**Perspectives on English Historical Linguistics: Lexis and transmission** Christian Kay, Simon Horobin, Carole Hough, Jeremy J. Smith, Irené Wotherspoon, 2004 This is the second of two volumes of papers selected from those given at the 12th International Conference on English Historical Linguistics The first is *New Perspectives on English Historical Linguistics 1 Syntax and Morphology* Together the volumes provide an overview of many of the issues that are currently engaging practitioners in the field In this volume the primary concern is with the historical study of the English lexicon and its sound and writing systems Using research tools such as machine readable text and lexical corpora and intellectual tools such as corpus and cognitive linguistics many of the papers move from a close study of a set of data to conclusions of theoretical significance often concerning questions of classification and organisation More broadly whether concerned with lexicology or transmission the papers have a social orientation since neither lexicology nor phonology can be seen as divorced from its social setting *English Lexicology* Leonhard Lipka, 2002 *New Perspectives on English Historical Linguistics* Christian J. Kay, Carole A. Hough, Irené Wotherspoon, 2004-06-24 This is the second of two volumes of papers selected from those given at the 12th International Conference on English Historical Linguistics The first is *New Perspectives on English Historical Linguistics 1 Syntax and Morphology* Together the volumes provide an overview of many of the issues that are currently engaging practitioners in the field In this volume the primary concern is with the historical study of the English lexicon and its sound and writing systems Using research tools such as machine readable text and lexical corpora and intellectual tools such as corpus and cognitive linguistics many of the papers move from a close study of a set of data to conclusions of theoretical significance often concerning questions of classification and organisation More broadly whether concerned with lexicology or transmission the papers have a social orientation since neither lexicology nor phonology can be seen as divorced from its social setting *Singing and Communicating in English* Kathryn LaBouff, 2007-12-21 In *Singing and Communicating in English* internationally renowned diction coach Kathryn LaBouff provides singers with an accessible guide to the principles of English diction they need to communicate the text successfully In addition to standard American and British English a variety of regional dialects and accents are covered in depth A companion website features a full range of vowel consonant drills poems read aloud by the author and veteran theater and voiceover actor John Keating as well as an instructor's answer key and publishers lists to help the singer locate a vast array of English language works for performance

**Bilingual Thematic Dictionaries** Martin Stark, 2011-10-27 This book is concerned with bilingual thematic dictionaries

BTDs The three chief aims of the research project are 1 to identify the characteristic features of the bilingual thematic dictionary 2 to gauge its usefulness and 3 to make suggestions as to how it could be improved Various approaches are adopted in order to reveal the nature of the BTD The typological approach considers the lexicographic genres bilingual thematic and pedagogical which have been combined to create this hybrid reference work Particular attention is paid to the BTD s immediate forerunner and closest lexicographic relative the monolingual thematic learner s dictionary Detailed textual analyses of contemporary thematic dictionaries identify the characteristic features of the macrostructure microstructure and other components from a structural perspective In order to evaluate the usefulness of the BTD features identified the textual analyses are supplemented by three pieces of user research involving a questionnaire to elicit learners opinions a test on the effectiveness of the access structure and an experiment to discover how a learner uses a BTD

The Development of the Concept of SMELL in American English Daniela Pettersson-Traba,2022-10-24 The last decades have witnessed a renewed interest in near synonymy In particular recent distributional corpus based approaches used for semantic analysis have successfully uncovered subtle distinctions in meaning between near synonyms However most studies have dealt with the semantic structure of sets of near synonyms from a synchronic perspective while their diachronic evolution generally has been neglected Against this backdrop the aim of this book is to examine five adjectival near synonyms in the history of American English from the understudied semantic domain of SMELL fragrant perfumed scented sweet scented and sweet smelling Their distribution is analyzed across a wide range of contexts including semantic morphosyntactic and stylistic ones since distributional patterns of this type serve as a proxy for semantic dis similarity The data is submitted to various univariate and multivariate statistical techniques making it possible to uncover fine grained dis similarities among the near synonyms as well as possible changes in their prototypical structures The book sheds valuable light on the diachronic development of lexical near synonyms a dimension that has up to now been relatively disregarded

The Oxford Handbook of Lexicography Philip Durkin,2016 This volume provides concise authoritative accounts of the approaches and methodologies of modern lexicography and of the aims and qualities of its end products Leading scholars and professional lexicographers from all over the world and representing all the main traditions and perspectives assess the state of the art in every aspect of research and practice The book is divided into four parts reflecting the main types of lexicography Part I looks at synchronic dictionaries those for the general public monolingual dictionaries for second language learners and bilingual dictionaries Part II and III are devoted to the distinctive methodologies and concerns of the historical dictionaries and specialist dictionaries respectively while chapters in Part IV examine specific topics such as description and prescription the representation of pronunciation and the practicalities of dictionary production The book ends with a chronology of the major events in the history of lexicography It will be a valuable resource for students scholars and practitioners in the field
