forgotten the Republic and the Magelords make long plans But the Magelords weren't planning on Beka Rosselin Metadi Beka has unfinished business to take care of and his name is Ebenra D Caer the man who arranged her mother's murder D Caer is safe he thinks hidden among the Mages on the far side of the Net Flying under a false name and false colors Beka penetrates the Magezone and finds more than anyone expected the Magelords have discovered a fatal weakness in the Republic's defenses and are poised to wreak their vengeance on the hated enemy The Mages are too strong They must prevail Unless one woman in one ship can do the impossible *The Price of the Stars* Debra Doyle, James D. Macdonald, 2024-07-02

An intrepid space pilot is drawn back into her family's orbit to track down her mother's assassin in this classic space opera series debut Freebooter at heart spacer by trade Beka Rosselin Metadi doesn't want to hear about her father whose rugged generalship held back the Mageworlds or her highborn mother whose leadership has held the galaxy together ever since As a pilot Beka prefers to fly her spacecraft as far from her famous family as possible Then Beka's mother is assassinated on the Senate floor and her father offers her Warhammer prize ship from his own freebooting youth if she'll use it to deliver the assassins to him off the books It's a deal too good to pass up But looking for assassins tends to make assassins look for you In short order Beka fakes her own death and adopts a new identity Now all she has to do is leave a trail of kidnappings and corpses across five star systems and blow the roof off the strongest private fortress in the Galaxy If her own family can just get off her case long enough **By Honor Betray'd** Debra Doyle, James D. Macdonald, 2024-05-01

A bold pilot races to eliminate a threat to peace in the galaxy in the third entry in classic space opera adventure series Galcen has fallen The Space Force is broken and scattered The planets of the former Republic are rushing to make peace with the victorious Mages All that remains is mopping up Minor details A privateer or two a few Adepts who remain alive and on the run and the hereditary ruler of a lifeless planet Beka Rosselin Metadi the last Domina of Lost Entibor possesses little more than a famous name and a famous ship With them she must salvage what she can from the wreckage of the Republic Her enemies are too many to count her friends too few to make a difference She can trust no one except herself her crew and the family she ran away from years before Beka has resources few suspect a hidden base a long forgotten oath and a dead man's legacy But she has problems as well for in a universe gone mad neither friends nor enemies are all that they may seem A play that began in treachery and blood five hundred years before has reached its final act A broken galaxy will be sundered forever or else made whole I haven't had such a good read in this subgenre since I was cutting my teeth on Heinlein and Poul
