Molly Guptill Manning

Longest Day By Cornelius Ryan:

The Longest Day Cornelius Ryan, 2010-02-16 The unparalleled classic work of history that recreates the battle that changed World War II the Allied invasion of Normandy The Longest Day is Cornelius Ryan's unsurpassed account of D Day a book that endures as a masterpiece of military history In this compelling tale of courage and heroism glory and tragedy Ryan painstakingly recreates the fateful hours that preceded and followed the massive invasion of Normandy to retell the story of an epic battle that would turn the tide against world fascism and free Europe from the grip of Nazi Germany This book first published in 1959 is a must for anyone who loves history as well as for anyone who wants to better understand how free nations prevailed at a time when darkness enshrouded the earth

Cornelius Ryan: The Longest Day (D-Day June 6, 1944), A Bridge Too Far (LOA #318) Cornelius Ryan, 2019-05-07 For the 75th anniversary of D Day a deluxe collector's edition gathering two gripping masterpieces of military history Library of America presents two of the best books ever written about World War II in a deluxe collector's edition featuring 88 pages of photographs full color endpaper maps rare archival material revealing how the books were written and a new introduction by Pulitzer Prize winning journalist and historian Rick Atkinson The Liberation Trilogy The Longest Day tells the story of the Allies greatest success the Normandy invasions of June 6 1944 Operation Overlord A Bridge Too Far recounts perhaps their greatest failure the catastrophic airborne invasion of Holland in September 1944 known as Operation Market Garden Together they reveal not only the twisting fortunes of war and the grand sweep and scale of the largest amphibious and airborne invasions ever mounted but also the very real human experience of combat the small but momentous individual acts that can change the course of history No one has told these stories more powerfully than Cornelius Ryan LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

The Longest Day, June 6, 1944 Cornelius Ryan, 1989
The Longest Day Cornelius Ryan, 1983-09-01 **D-Day in History and Memory** Michael Dolski, Sam Edwards, John Buckley, 2014-03-15 Over the past sixty five years the Allied invasion of Northwestern France in June 1944 known as D Day has come to stand as something more than a major battle The assault itself formed a vital component of Allied victory in the Second World War D Day developed into a sign and symbol as a word it carries with it a series of ideas and associations that have come to symbolize different things to different people and nations As such the commemorative activities linked to the battle offer a window for viewing the various belligerents in their postwar years This book examines the commonalities and differences in national collective memories of D Day Chapters cover the main forces on the day of battle including the United States Great Britain Canada France and Germany In addition a chapter on Russian memory of the invasion explores other

views of the battle The overall thrust of the book shows that memories of the past vary over time link to present day needs and also still have a clear national and cultural specificity These memories arise in a multitude of locations such as film books monuments anniversary celebrations and news media representations **Archives of Memory** Alice M. Hoffman,1990 Tell me about the war These words launched a ten year project in oral history by a husband and wife team Howard Hoffman fought in World War II from Cassino to the Elbe as a mortar crewman and a forward observer His war experiences are of intrinsic interest to readers who seek a foot soldier s view of those historic events But the principal purpose of this study was to explore the bounds of memory to gauge its accuracy and its stability over time and to determine the effects of various efforts to enhance it Alice Hoffman a historian initiated the study because she recognized the **The Longest Day** Cornelius Ryan,1977 **Rangers Lead the Way** Steven J. Zaloga,2011-12-20 In the early hours of D Day 1944 a group from the US Army 2nd Rangers Battalion were sent on one of the legendary raids of World War II The mission was to scale the cliffs overlooking Omaha beach and assault the German coastal artillery at Pointe du Hoc It was thought that only a raid could ensure that the guns would remain silent during the D Day landings But allied intelligence was wrong After climbing the cliffs under aggressive German fire and securing the battery site the Rangers discovered that the guns themselves were no longer there It was only due to the heroic actions of the Rangers involved that the guns were located in firing positions facing Utah beach and destroyed before they could be used In the first of a brand new series for Osprey this act of audacious daring is brought to life complete with illustrated artwork maps and rare German accounts Taking a more critical look at the story Steven Zaloga analyses every detail from the intelligence failings to the boldness of the Rangers in the face of such odds *The D-Day Visitor's Handbook* Kevin Dennehy,Stephen T. Powers,2019-04-30 The complete guide to visiting one of the most famous sites in the history of warfare just in time for the 75th anniversary of D Day The D Day Visitor s Handbook includes everything you need to know to plan and make your visit to the site of the biggest seaborne invasion in history Newly updated and revised in time for the 75th anniversary of the battle this compact guidebook not only describes the most significant land invasion of World War II but provides detailed battlefield maps and tours identifies monuments and attractions and locates museums and historical sites to make your planning easier and less stressful This guide provides everything you need ahead of your visit including Easy to follow maps and tours Where to stay dine and shop Lists of the best D Day museums How to find war relics still at the battlefield sites Historical context for each site including a description of military action there A special bonus guide to World War II history and sites in Paris The D Day Visitor s Handbook contains a wealth of detailed information that is perfect for those considering travelling to France anyone about to visit these sites veterans students of military history and any others who wish to learn about the history of this legendary battle *Reagan's "Boys" and the Children of the Greatest Generation* Jonathan M. Bullinger,2019-10-10 During the 1980s and 1990s aging Baby Boomer parents constructed a particular type of memory as they attempted to laud their own parents wartime

