Long Walk To Church A Contemporary History Of Russian Orthodoxy:

A Long Walk To Church Nathaniel Davis,1995 Ironically Hitler s invasion and Stalin s reaction to it rescued the church parishes reopened new clergy and bishops were consecrated a patriarch was elected and seminaries and convents were reinstituted

A Long Walk To Church Nathaniel Davis,2003-02-28 Making use of the formerly secret archives of the Soviet government interviews and first hand personal experiences Nathaniel Davis describes how the Russian Orthodox Church hung on the brink of institutional extinction twice in the past sixty five years In 1939 only a few score widely scattered priests were still functioning openly Ironically Hitler s invasion and Stalin s reaction to it rescued the church and parishes reopened new clergy and bishops were consecrated a patriarch was elected and seminaries and convents were reinstituted However after Stalin s death Khrushchev resumed the onslaught against religion Davis reveals that the erosion of church strength between 1948 and 1988 was greater than previously known and it was none too soon when the Soviet government changed policy in anticipation of the millennium of Russia s conversion to Christianity More recently the collapse of communism has created a mixture of dizzying opportunity and daunting trouble for Russian Orthodoxy The newly revised and updated edition addresses the tumultuous events of recent years including schisms in Ukraine Estonia and Moldova and confrontations between church traditionalists conservatives and reformers The author also covers battles against Greek Catholics Roman Catholics Protestant evangelists and pagans in the south and east the canonization of the last Czar the church s financial crisis and hard data on the slowing Russian orthodox recovery and growth Institutional rebuilding and moral leadership now beckon between promise and possibility

Russian Society and the Orthodox Church Zoe Knox,2004-06-02 Russian Society and the Orthodox Church examines the Russian Orthodox Church s social and political role and its relationship to civil society in post Communist Russia It shows how Orthodox prelates clergy and laity have shaped Russians attitudes towards religious and ideological pluralism which in turn have influenced the ways in which Russians understand civil society including those of its features pluralism and freedom of conscience that are essential for a functioning democracy It shows how the official church including the Moscow Patriarchate has impeded the development of civil society while on the other hand the non official church including nonconformist clergy and lay activists has promoted concepts central to civil society

Religion and the Cold War Philip Emil Muehlenbeck,2012 The influence of faith in the conflicts that defined the Cold War

Maximilian Voloshin's Poetic Legacy and the Post-Soviet Russian Identity M. Landa,2015-06-10 Famed and outspoken Russian poet Maximilian Voloshin s notoriety has grown steadily since his slow release from Soviet censorship For the first time Landa showcases his vast poetic contributions proving his words to be an overlooked solution both to the political and cultural turmoil engulfing the Soviet Union in the early twentieth century

The History of Christianity Jonathan Hill,2020-11-20 How did a group of scared peasants from a backwater of the Roman empire followers of an executed criminal form the largest religion on the planet The story of Christianity its

transformation from an illegal sect to the religion of emperors kings and presidents and its spread across the globe is an endlessly fascinating one The History of Christianity gives readers an overview of these extraordinary 2 000 years It is a history not only of how Christianity has changed the world but also of how the world has changed Christianity The first half of this volume is arranged mostly chronologically to create a single narrative from the age of exploration to the late twentieth century The second half describes the history of the church in the past hundred years or so with each chapter focusing on a different part of the world Boxed features throughout the volume highlight especially important figures or themes from each of these periods The History of Christianity The Age of Exploration to the Modern Day will be welcomed by all those wanting a lively and engaging presentation of the people events places and plain curiosities that have formed the Christian story

Under Caesar's Sword Daniel Philpott, Timothy Samuel Shah, 2018-03-15 The first systematic global study of how Christians respond to persecution presenting new research by leading scholars of global Christianity *Neighbourhood Perceptions of the Ukraine Crisis* Gerhard Besier, Katarzyna Stoklosa, 2016-11-03 Recent events in Ukraine and Russia and the subsequent incorporation of Crimea into the Russian state with the support of some circles of inhabitants of the peninsula have shown that the desire of people to belong to the Western part of Europe should not automatically be assumed Discussing different perceptions of the Ukrainian Russian war in neighbouring countries this book offers an analysis of the conflicts and issues connected with the shifting of the border regions of Russia and Ukraine to show how material and psychological borders are never completely stable ideas The contributors historians sociologists anthropologists and political scientists from across Europe use an interdisciplinary and comparative approach to explore the different national and transnational perceptions of a possible future role for Russia Varieties of Russian Activism Jeremy Morris, Andrei Semenov, Regina Smyth, 2023-04-04 Despite decades under Putin's rule it is too simplistic to assert that authoritarianism in Russia has eliminated activism especially in relation to everyday life Instead we must build an awareness of diverse efforts to mobilize citizens to better understand how activism is shaped by and in turn shapes the regime Varieties of Russian Activism focuses on a broad range of collective actions addressing issues from labor organizing to housing renovation religion electoral politics minority language rights and urban planning Contributors draw attention to significant forms of grassroots politics that have not received sufficient attention in scholarship or that deserve fresh examination The volume shows that Russians find novel ways to redress everyday problems and demand new services Together these essays interrogate what kinds of practices can be defined as activism in a fast changing politically volatile society An engaging collection Varieties of Russian Activism unites leading scholars in the common aim of approaching the embeddedness of civic activism in the conditions of everyday life connectedness and rising society state expectations *The Cambridge Companion to Orthodox Christian Theology* Mary B. Cunningham, Elizabeth Theokritoff, 2008-12-18 This Companion focuses on the way Orthodox theological tradition is understood and lived today
