Appleton and Company, 1880 *The Sunday at Home*, 1896 **La Voz Latina** Elizabeth C. Ramírez, Catherine Casiano, 2011

Surveying the Latina theatre movement in the United States since the 1980s this book brings together contemporary plays and performance pieces by various Latina playwrights The editors provide historical context as well as a short biography production history and artistic statement from each playwright The Old World in Its New Face Henry Whitney Bellows, 1868 **New Theory of Beauty** Guy Sircello, 2015-03-08

Ever since the eighteenth century when Kant opened the floodgates of subjectivism in aesthetics common men and philosophers alike have despaired of finding a basis for judgments about beauty This book provides a comprehensive theory that encompasses beauty in art and nature as well as intellectual utilitarian and moral beauty The author argues that the beauty of objects can be reduced to the beauty of properties of those objects which in turn can be understood in terms of properties of qualitative degree The theory developed first with respect to color is then extended to include all sensory and non sensory qualities The author shows how the theory explicates and resolves disagreements about what is beautiful and discusses its relevance to the traditional notions of harmony and sublimity His is an objectivist theory of beauty and it enables him in conclusion to demonstrate why we enjoy perceiving beauty Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Pictures and Tears** James Elkins, 2005-08-02

Art Does art leave you cold And is that what it s supposed to do Or is a painting meant to move you to tears Hemingway was reduced to tears in the midst of a drinking bout when a painting by James Thurber caught his eye And what s bad about that In Pictures and Tears art historian James Elkins tells the story of paintings that have made people cry Drawing upon anecdotes related to individual works of art he provides a chronicle of how people have shown emotion before works of art in the past and a meditation on the curious tearlessness with which most people approach art in the present Deeply personal Pictures and Tears is a history of emotion and vulnerability and an inquiry into the nature of art This book is a rare and invaluable treasure for people who love art Also includes an 8 page color insert
