My Father And Your Father A Personal Relationship With God:

My Father and Your Father William Landon, 2003-10 This book is an attempt to relate the wonderful biblical truths about the possibility of having a living personal relationship with God This truth comes down through the entire history of the Christian faith as well as in the Bible Yet there is very little teaching or promotion of this truth in organized religion This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community Sadly many people in religious organizations not to mention people outside the religious system doubt if a personal relationship with God is even possible This is even sadder when we consider the Bible is very clear on this point The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God s greatest desire for us It is Bill Landon s hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living For those who wish to explore the possibilities of a greater peace and fullness in their living this book can be a help *My Father and Your Father* William

Tanye, 2010 Ethnocentrism is one of the greatest obstacles to peace on the African continent Taking the Church as Family of God as a model of evangelization this work explores means of inculturating the Gospel message in African cultures in order to transform them make them blossom and enable Africans to live as authentic Christians in their cultures It examines the values of African extended families and the prospects of interreligious dialogue as means through which the various religious bodies can effectively work together to overcome ethnocentrism and its evil effects and thus establish a wholesome African society where every human person is at home irrespective of family orientation or tribal background **A Discipleship**

Journey for New Believers , 2011-02-11 A Discipleship Journey for New Believers is a compilation of forty short subjects that every new believer in the Lord Jesus Christ should have some knowledge The language is about a ninth grade level with some theological terms that need to be a part of ever Christian s vocabulary These have been written after many years in the

ministry and the discipling of many young believers in their newly found faith This is not meant to be an exhaustive understanding of biblical doctrines but a beginning of what hopefully will become a mature understanding of one's faith as a Christian in the home in the community and in the local church The three questions at the end of each subject especially if worked through in a group of 3-5 readers will help everyone to understand the subjects more clearly Some subjects will be skimmed the first time through and understood more clearly when read later But some especially the first section will have bearing on one's faith immediately Hopefully this may be a volume to be kept nearby for the first few months of faith and will have greater understanding and maturity the more times we read it as a believer

The Formerly Lost Soul Jubilee Ortiz, 2018-05-29 Most of the time we walk around showing everyone what we want them to see putting on a front like life is all sunshine and roses Meanwhile we are dying inside and trying to desperately find something or someone to fulfill our every need We start feeling depressed and dissatisfied unaware that there has always been someone watching over us and listening to us In The Formerly Lost Soul author Jubilee Ortiz reminds us that one day God will make his presence known to us through his gentle touch and loving word even when we are experiencing times of difficulty and pain Jubilee shares her own personal story of overcoming as she struggled through challenges and obstacles before feeling God's presence in her life and listening for his words and guidance God can be our best friend and he knows us better than we know ourselves He has given us the power to change our lives and his words can be our foundation and the lamp that guides us forward Although we cannot control what life brings we can trust in God to help us overcome whatever we may face

The Book of Genesis, Chapters 18-50 Victor P. Hamilton, 1995-09-26 In the Old Testament we read God's word as it was spoken to his people Israel Today thousands of years later we hear in these thirty-nine books his inspired and authoritative message for us These twin convictions shared by all of the contributors to The New International Commentary on the Old Testament define the goal of this ambitious series of commentaries For those many modern readers who find the

Old Testament to be strange and foreign soil the NICOT series serves as an authoritative guide bridging the cultural gap between today's world and the world of ancient Israel Each NICOT volume aims to help us hear God's word as clearly as possible Scholars pastors and serious Bible students will welcome the fresh light that this commentary series casts on ancient yet familiar biblical texts The contributors apply their proven scholarly expertise and wide experience as teachers to illumine our understanding of the Old Testament As gifted writers they present the results of the best recent research in an interesting manner Each commentary opens with an introduction to the biblical book looking especially at questions concerning its background authorship date purpose structure and theology A select bibliography also points readers to resources for their own study The author's own translation from the original Hebrew forms the basis of the commentary proper Verse by verse comments nicely balance in depth discussions of technical matters textual criticism critical problems and so on with exposition of the biblical writer's theology and its implications for the life of faith today

The Names of God in Judaism, Christianity, and Islam Máire Byrne, 2011-07-07 This book offers a welcome solution to the growing need for a common language in interfaith dialogue particularly between the three Abrahamic faiths in our modern pluralistic society The book suggests that the names given to God in the Hebrew Bible the New Testament and the Qur'an could be the very foundations and building blocks for a common language between the Jewish Christian and Islamic faiths On both a formal interfaith level as well as between everyday followers of each doctrine this book facilitates a more fruitful and universal understanding and respect of each sacred text exploring both the commonalities and differences between each theology and their individual receptions In a practical application of the methodologies of comparative theology Maire Byrne shows that the titles names and epithets given to God in the sacred texts of Judaism Christianity and Islam contribute towards similar images of God in each case and elucidates the importance of this for providing a viable starting point for interfaith dialogue
