*Look Out for Rosy!* Bob Graham, 1991 A simple story highlights ways in which we use our five senses     *Kindergarten Primary Magazine*, 1906     *Hunt, Gather, Parent* Michaela Douclev, 2022-03-08 An NPR Science Desk correspondent

challenges the misleading child rearing practices commonly recommended to parents outlining alternatives grounded in international ancestral traditions that are being used effectively throughout the modern world In *Hunt Gather Parent* Douclev sets out with her three year old daughter in tow to learn and practice parenting strategies from families in three of the world's most venerable communities Maya families in Mexico Inuit families above the Arctic Circle and Hadzabe families in Tanzania She sees that these cultures don't have the same problems with children that Western parents do Most strikingly parents build a relationship with young children that is vastly different from the one many Western parents develop it's built on cooperation instead of control trust instead of fear and personalized needs instead of standardized development milestones

*His Second Chance Mate* Laura D Correa, 2025-08-28 The Red Moon Pack has been at war with the Crystal Moon Pack ever since Ariela lost Susana the sister of the Alpha of the Crystal Moon Pack when she was three years old they both have tried to find her until one faithful day when some rogues attack and kill the mate of Fabricio the Alpha of the Red Moon Pack Thinking that that the Crystal Moon Pack sent them the search for Susana is forgotten and the war started once again Fabricio went on a rampage after his mate's death killing rogues left and right Years pass and both packs decide to call it truths so they go to no man's lands to talk about a treaty to stop the war between them what they don't know is that they were being watched from within the tree line by rogues As they finish making the treaty and signing it they are attacked from all sides When they see that they are surrounded and about to lose the a young rogue jumps in and starts to fight with them against the rogues taking a blow that was meant for Fabricio sending her towards a tree breaking her arm and knocking her out When the rogues are defeated and everyone turns towards the young girl they all see a little girl trying to wake up the young girl When they walk up to them the little girl growls at them trying to scare them away After reasoning with the little girl that they don't want to hurt the young girls or her they take them back to Crystal Moon Pack so the doctor can take care of the young girl what they don't expect was for the young girl to be Fabricio's second chance mate Follow this story to find out what will happen between Fabricio and Susana Will they be able to overcome the bumps in the road and be happy or would their paths go different ways Who is the little girl Are Susana and the little girl mother and daughter There's only one way to find out will you follow their story or keep the mystery all to yourself     **Little Folks' Land** Madge Alford
