The Legend of Dr. Kaminko J. M. Sewall, 2016-12-20 The Legend of Dr Kaminko by J M Sewall The town of Littleroot Maine is full of crazy urban myths but one of the strangest is probably about a house on top of a hill supposedly haunted by the ghost of the alleged mad scientist Dr Ivan Kaminko But of course nobody s been able to prove it It s just a silly legend after all There s no such thing as haunted

houses or ghosts Or so people say When teenager Terry Welling decides to investigate Dr Kaminko s house for history class his best friend Billy Martin tries to tell him it s a bad idea And when even the mayor Angus Hamilton tells him there s nothing to investigate Terry becomes suspicious so he and Billy along with Billy s cousin Casey and her best friend Allison decide to go inside the house hoping to learn something useful But once they step inside they make discoveries about the house and its alleged owner beyond anything they ever imagined The Imperative Habit David Rossi,2019-12-18 Looking back at the life I lived years ago I see a man who seemingly had it all I ran my own companies since I was 28 years old I married a beautiful woman Together we brought three children into the world and for 16 years I ran a business with annual sales of 30 to 35 million I collected all the hallmarks of the desired life a big house in the hills bordering Silicon Valley vacation homes fully loaded cars boats private schools for the kids and exotic vacations for all of us Only one thing was missing I wasn t happy I was much the opposite And one day everything fell apart and I knew I had to make a change By shedding my old belief systems and developing new ones by releasing ego and judgment of myself and others by cultivating self awareness and consciousness by recalibrating my goals and promoting those goals through my actions I have transformed my life I wrote this book to share the Imperative Habit with you so you too can move from dissatisfaction and suffering to joy contentedness and peace The Imperative Habit details how to shed the old beliefs and make new ones and how to practice form habits and create growth and eventually real transformation in your life I did it and so can you By practicing the Imperative Habit you can Leave behind old beliefs that no longer serve you Deconstruct self sabotaging behaviors Develop self awareness and consciousness Create new goals in alignment with your true self Make conscious choices to drive yourself toward your goals Live a happy joyful fulfilling and meaningful life as you are meant to live And you can do all this without pouring tomato juice in your hair Ready to start The Style File Treva Graves,2019-05-21 TREVA BELIEVES YOU CAN BE YOUR OWN IMAGE ICON YOUR STYLE YOUR WAY There is nothing more exciting for Treva than to see a woman who discovers her true individual style Sometimes it takes a little work to get there but the results are life changing This book will guide you on how to Dress for Success with joy every day in your personal and professional life Fat, Broke & Lonely No More Victoria Moran,2009-10-13 Do you ever obsess about whether to order dessert buy those pricey sandals or be totally honest on a third date If so then you are already acquainted with the fear of being fat broke lonely If only we could eat less get paid better and be more outgoing Only it s not that simple Our endless quest to be fit flush and partnered no matter where we fall on the scale inevitably makes us feel fat broke lonely The symptoms are anxiety shame and fear and the diagnosis is feeling miserable about ourselves We have two choices give up convinced that this is just a lifelong losing battle or go toe to toe with our negative self image and take back our lives Real life anecdotes practical strategies and a touch of sass make this revolutionary five step plan a must read First Moran helps us discover the root of the symptoms Then we learn how to break up with fat broke lonely for good And finally we learn how to hook up with the life of our dreams and who doesn t want that