accomplishments with the label The Greatest Generation This book is the first to tell the entire story of this particular type of U S World War II memory begun by U S President Ronald Reagan in 1984 and promoted the same year by newscaster Tom Brokaw The story continues in 1994 when it was given academic credence by historian Stephen E Ambrose a sensory realism and ideal American character by director Steven Spielberg and actor Tom Hanks sloganized by Tom Brokaw in 1998 and later interpreted in light of 9 11 and new wars

The D-Day Visitor's Handbook, 80th Anniversary Edition Kevin Dennehy, Stephen T. Powers, 2023-10-17 Updated for the 80th anniversary of D Day For families of the heroes who fought on the beaches of Normandy during World War II for fans of Saving Private Ryan or for traveler interested in history here is the complete guide to visiting one of the world s most historic battlefields The D Day Visitor s Handbook includes everything you need to know to plan and make your visit to the site of the biggest seaborne invasion in history This compact guidebook not only describes the most significant land invasion of World War II but provides detailed battlefield maps and tours identifies monuments and attractions and locates museums and historical sites to make your planning easier and less stressful This guide provides everything you need ahead of your visit including Easy to follow maps and tours Where to stay dine and shop Lists of the best D Day museums How to find war relics still at the battlefield sites Historical context for each site including a description of military action there A special bonus guide to World War II history and sites in Paris The D Day Visitor s Handbook contains a wealth of detailed information that is perfect for those considering travelling to France anyone about to visit these sites veterans students of military history and any others who wish to learn about the history of this legendary battle

Twentieth Century-Fox Peter Lev, 2013-03-15 When the Fox Film Corporation merged with Twentieth Century Pictures in 1935 the company posed little threat to industry juggernauts such as Paramount and MGM In the years that followed however guided by executives Darryl F Zanuck and Spyros Skouras it soon emerged as one of the most important studios Though working from separate offices in New York and Los Angeles and often of two different minds the two men navigated Twentieth Century Fox through the trials of the World War II boom the birth of television the Hollywood Blacklist and more to an era of exceptional success which included what was then the highest grossing movie of all time The Sound of Music Twentieth Century Fox is a comprehensive examination of the studio s transformation during the Zanuck Skouras era Instead of limiting his scope to the Hollywood production studio Lev also delves into the corporate strategies distribution models government relations and technological innovations that were the responsibilities of the New York headquarters Moving chronologically he examines the corporate history before analyzing individual films produced by Twentieth Century Fox during that period Drawn largely from original archival research Twentieth Century Fox offers not only enlightening analyses and new insights into the films and the history of the company but also affords the reader a unique perspective from which to view the evolution of the entire film industry

Disaster at D-Day Peter Tsouras, 2015-07-03 The editor of Hitler Triumphant combines history and fiction to craft an alternative history of the Normandy landings on D Day It is June 1944

