Look To The Hills:

The Hunt Megan Bates, A story about how a Marshal visits with prisoner who is lost to attack and the prisoner escaped Bounties were placed and the bounty hunters pair gets called on to do a long hunt As bounty hunting is a dangerous hunt the hunt caused a close a little and find new offense on targets which results in shootings killings and slaughtering Each part of the story involving different bounty hunters hunting down different targets and getting hold of them **The Vermonter**,1926 **Revelations from the Struggle** Teresa Brown-Dixon,2011-10-11 Over the years God has delivered me from many heartbreaking situations He has lifted my burdens and calmed my fears however we always went the long way I had to endure the struggle to fight the good and hard fight As I fought it I often felt I was on the losing end of the battle But each time I was reminded I had read the end of the book we won In spite of what whatever difficulties we face we as God s chosen will prevail But not without learning a hard lesson This is the good news I would like to share with those who like me often feel they are on the losing side of the battle I pray that these words will be encouraging to all who read them If He did it for me He will surely do it for them **I Am Amidst You Now** Penny McCoy,2009-02 **The Vermonter** Charles Spooner Forbes,Charles R. Cummings,1911 **Loving Me** Patricia A. Saunders,2013-03 The book was inspired by seeing in the media events with youth being bullied increase with women wanting to change their looks to fit a certain body image others trying to find balance in their lives between work family and life The sacrifices that we make and the pressure that society puts on people what is acceptable from skin tone hair and ethnicity There were emotions that I felt experiences that I remembered and the writing began Loving Me starts from within and everyone should have the belief to love themselves first before expecting others to love them Loving Me has poems that span love relationships self esteem self image and empowerment It is inspirational reflective and have you saying it s my turn to start Loving Me Inspirational Messages Rev. Bits and Pieces of Kingdom Wisdom and Revelation Bishop Robert L. Gethers,2012-10 Over the years I have collected and accumulated a number of what I call Bits and Pieces of Kingdom Wisdom and Revelations This book contains some of my favorite power pack key words of wisdom and revelations As you read you will understand my reason for using this title The little bits and pieces in this book will either add too or change your concept about certain views in Christendom and kingdom insight The title of this book is not mentioned throughout the book in reading you will also understand why For instance this book is not written with much detail or with exhaustive information about any particular subject Most of my views are short with a proverbial fl avor this means that sometimes it may seem as if you are actually reading proverbs Some of these sayings might be viewed as idioms motto and some as I said have the fl avor of a proverb which from a kingdom perspective I believe fit the messages in this book perfectly Most of these proverbial sayings were conceived in my spirit and were birthed by the Holy Spirit often times when I was in prayer Many years have passed since I started recording these sayings I believe this book of Spirit filled wisdom should ve been blessing people everywhere long ago My greatest desire for this book is that every reader will discover a greater passion for purpose and a greater desire to grow in kingdom revelation which will be beneficial for kingdom living This book contains a wealth of what I believe to be wise spiritual snacks lunch and occasionally readers might discover a full meal to dine on which is without a doubt good for the spirit soul and body
