of it but through their trials they prove that knowledge has been, is and will always be the most powerful weapon that you can wield. The fate of the universe is in his hands, feel pity for the universe.