The Allied armies are poised for the full scale invasion of Fortress Europe Across the Channel the vaunted Wehrmacht lies waiting for the signs of invasion ready for the final battle What happens next is well known to any student of modern history The outcome could easily have been very different as Peter Tsouras shows in this masterful and devastating account in which plans missions and landings go horribly wrong Tsouras firmly bases his narrative on facts but introduces minor adjustments at the opening of the campaign the repositioning of a unit bad weather and misjudged orders and examines their effect as they gather momentum and impact on all subsequent events Without deviating from the genuine possibilities of the situation he presents a scenario that keeps the reader guessing and changes the course of history Praise for Disaster at D Day A brilliant and interesting book The author has pulled off a great feat of imagination and research Military Illustrated This should find a place on the shelves of anyone with an interest in the period and would be invaluable background reading in preparation for a battlefield tour of Normandy The British Army Review **Past Imperfect** Mark C. Carnes,1996-11-15 Essays that consider how classic movies have reflected history include the writings of such noted historians as Paul Fussell Antonia Fraser and Gore Vidal **Smashing Hitler's Guns** Steven J. Zaloga,2022-05-12 Written by one of the world s leading experts on D Day Smashing Hitler s Guns is a ground breaking new history of the legendary Rangers attack on Pointe du Hoc The Ranger attack on the German gun batteries at Pointe du Hoc in the early morning hours of D Day is the stuff of legend The gun batteries were strategically positioned between the two American D Day landing beaches and were considered the main threat to the Operation Neptune landings In spite of the confusion and chaos of the June 6 1944 mission the Rangers succeeded in scaling the 100 foot cliffs but the guns were nowhere to be found Spreading out in all directions a Ranger team managed to find and spike the guns at their hidden location south of Pointe du Hoc For two days this small force fought off repeated German attacks until an American relief force finally arrived on 8 June by which time more than half the Rangers were casualties The heroic Ranger mission at Pointe du Hoc has indeed become a sacred legend and as a result there are many unexplored controversies This new book on this famous raid takes a fresh and comprehensive look at the attack on Pointe du Hoc examining the creation of the German gun battery the initial Allied intelligence assessments of the threat and the early plans to assault the site The forgotten Allied bombing attacks on Pointe du Hoc are detailed as well as the subsequent Allied intelligence investigations of the results While most accounts of Pointe du Hoc are based on the published US Army history the author has tracked down the long forgotten original unedited report in the archives that contains a number of curious changes from the better known and widely accepted version Little known interviews of the Rangers who took part in the mission also shed fresh light and a significant number of German records provide the enemy perspective of the battle for control of the guns **D-Day Hero** Mike Morgan,2011-08-26 Stanley Hollis won the Victoria Cross when on the 6th of June 1944 he single handedly stormed a German pillbox before going on to save the lives of two comrades D Day s only Victoria Cross winner Hollis was uniquely recommended for this coveted award twice on 6 June A

tough working class rebel Hollis was no model soldier he was forever being busted to corporal for various misdemeanours only to win his stripes back again Few soldiers can have seen as much close combat action as Stanley Hollis He fought with the Green Howards at Dunkirk in the Western Desert in Italy on D Day and through France and Germany to the end of the war Seriously wounded and taken prisoner by the Afrika Korps Hollis was personally congratulated by Rommel then made a daring escape In Italy he was recommended for the Distinguished Conduct Medal and was later mentioned in despatches going on to undertake a dangerous undercover reconnaissance of the Normandy invasion beaches On 6 June 1944 Stanley Hollis was involved in two actions that led to his award During the primary assault Hollis single handedly stormed a German pillbox saving his company from certain injury and death and enabling them to open the main beach exit Later that day he saved the lives of two comrades trapped by heavy gunfire in a collapsing house Fully illustrated with archive photographs and ephemera this unique biography of a little known British Second World War hero shows the real man behind the heroic image Mike Morgan has received the Hollis family s full co operation and draws exclusively on personal diaries letters and other memorabilia

Jacqueline Kennedy Caroline Kennedy, 2025-05-01 To mark John F Kennedy s centennial celebrate the life and legacy of the 35th President of the United States In 1964 Jacqueline Kennedy recorded seven historic interviews about her life with John F Kennedy Now for the first time they can be read in this deluxe illustrated eBook Shortly after President John F Kennedy s assassination with a nation deep in mourning and the world looking on in stunned disbelief Jacqueline Kennedy found the strength to set aside her own personal grief for the sake of posterity and begin the task of documenting and preserving her husband s legacy In January of 1964 she and Robert F Kennedy approved a planned oral history project that would capture their first hand accounts of the late President as well as the recollections of those closest to him throughout his extraordinary political career For the rest of her life the famously private Jacqueline Kennedy steadfastly refused to discuss her memories of those years but beginning that March she fulfilled her obligation to future generations of Americans by sitting down with historian Arthur Schlesinger Jr and recording an astonishingly detailed and unvarnished account of her experiences and impressions as the wife and confidante of John F Kennedy The tapes of those sessions were then sealed and later deposited in the John F Kennedy Presidential Library and Museum upon its completion in accordance with Mrs Kennedy s wishes The resulting eight and a half hours of material comprises a unique and compelling record of a tumultuous era providing fresh insights on the many significant people and events that shaped JFK s presidency but also shedding new light on the man behind the momentous decisions Here are JFK s unscripted opinions on a host of revealing subjects including his thoughts and feelings about his brothers Robert and Ted and his take on world leaders past and present giving us perhaps the most informed genuine and immediate portrait of John Fitzgerald Kennedy we shall ever have Mrs Kennedy s urbane perspective her candor and her flashes of wit also give us our clearest glimpse into the active mind of a remarkable First Lady In conjunction with the fiftieth anniversary of President Kennedy s Inauguration Caroline

