

The Greek–Swedish Excavations at Kastelli, Khania 2001:

*a preliminary report**

ERIK HALLAGER, YANNIS TZEDAKIS
& MARIA ANDREADAKI-VLAZAKI

During five weeks in June and July 2001 a small supplementary excavation was carried out at the Ag. Aikaterini Square.¹ The purpose of the excavation was to clarify some problems and test some ideas before the final publication of the forthcoming volumes of the Greek–Swedish Excavations (GSE).² For the Late Minoan IIIA:1/IIIB:1 period there was a question about the supposed north-western wall of Building 1, Space G.³ It was therefore decided to open a new trench (Trench 33) within the area 508–510/709.5–714 (Fig. 1) – a trench which would possibly also reveal further information on the two LM I destructions noted in House IV' of the LM I period.⁴ For the LM I period there were three more objectives: (a) to find out whether House I, Room K (Fig. 1) incorporated a lastral basin in an earlier phase; (b) to investigate extensively the drainage system of the excavated buildings and their connection to the "public" drain running in the street between Houses I and II; and (c) to investigate the stratified remains from the MM and EM periods still left in the bank between trenches 1 and 2, and 2 and 4, which

were excavated in 1970.⁵ But in opening two new areas important supplementary information was revealed, related to periods which were not directly under investigation. Here follows a presentation of the 2001 excavation, period by period from surface to bedrock.

1. The Post-Minoan Levels

Modern surface was excavated in Trench 33 and in Scarp 1/2 with no finds of particular interest, while the cleaning all over the site revealed a certain amount of Minoan pottery and two Minoan loom weights.

Two deposits appeared to be of very recent date. One contained the soil spread over the Agia Aikaterini Square in 1951 after the cleaning of the ruins at the site.⁶ Such a deposit was found in Scarp 1/2, over the demolished Venetian and Turkish walls. In Trench 33 another very recent deposit was discovered immediately below the surface layer, probably caused by modern gardening on the site. In connection with the investigation of the drain

* This report was written in 2002 and has only been updated with a few bibliographic references.

1. The excavation was under the general direction of Dr. Yannis Tzedakis, Athens and Professor, Dr. Carl-Gösta Styrenius, Stockholm. Field directors were Dr. Maria Andreadaki-Vlazaki and Dr. Erik Hallager and they were assisted on the site by Sofia Perou, Anthei Katsimouli, Annette H. Nilsson, Maria Schalkhammer, Lena Jacobson and Jan K. Jacobson. Museum registration work was the responsibility of Dr. Birgitta P. Hallager. We wish to thank the Institute for Aegean Prehistory for the financial support which made the excavation possible, and we are most grateful to Professor Peter Warren for correcting the English text.

2. To date four volumes of the GSE have appeared: *The Greek–Swedish Excavations at the Ag. Aikaterini Square, Kastelli, Khania 1970–1975*, I–VII, (E. Hallager & B.P. Hallager (eds.), Vol. I, *From the Geometric to the modern Greek period*, 1–2 (ActaAth – 47 XLVII111–12), Stockholm 1997, Vol. II, *The Late Minoan IIC settlement* (ActaAth – 47 XLVII113), Stockholm 2000, Vol. III, *The LM IIB settlement* (ActaAth – 47 XLVII114), Stockholm 2002, Vol. IV, *The Late Minoan IIIB:1 and IIIB:2 settlements* (ActaAth – 47 XLVII115–16), Stockholm 2003.

3. See plan in e.g. Hallager & Tzedakis 1976, 58, fig. 10.

4. For these destructions see for example Hallager & Tzedakis 1976, 15–7.

5. Hallager-Gö. & Styrenius 1971, 103–4.

6. GSE I, 74–86.

Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania Introduction

In the digital age, access to information has become easier than ever before. The ability to download Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania has opened up a world of possibilities. Downloading Master Imprebion A Clay Sealing From The

Greekswedish Excavations At Kastelli Khania provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania Books

What is a Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania PDF? A PDF

(Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Master Imprebion A Clay Sealing From The Greekswedish Excavations At Kastelli Khania PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
