You Are Today'S Women of the Bible and I Can Prove It Darci Jeffries, 2018-03-26 When Jesus was on earth he did nothing to indicate women were second class citizens For example he asked Mary Magdalene at one of the most critical times in his life to be the disciple to announce his resurrection Yet somewhere in history women have been made to feel like they shouldnt be pastors or leaders of the church because of their gender In You Are Todays Women of the Bible and I can prove it author Darci Jeffries shows women are just as much a child of God as anyone no better than men and no worse than men Through a variety of Biblical entries and scriptures she recognizes the important roles women played in the Bible and how todays women still have significant impact influencing people for Gods kingdom Jeffries notes the influential female of the Bible such as Jochebed Moses mother Esther and Rebekah and shares how its because of those women and the roles they played in Biblical history that todays women have the same level of influence Inspiring todays women to achieve all they can You Are Todays Women of the Bible and I can prove it seeks to get more women working with others for Gods kingdom and to help them understand how important they are in Gods workplace

Trinity Dr. Jason Byassee, 2015-05-19 Most people assume they know what they mean when they use the word God They mean a powerful old guy in the sky ready to obliterate us if we do wrong but basically benevolent if a little senile The Christian doctrine of the Trinity shows us God is vastly more interesting God is actually fleshed among us in Jesus poured out on us in the Holy Spirit s intoxication of the church God is three divine persons in perfect harmony and beauty and God invites us into that unimaginable intimacy We don t know this God but we should Trinity uses scripture the Early Church tradition and some modern theology to argue that God is a mystery whom we can t understand but who can shape our misunderstanding to allow for faithful living and holy love of God and neighbor Jason Byassee thinks like a theologian writes like a journalist and communicates like a storyteller We live in a time of trinitarian dissonance when the central doctrine of the Christian faith is strangely neglected by most Christians Byassee s wonderful exploration of the Trinity offers a remedy for that by providing a meat and potatoes introduction to the God who is at once Father Son and Holy Spirit An excellent spiritual guide for both mature Christians and those brand new to the Christian faith

Rev Dr Andrew C Thompson Assistant Professor of Historical Theology Wesleyan Studies Memphis Theological Seminary Memphis TN and Wesley Scholar for the Arkansas Conference of the United Methodist Church In trying to communicate the trinitarian relationship Byassee succeeds in making the indescribable a little more coherent while reminding us of the all consuming love of God Trinity is a little book of rigorous thought and deep devotion It is rare these days to find a work of

theology that stirs the intellect the heart and the spirit And I have to admit in reading this book I fell in love with the Holy Spirit all over again Enuma Okoro Nigerian American writer speaker and award winning author of Reluctant Pilgrim Silence and Common Prayer A Liturgy for Ordinary Radicals Praying When Prayer Doesn't Work Jack Corbin Getz,2010-07-07

Almost everyone has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that is not a red warning flag that prayer has a serious public relations problem what is Praying When Prayer Doesn't Work is a thoughtful often witty account of the author's journey to find prayer's elusive promise for himself A pastor for thirty years Jack uses humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful assumptions dogma with unconventional observations Getz also looks at prayer's four public relations problems identifies the perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom and helpful suggestions found in the useful study guide can teach sincere seekers of the truth how to get personal with God and make praying a choice not a chore