Kennedy and the Kennedy family are now releasing these beautifully restored recordings on CDs with accompanying transcripts Introduced and annotated by renowned presidential historian Michael Beschloss these interviews will add an exciting new dimension to our understanding and appreciation of President Kennedy and his time and make the past come alive through the words and voice of an eloquent eyewitness to history

When Books Went to War Molly Guptill Manning,2014-12-02 This New York Times bestselling account of books parachuted to soldiers during WWII is a cultural history that does much to explain modern America USA Today When America entered World War II in 1941 we faced an enemy that had banned and burned 100 million books Outraged librarians launched a campaign to send free books to American troops gathering 20 million hardcover donations Two years later the War Department and the publishing industry stepped in with an extraordinary program 120 million specially printed paperbacks designed for troops to carry in their pockets and rucksacks in every theater of war These small lightweight Armed Services Editions were beloved by the troops and are still fondly remembered today Soldiers read them while waiting to land at Normandy in hellish trenches in the midst of battles in the Pacific in field hospitals and on long bombing flights This pioneering project not only lifted soldiers' spirits but also helped rescue The Great Gatsby from obscurity and made Betty Smith author of A Tree Grows in Brooklyn into a national icon A thoroughly engaging enlightening and often uplifting account I was enthralled and moved Tim O'Brien author of The Things They Carried Whether or not you're a book lover you'll be moved Entertainment Weekly

The Memory of D-Day: Untold Personal Accounts of the Allied Invasion Pasquale De Marco,2025-04-22 Step into the heart of the Normandy landings with The Memory of D Day Untold Personal Accounts of the Allied Invasion a captivating narrative that brings to life the epic events of June 6 1944 Through the eyes of those who lived it this book offers a fresh perspective on one of the most consequential events in modern history Immerse yourself in the gripping tales of courage sacrifice and resilience as D Day veterans recount their firsthand experiences From the anxious anticipation on the eve of the invasion to the thunderous clash of arms on the Normandy beaches from the aerial dogfights over the English Channel to the relentless naval battles in the Atlantic this book paints a vivid tapestry of the largest amphibious assault in history Beyond the battlefield The Memory of D Day delves into the profound impact of D Day on both the war effort and the world at large It sheds light on the unwavering contributions of the home front where ordinary citizens rallied together rationing their resources and offering unwavering support to the troops It examines the profound transformations wrought by D Day both in the immediate aftermath and in the decades that followed reshaping the geopolitical landscape and leaving an enduring legacy of remembrance and reconciliation With meticulous research and poignant storytelling this book offers a comprehensive examination of D Day's significance honoring the memory of those who fought paying tribute to the sacrifices they made and exploring the enduring legacy of this pivotal moment The Memory of D Day is an essential read for anyone seeking a deeper understanding of this pivotal event and its profound impact on the course of human history Within these

pages readers will find Unflinching accounts from D Day veterans offering a raw and personal perspective on the invasion A comprehensive overview of the planning execution and aftermath of D Day shedding light on the strategic decisions and the immense challenges faced by the Allied forces An exploration of D Day s impact on the home front highlighting the resilience and contributions of civilians during wartime An examination of D Day s lasting legacy from its role in shaping the postwar world to its enduring significance as a symbol of courage unity and hope The Memory of D Day is a tribute to the brave men and women who fought for freedom and a testament to the enduring power of the human spirit If you like this book write a review on google books

D-Day Remembered Michael Dolski, 2016-04-15 D Day the Allied invasion of northwestern France in June 1944 has remained in the forefront of American memories of the Second World War to this day Depictions in books news stories documentaries museums monuments memorial celebrations speeches games and Hollywood spectacles have overwhelmingly romanticized the assault as an event in which citizen soldiers the everyday heroes of democracy engaged evil foes in a decisive clash fought for liberty national redemption and world salvation In D Day Remembered Michael R Dolski explores the evolution of American D Day tales over the course of the past seven decades He shows the ways in which that particular episode came to overshadow so many others in portraying the twentieth century s most devastating cataclysm as the Good War With depth and insight he analyzes how depictions in various media such as the popular histories of Stephen Ambrose and films like The Longest Day and Saving Private Ryan have time and again reaffirmed cherished American notions of democracy fair play moral order and the militant yet non militaristic use of power for divinely sanctioned purposes Only during the Vietnam era when Americans had to confront an especially stark challenge to their pietistic sense of nationhood did memories of D Day momentarily fade They soon reemerged however as the country sought to move beyond the lamentable conflict in Southeast Asia Even as portrayals of D Day have gone from sanitized early versions to more realistic acknowledgments of tactical mistakes and the horrific costs of the battle the overarching story continues to be for many a powerful reminder of moral rectitude military skill and world mission While the time to historicize this morality tale more fully and honestly has long since come Dolski observes the lingering positive connotations of D Day indicate that the story is not yet finished
